THE SOUTH INDIA TEACHERS' UNION

520, HIGH ROAD, TRIPPLICANE, MADRAS-5

Dated the 9th Febr. 1950.

U/830.

To

Sri J.M. Lobo Prabhu,
Secretary to Government,
Education Department,
Fort St. George, Madras.

Sir,

At a meeting of the Executive Board of the South India Teachers' Union held on Saturday the 4th February 1950, the draft amendment to rules relating to representation of communities in the services under district boards (published in the Rules Supplement to part I-B of the Fort St. George Gazette dated 24th January 1950) was considered.

I am communicating to you the resolution passed by the Executive Board on the subject.

"Without entering into the merits of the principle of communal representation in the services, the Executive Board feels that the extension of the principle to the appointment of teachers in the elementary schools under local bodies, contemplated in G.O.No.Ms.87, Education, dated 12th January 1950 published in Rules Supplement to Part I-B of the Fort St. George Gazette dated 24th January 1950, was undesirable and harmful. The Board expresses the view that in the present state of elementary education in our province, when there is an acute shortage of teachers, all available hands have to be harnessed to the task and communal rationing of teachers' posts will hamper the progress of education and very seriously affect the training of the young child. It therefore resolves to request Government not to proceed further with the proposed amendment."

Yours faithfully,

M. Majabai
Secretary.

ORDER NO. 1272 END. DATED, 20/4/50

In G.O. No. 87, Edun. dated 12-1-50, the Govt. published for information and criticism a draft amendment to the rules ^{relating} ~~relating~~ to the representation of communities in the services under Dt. Bds. The South India Teachers Union, objects to the amendment, under the impression that the principle of communal rotation is to be introduced for the first time for teachers in Board Ele. schools. ~~The real position is that~~ The rules regarding communal representation ^{has been} ~~is~~ in force since 1939 ^{and} it is now proposed only to simplify the rule on account of the abolition of distinction between boys and girls schools.. The draft amendment is ~~therefore~~ confirmed.

2. The appended notification will be published in the Fort St. Gazette.

Sub: Establishment - Dt. Bds. - Representation
of communities in services under Dt. Bds. -
Amendment. *to rule*

In 1939, the Govt. framed a set of rules, to regulate the appointments to posts under Dt. Bds. in accordance with communal rotation. Under the rules separate communal rotation should be observed for the appointment of men and women teachers in Ele. schools. As the system of maintenance of separate schools for boys and girls has since been discontinued, the observance of a single communal rotation both for men and women teachers under Dt. Bds. was considered sufficient. It was therefore decided that the rules ~~may~~ be amended, providing for a single communal rotation for both men and women teachers.

2. The draft amendment to the rule was published for objections and criticism in the Gazette dated 24-1-50. The time limit of six weeks allowed has already expired. The only objection, received is from the Secretary, South India Teachers Union, Madras. The Union is under the impression that rules are to be newly framed to regulate the appointment of teachers in elementary schools on communal basis and ~~expresses~~ ~~expresses~~ the view that the proposed amendment need not be ~~far~~ ~~ther~~ proceeded with. As the rules are already in force from 1939, and as the amendment proposed is only to simplify matters, the objection of the Union need not be considered. The draft amendment may be confirmed.
