Dear Mr. Lobo Prabhu,

You will remember I spoke to you yesterday re. the Clerk, Mr. S.E.P. Savarirayan, of the Office for the Commissioner for Government Examinations, who was employed from the Educational Department 7 years ago by the Recruitment Sub-Committee for the Officers' Club.

When the Indian Hospitality Committee (AFW) took over the Officers' Club it also took over the service of Mr. S.E.P. Savarirayan. His services from the Indian Hospitality Committee were terminated last month as we have had to retrench and he joined his department.

Herewith is a copy of the Government Order sanctioning his appointment by the Recruitment Sub-Committee.

He is now informed that his services in the Indian Hospitality Committee (AFW) for the last 7 years cannot be recognised. This will definitely handicap him as he will ~~not~~ only start on Rs.45/- per mensem and this is against the G.O. that was originally ordered.

Mr. Savarirayan has his family to take care of, comes of a respectable family and was of great help to the committee. I hope that, in recognition of his services, during the war years, he may be given such emoluments as he would have got had he continued in his original appointment.

Thanking you,

Yours sincerely,

Sir,

Ref:- Government Endorsement No.99211/G2/49-1, Education,
dated 7-1-1950.

I have the honour to state that with reference to G.O.
No.1145, Public Health, dated 12-8-1942 the services of Sri S.E.P.
Savariroyan were lent to the Indian Soldiers, Sailors and Airmen
Club to work as manager of that club. At the time of his relief
he had altogether put in a total service of 10 months and 26 days
as a Lower Division in the Madras Ministerial Service. He returned
to duty in this office on 1-12-1949.

2. When he was in foreign service a question arose whether
his service in the club can be considered as War Service. In their
Memorandum No.67, Education, dated 14-8-1946, Government ordered that
his service in the club was neither war service nor military service.
Hence, concession allowed to war service candidates cannot be granted
to him.

3. At the time of his deputation to foreign service, his
status in the office was only that of Lower Division Clerk who had
not completed his probation and under Fundamental Rule 113 when he
returned back from foreign service, he held a right to claim the same
status. During his absence, promotions were made to the Upper Division
clerical posts were made from among clerks who were appointed after
Sri Savariroyan's entry into service in this office; but all of them
had successfully completed probation in the Lower Division. Promo-
tions to the Upper Division are made according to seniority and merit.
The work in this office which is mainly concerned with the conduct
of examination is of a technical nature and quite different from that
in the club and his service there cannot be taken for the purpose of
probation in this office. Pending completion of probation and
fixation of his pay in the Lower Division, he was, on his reversion,
put in the minimum of the Lower Division scale.

4. In the circumstances explained above, no immediate
promotion can be given to Sri Savariroyan.

Dear Mr. Pulla Reddi,

The information required in respect of Mr. S.E.P. Savariroyan is as follows:

From 19.6.41 to 25.7.41 : Govt. Mental Hospital as a L.D. Clerk.

" 4.8.41 " 22.5.42 : Office of the Commissioner for Government Examinations as a L.D. Clerk.

" 23.5.42 " 30.11.49 : On deputation from the Office of the Commissioner for Government Examinations to the H.E. Sir Arthur Hope Club & Canteen for Indian Soldiers and Officers; and, from the H.E. Sir Arthur Hope Club and Canteen to the Indian Hospitality Committee (Armed Forces Welfare), Madras as a L.D. Clerk.

1.12.49 " to date. Office of the Commissioner for Government Examinations as a L.D. Clerk.

(It may please be noted that his services have been continuous from 4.8.41. and that his period of deputation was treated as 'foreign service'.)

During this period of his deputation several L.D. Clerks of the Office of the Commissioner for Government Examinations were proposed to the Upper Division and this has not been done without prejudice to the claims of the above mentioned clerk. When he went back on 1.12.49 he should have been put over them but his junior in service has been again promoted in the newly created Upper Division post. Had he continued in that office he would have been in the Upper Division two or three years ago.

I should be grateful if you would consider his case in the light of the above and do what is possible.

Thanking you.

When the Indian Hospitality Committee (APW) took over the Officer's Club it also took over the services of Mr. S. E. P. Savariroyan. His services from the Indian Hospitality Committee were terminated last month as we have had to retrench and he joined his department.

Savariroyan's service in the club for Indian Soldiers, Sailors etc. was not classified either as war service or as military duty vide Memo 67 Edn. dated 14-8-46. His Service will not therefore count for probation in his post in the office of the C.G.E. on his return to the parent office. Please see rule 8(c) of the General Rules for Provincial and subordinate services under which only the period spent in military duty will count towards their probation, on return from such duty. Under this rule, this candidate, on return from his deputation, is entitled to all privileges in respect of appointment, seniority, probation and appointment as full member, which he would have enjoyed but for his absence subject to his completing satisfactorily the period of probation on return.
