in 1949-50.

Ref: 1. Government Endt.No.79032/49-C1,

2. Letter Roc.E2.5364/48, dated
27.2.50 addressed to the Secretary
to Government, Education and
Public Health Department through
the Director and a copy submitted
to Government in order advance

I invite the attention of Government to the
Commissioner's letter cited wherein he requests Government to
permit the Council to draw the full grant of Rs.7,000/- on 20.3.50.

I may mention in this connection that in
Roc.E2.5364/48, dated 26.10.49, the Municipal Commissioner has
expressed his inability to construct all the five rooms this year.
He proposes to construct only three rooms this year at a cost of
Rs.14,000/- and the remaining portion in 1950-51. The District
Educational Officer, Ramanad requested the Director to recommend
Rs.4,000/- being a portion of the grant for the aforesaid work.

In the circumstances the Commissioner of Municipal
Council may be asked to put up the three rooms and furnish to the
Director a completion certificate signed by the Engineer to the
effect that the rooms have been constructed in accordance with the
plans and estimates as approved by the Joint Consulting Architect
together with a statement of actual expenditure incurred thereon, so
as to enable the Director to recommend to Government the sanction of
a partial grant of 50% of the actual expenditure subject to a maximum
of Rs.4,000/-. The balance of Rs.3,000/- may be sanctioned by Government
in 1950-51 after the receipt of a completion certificate in respect of
the remaining two rooms.

Roc. E2. No. 5364/48 dated 29th March 1950.

Sir,

Sub:- Grant.- Buildings - Arachipatty Higher Elementary School.

Ref:- 1. G.O. No. 3004 Edn. dated 26--9--1949.
2. Rc. No. 1890-B1/49 dated 27--3--50 of the Director of Public Instruction, Madras.

The total cost of the scheme to construct additional buildings to the Municipal Arachipatty School is Rs. 23000/-. The District Educational Officer, Ramnad informed me in his R.C. 476.C/49 dated 3--6--49 that the maximum amount of grant that can be sought for the scheme is only Rs. 7000/- and he asked me how the scheme would be modified. In my letter Roc. E2. 5364/48 dated 26--8--49, it was represented to the Government that if the maximum grant of Rs. 7000/- is sanctioned the council will construct a portion of the building costing Rs. 14000/- during 1949-50 and that the remaining portion will be constructed in 1950-51. The Government in their Memorandum No. 69276/49-1-C1. Edn. dated 19--9--49 approved the proposal and informed the council that the maximum subsidy of Rs. 7000/- will be sanctioned for the scheme. Similarly the Government have in G.O. No. 3004 Edn. dated 26--9--49 sanctioned Rs. 7000/- as grant for the work to be executed in 1949-50. In their above orders in para 1, Government have issued orders that they will sanction the payment of subsidy to this council not exceeding one half of the actual cost of the scheme subject to the maximum of Rs. 7000/-. This council has incurred an expenditure of Rs. 14398-13-0 for the three rooms constructed by it and hence it is eligible to draw the full grant of Rs. 7000/- which is even less than half the expenditure incurred.

In their Memorandum No. 1570/50-1-D. Edn. dated 23-3-50, government have advised me that a completion certificate to the effect that the three rooms have been constructed in accordance with the plans and estimates may be submitted and the grant may be claimed. Accordingly I have already submitted bills for the full grant of Rs. 7000/- to the Director of Public Instruction, Madras for sanction. The Director of Public Instruction has returned the bills along with a copy of his letter R.C. No. 1890-B1/49 dated 27--3--50 addressed to Government. The ~~Govt~~ recommendations of the Director of Public Instruction in his above letter is not in accordance with the approved scheme of this council and the G.O. sanctioning the grant.

I therefore beg to request the Government kindly to sanction the drawal of the full grant of Rs. 7000/- sanctioned in the G.O. 3004 Edn. dated 26--9--49 under the circumstances explained above.

I am submitting the bills for the grant of Rs. 7000/- which were returned by the Director of Public Instruction to the Treasury Deputy Collector, Ramnad and request the Government may kindly be pleased to issue advise to the Treasury Deputy Collector, telegraphically to pass the full grant for Rs. 7000/-.

in his R.O.C. No. 5364 of 25.3.50
The Commr. has stated that the work of
the three rooms in the addl. building for
the M.L. Higher Ely. School, Arachipatti has been
Completed according to the Plans and Estimates
approved by the Jt. Consulting Architect to Govt.
In G.O. No. 3004 Edn. of 26.9.49, the Provision
for a grant of Rs. 7,000/- has been made towards
the whole scheme. The D.P.D. in his R.O. No. 1890-B/49
of 4.3.50 has recommended a partial grant
of 50% of the actual expenditure subject
to a maximum of Rs. 4,000/-. But the
Commr. has requested that the grant might
be paid in toto (Rs. 7,000/-) in view of the
fact that the expenditure already incurred
on the scheme works upto Rs. 14,328-13-0.,
i.e. more than double of the amount of grant
provided for in the G.O. This request need
may not be approved. A draft order, on the
lines of the Director's recommendation, to the
effect that a part payment of Rs. 4,000/-
be sanctioned while the balance of Rs. 3,000/-
to be sanctioned after the receipt of the Completion

Roc. B1. 5364/48 dated 3-6-50

Sir,

Sub: Buildings - Arachipatty Higher Elementary
School - construction of additional building -
grants - Rs. 7000/- sanction and payment of the
balance Rs. 3000/-

Ref: 1. G.O.No. 3004 Edn. dated 26-9-49
2. G.O.No. 1257 Edn. dated 19-4-50

The Council had originally a proposal for construction of
additional buildings to the Municipal Higher Elementary School
Arachipatty at a cost of Rs. 23,000/-. The Council applied for
half grant for the work from Government. Government informed
this Council in their Memo. No. 69276-49-C1-Edn. dated 19-9-49
that the maximum grant admissible for a Higher Elementary school
is Rs. 7000/- only and that orders sanctioning the grant will be
issued. Accordingly Government in their orders G.O.3004 Edn.
dated 26-9-49 sanctioned the grant of Rs. 7000/-.

2. As represented by me already in my letter Roc. E2. 5364/48
dated 26-8-49 the Council has since constructed 3 rooms out of 5
rooms during 1949-50 at a cost of Rs. 14,398-13-0. The Council
has since decided to get the fire station site alienated to it
by Government on payment of the cost of acquisition. The Council
proposes to construct further buildings required for the Higher
Elementary School, Arachipatty only in the Fire Station site
after it is alienated to it. Hence the Council has dropped the
proposal of constructing 2 more rooms to the Higher Elementary
School, Arachipatty, in the existing site. Its present building
scheme for the school is therefore dropped with the construction
of these 3 rooms at a cost of Rs. 14,398-13-0. Construction of
buildings to provide further accommodation for the above school
will be taken up under new proposals.

3. The Council is eligible to the full grant admissible for a
Higher Elementary School viz., Rs. 7000/- which is even less than
the half of the actual expenditure. I beg to submit herewith
copies of the resolution of the Finance Committee and the Council
No. 11 dated 22-5-50 and 57 dated 25-5-50 respectively. I request
that the revised proposal of the Council may kindly be approved
and the Government may be pleased to sanction the balance of the
grant viz., 3,000/- still due for the modified Arachipatty Build-
ing scheme.

MADRAS 335/48 dated 16-9-50.

Sir,

Grants - Construction of building for the Arachipatti
Municipal Higher Elementary School - Sanction - Re-
consideration of order - Requested.

Ref:- (i) G.O.No.3004 (Education) dated 26-9-49.
(ii) G.O.No. Ms.(25) dated 19-4-50.
and (iii) Government Memorandum No.17574/50-1-D dated
25-7-50.

In the G.O. cited above first the Government have
invariably sanctioned half grants to local bodies for the
construction of elementary school buildings. Only the maximum
of the amount of grant has been restricted to Rs.7000/- in the
case of higher elementary schools and to Rs.4000/- in the case of
Lower Elementary Schools. The Council has incurred an ex-
penditure of Rs. 14398-13-0 on the construction of three rooms
and in fairness it will be eligible for a grant of Rs.7000/- for the
work done. The two additional rooms provided in the estimate are
not an immediate necessity. Further the construction of the two
additional rooms will reduce the open space available in the site,
which is already not much. There is no latrine in the school
which is very essential. Some space has to be found for that. It
is therefore proposed to construct rooms on the first floor of the
school for the additional accommodation required. The work so far
done is a complete scheme. In the circumstances the Government
may be pleased to reconsider their order in Memorandum No.17574/50-1-D
dated 28-7-50 and sanction payment of the balance of grant of
Rs.3000/-

scheme, Government Memorandum No.17574/50-1-D Man. dated 28-7-50
and the Commissioner's note thereon.

Resolution:- The Commissioner in his letter dated 26-8-50

represented to Government that in Government sanction Rs. 7000/- as grant for the scheme in 1949-50, the council will also bear Rs. 7000/- from its own funds and construct 3 rooms at a total cost of Rs. 14000/- during that year. Government in their memo-
randum No. 69276 dated 19-9-49 agreed to that, and promised to sanction Rs. 7000/- as grant. Accordingly the council constructed 3 rooms at a cost of Rs. 14398/-. This council is therefore eligible for the full grant of Rs. 7000/- for the work done. The Council therefore requests the Government to reconsider their orders and sanction the balance of the grant of Rs. 3000/-.
