Roc- 2478 B.2/47 dated 25.3.50

Sir, Subject: Elementary Education - Rules for
recognition and aid - Amendment
to rules

N/P 2478 Reference G.O. No. MS. 649 Education dt 1.3.50

(N) In the G.O. referred to above an amendment to rule 20 of the rules for aid was issued on the basis of my letter Roc No. 2478-B.2/47 dated 16.2.50. According to that amendment certain concessions are allowed to certain classes of unqualified teachers. These concessions figured as an explanation to the old rule 20 in which the proportion of trained to untrained teachers was laid down as 2:1. This rule was deleted (in connection with G.O. No. MS. No. 655 Education dated 9.3.1949) in connection with the proposals for simplification of the rules for aid and simultaneously a new rule namely 12(4)(a) under the Rules for recognition in Chapter I was put in in order to have control over the indiscriminate appointment of untrained teachers by the Managers.

A/1587 2. As it is now felt that the concessions formerly mentioned in the Explanation to rule 20 should be continued, it would appear more appropriate to bring them under rule 12(4) (a) for the reason that they relate to the ratio of trained to untrained teachers and not to assessment of grant. Hence I submit that the amendment suggested in my letter Roc No. 2478-B.2/47 dated 16.2.1950 and approved in G.O. No. 649 Education dated 1.3.1950 may kindly be modified as shown below :--

A/ Substituted the following for the title and the first part of the sentence under the heading "AMENDMENT" in the G.O. Ms. No. 649 Edn. dated 1st March 1950.

"Chapter I - Rules for recognition :- Insert the following as an explanation under Rule 12(4)(a):

EXPLANATION :

The following persons shall be deemed to be trained teachers for the purposes of this rule".

N/P 2478 3. The other part of the amendment viz. items (i) to (iv) needs no alteration.

Yours faithfully,

[Signature]
for Director of Public Instruction.
