Approval requested. (R)

G.O. Ms.No. 1057, Edn., dated 8th April 1949.
District Board Resolution No.1928 dated
3-10-1949. p24/49

p24/49
A copy of the District Board Resolution No.1928 dated 3rd October 1949, sanctioning the adoption of Government scales of pay for the teaching staff of Board Secondary Schools is appended. The extra cost is little and can be met by the District Board without any strain on its finances. The adoption of the Government scale has become imperative for more than one reason. Many of the neighbouring boards have adopted the scale. The private managements are offering attractive salaries so much so the service under the District Board is being less and less attractive. The disparity in the scales which is trivial has a depressing effect on the teaching staff of the District Board especially the senior hands. There is practical difficulty to secure hands in the existing scales of pay.

In these circumstances I request that sanction may be accorded for the adoption of the Government scale with effect from 1-10-1949 as resolved by the Board.
