3. The posts of the two Secondary Grade Teachers which were originally sanctioned in Government Order No. 921 Education dated 19-6-1945 will complete five years of existence by the end of the current school year and are therefore ripe for permanent retention. As there is need for the continuance of the additional sections for which these posts of two secondary grade teachers were sanctioned, I request that Government may be pleased to sanction their permanent retention with effect from 1.6.1950.

4. One of the three posts of school Assistants, which was originally sanctioned in Government Order Ms. No. 1689 Education dated 3.9.1946, has been in existence for more than three years, and sanction may, therefore, be accorded for the permanent retention with effect from 1.6.1950 of this post also, with reference to para 3 of Government Order No. 780 Finance dated 19.7.1949.

5. As there is need for the continuance of the additional sections in Form IV to VI and the third sections in Form II there is need for the continuance of the remaining temporary posts of two school assistants, one Secondary Grade teacher and the additional Physical Training Instructor in Grade II, referred to in para one above. I, therefore, request that Government may kindly sanction their continuance for a further period of two years from 1.6.1950.

Yours faithfully,
