C.No.1021 M/49 dated 9th Sept. 1949.

Sir,

Sub: Basic Education - Equipment grant for Basic
trained teachers - Proposals - Part II schemes
for 1950-51.

It is estimated that during 1950-51, 1130 Basic Trained
teachers will become available for employment in Basic schools
under aided and local body managements as shown below:-

Basic Training School, Cuddalore	..	70 (re-trainees)
Senior students undergoing training in the existing Basic Training Schools	..	1,060
Total	..	1,130

2. Grant or subsidy not exceeding Rs.300/- per Basic trained
teacher employed in Basic Schools (towards craft equipment) is usually
sanctioned. Accordingly a sum of Rs.3,39,000 will be required dur-
ing 1950-51 for the payment of grant or subsidy towards the provi-
sion of craft equipment for the Basic Schools where these teachers
will serve.

3. I am including a provision of Rs.3,39,000/- under Part II
of the Budget Estimate for 1950-51 under "37 Education". I request

p.t.o.

the Government to kindly approve of the above proposal.

EXPLANATORY NOTE

The D.P.I. reports that 1130 teachers may have received training in Basic education at the beginning of 1950-51 and that the services of these teachers may be utilised for the conversion of ordinary ele. schools into Basic schools in that year. Provision for the usual equipment grant at the rate of Rs.300/- per teacher to local bodies and private managements may have to be made in the Budget for 1950-51. The total provision required for the purpose is Rs.3,39,000/-. This total provision is to be distributed as subsidies to local bodies and grants to aided agencies who may conduct the Basic schools. As it is not definitely known how many schools will be under local bodies and how many under private agencies, the provision has been apportioned equally between the two Budget heads as indicated in the summary.

There is a provision of Rs. 2.16 lakhs (Rs 1.08 lakhs for Local Bodies & Rs. 1.08 lakhs for Private ^{Prig} Schools) in the current year's Budget for payment of subsidies and grants to Local Bodies & Private Agencies towards the ^{purchase} ~~purpose~~ of equipment to elementary schools to be converted into Basic schools in the current year. The D.P.G. will himself arrange to disburse the grants due to schools under Private management. As regards schools under Local Bodies the subsidies will have to be sanctioned by Government. The D.P.G. will presumably submit proposals in this regard in due course.

2. The Director anticipates that 1,150 teachers would have received training in Basic Education by the end of the current year. The service of these teachers can be utilised ^{for} ~~by~~ converting existing elementary schools into Basic schools. The only expenditure involved on account of the conversion is that relating to supply of equipment. This amount will have to be distributed as subsidies and grants to Local Bodies & Private Agencies. For the present the appropriation may be equally divided between under the two Budget heads relating to local bodies & aided agencies.

expenditure has been estimated as Rs 3.19 lakhs at the rate of Rs 300 per teacher one

3. As the policy of Government is to introduce the scheme of Basic Education

as quickly as possible throughout the Province, the proposal of the Director may be accepted.

4. The file may be sent to Finance W.O. for remarks.

Finance (Exp-A)

Part II scheme for 1950-51

Basic Education - Equipment grant for basic trained teachers - Cost Rs 3,39,000.

The note of E.P.H. on pp. 1-2 above may be perused. The development of basic education is the declared policy of this Govt. and it is desirable that the services of the available trained teachers should be utilized. The development of basic education is also being treated as a Post-War development scheme.

In the circumstances Finance may agree that the proposal to include a provision of Rs 3,39,000 for payment of ^{trained} equipment grant of Rs 3,39,000 for 1,130 teachers ^{at the} usual rate of Rs 300 per teacher may be brought forward as Part II scheme for 1950-51.

Subject to the following remarks.

There is no information whether

the provision of Rs 2.16 lakhs made for the current year is likely to be utilized in full. If a part

of it is likely to lapse, E.P.H. may consider whether a smaller sum than Rs 3.39 lakhs

will not do for next year, to avoid a similar lapse.

Part II Scheme for 1950-51.

Supply of equipment for basic schools. Fin (B. E. II) (Part II Scheme for 1950-51)

This Dept has already agreed to the proposal being considered as a Part II Scheme for next year. In view, however, of the recent instructions in Finance Memo. No. 57293.A.P.W.R-3 & 12-10-49, it may be considered whether it is necessary to convert all the possible number of Elementary schools into Basic schools in the next year itself and whether a smaller sum than the provision cannot be restricted to Rs 1 lakh for next year. Subject to orders being obtained in circulation including H.M. (Fin) on this point, the

B2

draft Part II Scheme note below may be accepted.
 This is a P.W.R. Scheme, extra on which has to be reduced
 or deferred with ref. to the latest instructions.
 14.10.49
 15700

The Govt. of India have intimated that they are not likely to give any grant for P.W.R. schemes in 1950-51. It is essential that no additional expenditure on P.W.R. schemes ^{should be} undertaken next year & that if possible even the existing scale of expenditure should be reduced. ~~This~~ This Dept's views on p. 2 were expressed before the latest decision of India was received by us. In view of this decision this Dept. would suggest that this be postponed.

If however this is to go forward the following may be added as Fin Dept's note.

"The Govt. of India have intimated that they are not likely to give any grant for P.W.R. schemes in 1950-51. The Fin Dept. recommends that this scheme be deferred."

If there is no money, we may stop further training of teachers, but in respect of teachers trained, it will be false economy to postpone the establishment of schools necessary. There is also the question of public criticism, & the fear for basic education is summarily halted like this.
