To

The Honourable Minister for Education,
Government of Madras,
Madras.

Sub:- Panchayat Schools to be taken by Government and Permission for the admission of Panchayat teachers — in Teacher's Provident Fund - compulsion requested.

Honoured Sir,

I have the honour to submit the attached resolutions (Passed by the Nannilam Taluk Panchayat School teacher's union, held at 2 P.M. on 27.3.49 at Vijayapuram, Tiruvarur) for your kind sympathetic consideration and for early orders to be issued to make the Ely. School teacher's Post is an attractive one.

No action need be taken

2. Since the Payment of Panchayat School teachers are very irregular owing to their Poor funds and the late untimely sanction of the teaching grants, This union resolved in the 8th resolution (p. 3 infra) to request the Government of Madras to take all the Panchayat Schools directly by the Government and to mange them in future.

page 3 infra

3. As there was no compulsion of T.P.F. admission to the Panchayat teachers, This union resolved in resolution No. 11 to issue early and immediate orders, that all the teachers in Panchayat schools should be compelled to join in the T.P.F.

I forward herewith copies of the letters referred to above received from the Deputy Inspectors of Municipal Councils and Local Boards on the above subject. The funds of most of the Panchayat Boards would admit the additional expenditure involved on account of the institution of Provident fund scheme and only a very few Panchayat Boards may not afford to meet the extra expenditure without detriment to other essential services. Such Panchayat Boards may be required to augment their resources by levying suitable taxes and fees.

On the average there is provision for 2 teachers for each panchayat school and most of the teachers are only Higher Elementary trained. Under the existing rules each Higher Elementary trained teacher has to be paid a teaching grant of Rs.25/- per mensem from provincial funds and an additional salary of Rs.5/- per mensem from panchayat funds, wherever funds permit. Taking Rs.30/- as the salary of a Higher Elementary Grade teacher the contribution from panchayat funds for 2 teachers at the rate of 6 pies per rupee will amount to 30 annas or 1-14-0 per mensem or Rs.22-8-0 per annum. I consider that the funds of panchayat boards will admit of this additional expenditure.

As per Government Memorandum No.15773/49-6-B2 E.&.P.H. dated 11-6-49 Panchayat Boards will have to pay a contribution of 6 pies in the Rupee if panchayat school teachers are admitted to the benefits of provident fund. On an average each panchayat which maintains a school may have to pay Rs.25/- per annum on this account (calculating on the basis of two higher elementary grade teachers per school on Rs.30/- per mensem each. This amount can easily be found by any panchayat as they get a fairly good income now from surcharge on stamp duty. Only a very few panchayats may not afford to pay even this small sum without detriment to the other services such as sweeping scavenging etc. Such panchayats can be required to levy suitable taxes for raising the necessary funds as the admission of panchayat school teachers to the benefits of provident fund is a long felt need.

The last report received in this regard was from the District Panchayat Officer, Visakhapatnam on 12-10-1949. Hence the delay in sending a report in the matter from this office.

The District Panchayat Officers, Ongole, Guntur, Krishna and East Godavari and Visakhapatnam state that the financial position of the panchayat boards maintaining schools in their jurisdiction is sound and will admit the expenditure involved in contributing 6 pies in Rupee towards Provident fund.The District Panchayat Officer, West Godavari states that all but the Itampudi, Velagadurru, Gogunta and Kakula Illindalaparru Panchayat Boards expressed their ability and willingness to meet this expenditure.The District Panchayat Officer is of opinion that these four Boards are definitely in a position to meet the expenditure in view of the newsources of income under registration surcharge.There are no panchayat board schools in Kurnool District.In view of the above, I am of opinion that the funds of the panchayat boards maintaining schools in this range, will admit of the additional expenditure involved on account of the proposal for the institution of provident fund contributions to the panchayat school teachers.

PROVIDENT FUND FOR PANCHAYAT TEACHERS

Sir,—For a long time teachers serving in Panchayat Board schools were allowed to contribute to the Teachers' Provident Fund. But they are not allowed to do so at present and it is not known why the Government have issued orders to that effect. The work of these teachers in villages is very important and the Teachers' Provident Fund is the only means of providing for old age for these teachers. I request the Government to pass early orders permitting these teachers to subscribe to the T.P.F.

Provident Fund to the teachers of Panchayat Schools was instituted in G.O.No.137(Law) (Education) dated 21-3-33. Under rule 2 of the rules issued in the above G.O.the schme whall be compulsory in the case of all certifcated teachers in all educational institutions under private management which are recognised under the Madras Educational rules or under the rules framed under the Madras Elementary Education Act, whether aided or unaided whose pay is not less than Rs.20/- per mensem. Panchayat schools come under the category of "Private Management" as it does not fall under the definition of the term "Public Management" in clauses (ix) and (xii)

p.t.o.

of section 3 of the Madras Elementary Education Act. It is compulsory on all certificated teachers whose pay is not less than Rs.20/- per mensem to contribute to the fund, while in case of other teachers the subscription to the fund is optional.

C No. 606-B1/49.

2. Subsequently, the Director of Public Instructions appears to have addressed Government regarding the admission of teachers in Panchayat Schools to the benefits of the Provident Fund Scheme and Government in their order No.Ms.1138 Education dated 22-7-41 have issued orders on that reference to the effect that teachers in non-pensionable services under panchayat schools who have already joined the fund may be permitted to subscribe to the fund but that no teachers should be permitted to join the fund newly.

at (T)

3. Subsequent to the issue of G.O.No.1138 Education dated 22-7-41, teachers in Panchayat Schools are not admitted to the Provident Fund Scheme newly. The circumstances under which ~~G.O.~~ Government issued the above orders are not known. The above orders appear to have been issued on the references made to Government by the Director of Public Instruction in his letters Rc.2307-E/33 dated 12-2-1941 and No.55 J/41 dated 3-6-41 which are read in the above G.O. The Director of Public Instruction may be consulted on the desirability of allowing all the Panchayat School teachers to join the Provident Fund.

the P.F. from 1928, to continue their subscription and ordered that no new admissions should be made in the Panchayat schools.

at (W)

3. In G.O. No.611, Edn. dated 21--4--1944, Government permitted the teachers of private schools transferred to Panchayat schools to participate in the P.F. scheme, provided they joined the P.F. prior to their transfer.

4. Thus, two sets of teachers employed in the Panchayat schools are subscribing to the P.F. Under the circumstances, the scheme may be extended to all the certificated teachers employed in the Panchayat schools with reference to the rules applicable to teachers employed in private schools.

Teachers in schools under District Boards and Municipal Councils enjoy the benefits of the provident fund as described below:-

1) Subscription at the rate of 1 anna per rupee from the pay of teachers
2) bonus at the rate of 1 anna per rupee from local bodies.

2. In the case of schools under private managements a separate Provident Fund has been constituted, contribution to which is levied as follows:-

1) 1 anna per rupee from the pay of teachers
2) 6 pies per rupee from the managements of schools.

3) 6 pies per rupee from provincial funds.

3. In the case of teachers in panchayat schools they are not eligible for admission to the Provident Fund constituted for local bodies as panchayat schools are recognised only as elementary schools under private managements under the Elementary Education Act. Most of the teachers in these panchayat schools do not also enjoy the benefits of Provident Fund constituted for teachers in schools under private management as explained below:-

4. In 1939 the question was specifically raised whether teachers in panchayat schools might not be admitted to the ~~sh~~ benefits of P.F. for teachers in* non-pensionable service. As the future of panchayats was ~~thus~~ then unsettled and as there was a possibility of constituting a separate P.F. for the employees of panchayats, the question of admitting panchayat school teachers to the P.F. for teachers in non-pensionable service was deferred. By some mistake however 233 teachers in panchayat schools (out of about 2000 teachers employed in these schools) were allowed under instructions from the D.P.I. the benefits of P.F., treating these teachers as teachers in schools under private managements. These # 233 teachers were specially allowed to contribute to the P.F. while admission to the fund was refused in respect of other teachers.

5. The question now arises whether such of the panchayat school teachers as are not now enjoying the benefits of P.F. should be allowed to subscribe to the P.F. The D.P.I. considers that the scheme of P.F. may be extended to all certificated teachers employed in panchayat schools. The proposal if accepted will throw additional liability of about Rs.20,000/- by way of bonus to P.F. (6 pies in a rupee).

p.3 ante

The panchayats also have to incur a similar expre.

6. In view of the fact that panchayat school teachers are the only class of employees in the educational department without Provident Fund benefits and as they are low paid teachers, it is for consideration whether the D.P.I.'s suggestion to extend the scheme of Provident Fund to all the panchayat school teachers may be accepted.

[From the Inspector of Ml. Cls. & L. Bds. No. 32 ... 49 (10.11.49)]

The Inspector of Ml. Cls. & L. Bds. has stated that the funds of most of the Panchayat Boards ~~would~~ will admit of the additional expenditure involved on account of the introduction of the scheme of ~~Provident~~ fund for teachers in non-pensionable areas ~~except in very few~~ to teachers under Panchayat Bds. He suggests that the remaining few ~~such~~ Panchayat Boards may be required to augment their resources by levying suitable taxes and fees.

This Deptt. ~~has~~ have already agreed to the proposal of E & P.H., ~~that~~ the suggestion of the

B2

D.P.I to extend the scheme of Provident Fund to all the Panchayat School teachers ~~may be extended~~ being accepted, provided that the Panchayats will be able to meet the extra cost. The I.L.B. who was consulted on the point has certified to the ability of the Panchayats in General to meet the extra expenditure involved. The extra cost to the Govt. is stated to be Rs. 20,000/- p.a. recurring and therefore the proposal should be treated as a "New Service", if the scheme is to be sanctioned and introduced in the current year itself. In view of the present ban on proposing new schemes for introduction ~~of~~ in the course of this year except for very special reasons, ~~it seems~~ this Deptt. may suggest that the scheme may be brought forward and considered as a Part II scheme for 1950-51, although it does not satisfy the criterion laid down in that behalf also.

para: 2(ii) on pp 5-6 above.

When the new Panchayat Bill is passed into law, 12½% of land revenue will be set apart for augmenting the resources of poor Panchayat Bds.

The liability of Govt. by way of contribution is not ~~paid~~ met every year. The contribution is sanctioned as a lump sum when teachers retire from service. There will be no liability by way of contribution for many years to come. In this view it is for consideration whether orders may not be issued straightaway without

without treating the proposal as a Part II scheme. Finance may consider this aspect of the question.

(Previous Finance note on pp 7-8 above)

With reference to the note of E&P.H on pp 8-9 above, it is subd. that the fact that there would be no extra cost to the Govt. in the year of introduction of the scheme is no criterion for not treating a new scheme of expenditure as Part II scheme even though the actual expenditure will be incurred only some years later. For example, last year the proposal to increase the cadre strength of Madras Engineering Service and the Madras Engineering Subordinate Service was treated as a Part II scheme in view of the extra pensionary liability involved in the proposal, even though the pension becomes payable only at the time of retirement of the individual concerned. Similarly, the scheme of admission of teachers in Panchayat Schools to the benefits of the Teachers Provident Fund under consideration in this file should be treated as a Part II Scheme.
