PROPOSALS FOR THE FUTURE ADMINISTRATION OF THE PUDUKOTTAI STATE MUSEUM.

-0-0-0-0-0-

The brochure "The State Museum, Pudukottai" enclosed herewith (Encl 1) gives an account of the history of the Museum and the collections in its different sections. The collections pertaining to art, epigraphy and numismatics have increased since 1937. Members of the Pudukottai royal family, Sir Alexander Tottenham who was the administrator of the State for a number of years, and the educated public of the State used to take a keen interest in the Museum. The collections in the Museum are indeed rich and varied, definitely richer than those of the museum in Cochin State. A Unfortunately, the building, an old palace, is too small, ill-lighted and inaccessible for a museum; the exhibition cases and fittings are of a very poor standard, and the labelling and display also are very inadequate (Encl 2 Plan). Tirugokarnam where the Museum is situated is a suburb of Pudukottai, 2½ miles from the town, and most of the visitors to the Museum have to walk the distance. In spite of this handicap, the Museum attracts a considerable number of visitors -- daily average, 418 in fasli 1355 -- which shows that it is definitely popular with the public of the State. The beginnings of an excellent museum are here and the officials and non-officials whom I met are definitely of the view that the Museum which has started so well should be nurtured and improved by the Provincial Government. The other alternative, namely, dispersing the collections, will be an act of vandalism, and will not be seriously considered by any one who has at heart the interest of culture and of education, and understands the difficulties of building up museum collections so useful in the education of the adolescent and the adult which we are all attempting to make less and less bookish. **My** submission, therefore, is that Government may be pleased to take over the Museum as it is, retaining its general nature and all its sections.

2. It will be economic and to the advantage of the Pudukottai Museum to attach it in a suitable manner to the Madras Museum, for some years to come, so that the wider experience and

P. T. O.

specialist personnel available here ~~any~~ may be fully utilised, as often as possible for the badly-needed improvement of the Pudukottai Museum. My suggestion therefore is that the Pudukottai Museum may be constituted into a regional museum, under the control of the Superintendent, Government Museum, and that the technical and office staff be reorganised on the lines of that of the Madras Museum so that it might be possible to transfer the staff from the one institution to the other. The establishment of the Pudukottai Museum now consists of one Curator in the scale of Rs. 70-5-120, one Technical Assistant (35-1-50), one Taxidermist (30-1-40), one clerk (35-1-40-1½-55), and seven peons.

The staff on reorganisation will be :

M

1, Curator, Rs. 120-5-170-7-240.
1, Assistant Curator, Rs. 90-5-120.
1, Taxidermist, Rs. 60-1-70.
1, Attender (Technical) Rs 25-1-35,
1, Clerk Rs 45-3-60-2-90.
1, Head Peon Rs ~~18/~~ 25-½-30.
6, Peons Rs 16-½-25.

The Curators in the Madras Museum have no administrative work which the Curator of the Pudukottai Museum will have to attend to. It is, therefore, necessary to pay him an allowance for this additional work; this may be fixed at Rs 30 per mensem. The establishment charges on the reorganised staff (excluding dearness allowance) will be about Rs 6000, as against Rs 5200 estimated for the fasli 1358. (Encl 3. please see extract from the state budget); including dearness allowance it will be Rs 8700. The total budget estimate for the Museum for the fasli 1358 is Rs 8350, but on a rough estimate this will have to be increased by 50% after the merger. Special grants will be required in the initial years to ~~be~~ improve the fittings and cases.

All

3. The Curator of the Pudukkottai Museum has been giving advice to the Public Works and Devasthanam Departments in the matter of the conservation of ancient monuments in the State; he maintains a list of such monuments, and periodically inspects them and the antiquities kept at the sites. In fact he has been doing most of the work that the Archaeological Department of the Central Government does for ancient monuments. A list of 104 protected monuments of the State

It is presumed that the Central Government will take over these protected monuments and entrust them to the care of the Archaeological Department.

4. In this connection, it is also suggested that the present Curator, Sri. T.S. Sundaram Ayyar, B.Sc., (Agriculture), L.T. and the Technical Assistant, Sri. K.S. Viswanatha Ayyar who have fairly good expereince of field work and familiarity with the monuments of the State may first be considered for absorption in the Archaeological Department of the Government of India. Mr. Sundaram Ayyar has put in a service of 2 years and 3 months in the Museum as Curator but has not been confirmed; his permanent appointment is that of Natural History Assistant in the High School Department of the Maharaja's College. He has however taken to archaeology with keen interest. The question whether he can be retained as the Curator of the Museum may be considered after the Archaeological Department has been addressed, as suggested above. Mr. Viswanathan has passed S.S.L.C. and completed the intermediate course and has worked as Draftsman. He has undergone training in Excavation methods, and archaeological surveying and drawing at Arikamedu in the training school conducted by the Archaeological Department. He may also be considered for absorption in the Archaeological Department as it will be difficult to continue him in the Museum.

The clerk, the Taxidermist and the peons will remain on the Museum staff as at present.

5. In para 1 above, reference was made to the unsuitability of the small "palace" in Tirugokarnam to house the Museum. It will be most desirable to move the Museum into a better building in the town. I am told that suitable buildings are likely to be available, in which case, a ~~suitable~~ better building may be alloted for the Museum. There is the likelihood also of the Raja presenting some of the large paintings in the Darbar Hall to the Museum, but the present Museum buildings are too small for them.. The interest in the Chola-Pandya culture of Pudukottai is keen enough in the state that the rich merchants of Pudukottai may come forward - so I was told - to donate a buil

Museum if the initiative is taken in responsible quarters to that end.

Sir,

MUSEUM - Pudukottah State - Future Administration.

With regard to the future administration of the ~~State~~ Museum in Pudukottah I am directed to inform you that there are about 104 protected monuments ~~in~~ of the State. It is presumed that ~~that~~ the Central Government will take over these protected monuments and entrust them to the care of the Archaeological Department. I am to enclose in this connection for consideration an extract of the report of the S.G.M. Madras, recommending the absorption of the present Curator and Technical Assistant in the Archaeological Department of the Government of India. I am to request that the decision of the Government of India on its receipt may be communicated to this Government at an early date.

In continuation of my letter No. 728/48-6 dated 26th May 1948, I have the honour to furnish the information called for in the memorandum cited, in the statement enclosed.

2 Except in the case of the Technical assistant, all the other members of the staff can be fitted in the corresponding cadre of Government Service provided their pay is re-fixed in the time scale to which each cadre is entitled. In the case of the Technical Assistant, there is no corresponding cadre of service to which he can be ~~filled~~ fitted in so far my office is concerned. The service rules regarding the qualification of the Curator have to be relaxed in order to absorb the present incumbent in service as he does not possess the degree in a subject prescribed for Curators in the service Manual. His degree is in agriculture; the nearest subject to it in the Museum is Botany.

4. In my letter Rc. A4.4727/48 dated 28-5-48 a copy of which the Collector has sent to you with his letter Rc. 7824/48 dated 24-6-48, P.29 ante I recommend that the exhibits in the Museum might be transferred to the Madras Museum in consulation with the Government, that Sri. T.S. Sundaram Ayyar, permanent assistant in the Sri Brihadambal High School and the entire technical staff might be absorbed in the Madras Museum Office and that the clerk who is an unpassed hand might be absorbed ~~hand~~ in the ministerail service in any of the adjoining districts. The Government of Madras have since informed the curator that there is no proposal to close the state museum. Please see copy of the memorandum No. 47549-C2/48-2 dated 23-7-48 submitted herewith. p 49 infra In view of this order, I submit that the entire staff now working in the state museum may be retained and that they may all be given the provincial scales of pay and allowances. p 51 infra

5. Sri. K. Viswanatha Ayyar, No. 2 in the list has since been appointed as an Assistant Draftsman in Tanjore under the Assistant Archaeological Chemist on probation for six months from July 1, 1948. Since he is permanent hand, he may continue to hold his lien in the state museum.

6. I have received an anonymous petition on 24-7-48 which contains a statement that Sri. T.S. Sundaram Ayyar, the acting Curator is a dismissed agricultural subordinate of the Madras Government. I asked the museum Curator to report where he was working before he took up appointment in this territory and under what circumstances he left that service. p.50 I enclose a copy of the D.O. letter Rc. 58/M-48 dated 29/7/48, which he has sent to me in reply to my query. He says that he was working as an agricultural Demonstrator in Coimbatore and Salem districts for four years i.e., from September 1929 to November 1933 and that he had to resign his post and got his services terminated. I do not think it necessary to verify the correctness of his statement in view of his unblemished work here for the last 13 years in State service. He may be retained here on the provincial scale.

Merger - Pudukkottai State - State Servants - Absorption.-

Special Deputy Collector's Proceedings RC:A.5-4727/48 dated 18th July 1948.

In connection with the particulars called for, under column 9 in the statement submitted on 20-7-38 I wish to state the following. Since becoming the Curator on 22-1-46 I have re-organise the entire Museum, especially the 'Archaeological section bringing it on a pa with the other big Provincial Museums. The local State Museum with its large number of 'Field' or 'site' Museum being more archaeological, my work and interest were chiefly confined to 'Archaeology' and naturally, I desire that they should be continued. My work in the Museum and Pudukkottai Archaeology was appreciated by eminent scholars and Distinguished visitors of America and abroad, and I am anxious that I should be allowed to serve the cause I have been these three years with an abiding interest and zeal.

I request that I/may therefore be recommended to a post in the Archaeological Survey of the Government of India which may be either and 'Assistant Archaeologist' or a 'Field' Officer' attached to the Southern Circle, Madras when the several Field-Museums in Pudukkottai territory and the Archaeological section of the local museum will be entrusted to me and the work I have been doing, may be carried on without any impediment or check. Next I may in the consideration of my being a distinguished B.Sc., in Agriculture with specialisation in agricultural botany, and a L.T., having studied English and Natural Science as my special subjects with training in 'Arts and Crafts', Museum technique, special drawing, and rural work be recommended for the post of district educational officer in charge of basic education, I was an agriculture and Natural Science assistant in the local Raja's College from 1935 to 1946, and an examiner in Natural Science for the Madras S.S.L.C. Public Examination in 1943.

I was the 'Botanical Expert' to the late Dewan, Sir, Alexander Tottenham, for whom I have identified about thousand plants in the state. Besides, I was freely consulted by him and the Darbar on matters of scientific interest.

The chapter of Agriculture and that on the Flora and Fauna in Vol. I of the State Manual and the 'Museum enterprise' in the local Raja's College (Please see pages 504 and 505, Vol. I State Manual) are my humble contribution and the Durbar have recorded in glowing terms their appreciation of my work. (Please see the Preface to Volume of the State Manual). I have also enclosed copies of testimonials and certificates from my superior officers, Principals, Professors and Lecturers in support of the statements I have ventured to make.

If appointed either as the District Educational Officer or the Senior Inspector (in the selection grade) in charge of Basic Education especially the vocational aspect of it to the rural and adult masses.

Lately I may be permitted to suggest that a special Development Officer in charge of the Firka Development Scheme will help me to make myself useful and serve the State and the cause well.

I have passed the 'Account and Departmental Tests' intended for Agricultural Officers.

I beg leave finally to conclude my request by way of suggestions by stating that my qualifications and attainments aided by my service in the State for over 13 years in the fields of Education, Museum and Scientific Development work enable me to pray my claims to be considered for suitable appointments (1) As an Assistant Archaeologist or Field Officer (Archaeological Survey of the Government of India, (2) in the Educational department (District or Special Officer in charge of Basic Education work) (3) Special Development Officer in charge of the Firka Development work, and (4) as the Deputy Registrar or an Officer in charge of Prohibition (Amelioration) work in the Co-operative department.

Since taking my B.Sc. Degree in Agriculture in 1929 I was working as Agricultural Demonstrator in Coimbatore and Salem districts for 4 years (i.e.) from September 1929 to November 1933.

Due to the official trouble and difficulties connected with the difference of opinion and my consequent inability to get on with my immediate superior officer, I had to resign it and get my services terminated in November 1933.

From November 1933 to July 1935 I was managing my own lands and in response to the advertisement for the post of an Agricultural Assistant in the local College I applied and got appointed on 6-7-1935 after interviewing the then Principal and acquaintaining him with my previous employment.

The late Diwan, Sir Alexander Tottenham whose "Botanical Expert" I had the honour and privilege to be, was also aware of my career before taking up appointment in Pudukkottai territory.

I enclose herein a copy of the Darbar's proceeding Rc. A6-8372/46 dated 5-11-46 ordering the revision of scale of pay of the state officials with effect from 1-10-46. As the proceedings itself shows, the revision that was effected from 1-10-46 was intended more to restore the old scales of pay that were reduced with effect from 1-8-39 than to enhance the pay of the officer that obtained before 1-10-46.

Ibid

2. The scale of the curator which is now Rs 70-5-120 is the same as that which obtained before 1-8-39. Since it was not reduced with effect from 1-8-39 as in so many other cases, the question of revision of the Curator's scale of pay did not arise. In these circumstances, the Curator continues to get the same scale of Rs 70-5-120. His present pay is Rs 80/- in the above scale.

The general principles to be followed in the matter of the absorption of the state employees, the fixation of their pay, retrenchment of surplus personnel and payment of compensation for loss of career etc. have been laid down in G.O. No. 855, Public (Political), dated 26-3-49 and the departments of the Secretariat have been requested to take necessary action for the absorption of the staff with whom they are concerned. Representations have been received from prominent members of the public and from His Highness the Raja of Pudukkottai about the discontent among the state employees due to their non-absorption in the corresponding posts of this Government. The Departments of the Secretariat may therefore be requested to take necessary action as expeditiously as possible for the absorption of the staff in the departments with which they are concerned.

K. RAMUNNI MENON,
Chief Secretary to Government.

The Superintendent,Government Museum, has observed that he cannot absorb Sri K.Viswanatha Ayyar, the Technical Assistant, as there is no corresponding cadre of service in his office. In this connection, a reference is solicitdd to my letter Rc.7824/48 dated 19-11-48. The individual was relieved on 2-7-48 to take up his temporary appointment as Assistant Draftsman under the Assistant Archaelogical Chemist in Tanjore. He is on the State scale of Rs.35-1-50 and is an Intermediate. He has also passed Surveying and Levelling (Lower grade), Architectural drawing and Archaelogical Survey and has undergome training in Archaelogical exploration and excavation methods at Pondichery. In view of these technical and special training, he will be suitable for the absorption in the Archeological Department. The Archaelogical Department of the Government of India may be asked to consider the possibility of absorbing him permanently in their services. If this cannot be done he may be absorbed as a Lower Division clerk in the Madras Ministerial Service (to which post his scale and qualification fit him) and may be allotted to one of the adjacent districts. Not addsd to Govt.

2. As regards absorbing Sri T.S.Sunderesa Ayyar, the Curator, I would invite attention to my D.O. dated 23-6-49 to the First Member Board of Revenue. I have suggested therein that Sri T.S.Sunderesan Ayyar may be absorbed in the Government of India Services and have requested that the matter may be taken up with the Chief Secretary so that the latter may move the Government of India. If the Government of India plead inability to take him in their services, he may be absorbed as curator relaxing the Provincial Service Rules as suggested by the Superintendent,Government Museum and started at a decent stage in the time-scale of Rs.120-5-170-7-240 fixed for Curators.

3. Sri A.Subbarayan Servai, clerk, is not an eligible hand. [illegible] has completed his Secondary School Leaving Certificate. He may [illegible] absorbed as Lower Division clerk in the Museum as recommended by the Superintendent,Government Museum.

4.The recommendations of the Superintendent,Government Museum relating to the Taxidermist and the peons are in keeping with the principles enunciated in G.O.855-Pub.(Pol) Department dated 26.3.49 and I agree with them.

In continuation of my letter No. 728/48-6 dated the 26th May 1948, I have the honour to furnish the information called for in the memorandum cited in the statement enclosed.

Except in the case of the Technical Assistant, all the other members of the staff can be fitted in the corresponding cadre of Government Service provided their pay is refixed in the time scale to which each cadre is entitled. In the case of the Technical Assistant there is no corresponding cadre of service to which he can be fitted in, so far my office is concerned. The service rules regarding the qualification of the Curator have to be relaxed in order to absorb the present incumbant in service as he does not possess the degree in a subject prescribed for Curators in the Service~~s~~ Manual. His degree is in agriculture, the nearest subject to it in the Museum is Botany.

Sir,

Establishment - Pudukottai Museum - Absorption of staff in the Madras Government Service.

I am directed to state that the Government have decided to absorb the state employees of the Pudukottai Museum in the Madras Government services consequent on the merger of the Pudukkottai State with this Province. Of the members of the staff of the Museum to be absorbed in the Madras Government services, Sri A. Subbarayan Servai, a clerk in the Museum has completed the S.S.L.C. and has not obtained the requisite marks qualifying for public service and he is also overaged. It is proposed to relax the relevant service rules with a view to retaining him as a l.d. clerk in the M.M.S. in his existing scale of pay of Rs 35-1-40-1½-55 till

MUSEUM:

The local Museum is said to be one of the best of its kind south of Madras. There are a number of archaeological and scientific exhibits. The Archaeological section is said to be fairly unique for a museum of its size. A number of distinguished visitors have come to visit it. It is in charge of a Curator, Mr. T.S. Sundaram Ayyar, B.Sc.(Agri.) who is drawing Rs. 85/- in the scale Rs. 70-5-120. He is assisted by a Technical Assistant, Mr. K. Viswanathan, who is drawing Rs. 57/- in the scale Rs. 50-65 and a Taxidermist on Rs. 45/-. Both of them are said to have been trained in the Madras Museum.

There is a Scout organisation under a Scout Organisation Officer who is also Rural Improvement Officer, Mr. G. Venkatesa Ayyar, on a pay of Rs. 100/-.

The Superintendent, Govt. Museum was asked to inspect the Pudukottah Museum & to submit proposals to Govt. for the future administration of the Museum. After an inspection the Superintendent has now submitted his report on the subject. The Collections ~~[illegible]~~ in the Museum are stated to be rich and varied. The Superintendent's suggestions are:—

p-1 y

pages 39-16 y

(i) that in view of the wishes of the Officials & non-officials of the place the Museum should be retained and improved by the Provincial Govt.

para, cf

Govt..

para 1 in p 11 y

(ii) The Collections should be not be dispersed & the Govt. should take over the Museum, as it is retaining its general nature and all its sections.

p 13 y

(iii) It will be economic and to the advantage of the Pudukottah Museum to attach it in a suitable manner to the Madras Museum for some years to come, so that ~~the~~ ~~[illegible]~~ it may be improved with the specialist personnel available ~~with~~ staffs in the Madras Museum. The Pudukottah Museum may therefore be organized as a Regional Museum under the control of the Supt., Govt. Museum, Madras.

p 13 y

(iv) Increased staff should be sanctioned for the Museum on ~~an~~ improved scales of pay.

ibid-

(v) Expenditure should be increased by 50 per cent & Special grants from Govt will be necessary.

para 4 on p 15 y

(vi) Some among the ~~the~~ present staff (the Curator & the Technical Assistant) may be considered for absorption in the Archaeological Dept.

(vii)

(vii) A better building may be allotted for the Museum –

2. The Supdt.'s suggestions that the Pudukottah Museum may be maintained as a separate institution & that the collections in it need not be dispersed may be accepted. It is understood that there will be a new District, ~~[illegible]~~ apparently with Pudukottah as its headquarters. In any event, when the scheme of merger becomes an accomplished fact, that is, when it is given effect to, it is presumed all State institutions, of which the Museum is apparently one, will automatically become State institutions under the Govt of Madras – ~~In this view, it does not appear that any orders need specially be issued to "take over" the Museum~~ –

[illegible] 29.4 [illegible]

A

[illegible] 29.4.48 [illegible]

3. As suggested improvements may be necessary to the Museum. It seems however to be unnecessary for Govt. to pursue the Supdt's other suggestions until orders are issued constituting the new district and until the Collector of the new District ~~[illegible]~~ makes an inspection & submit proposals for improvements. The Collr. may be addressed, in due course, in the matter, a copy of the Supdt's report being sent to him.

Suggestions III to VI need not be pursued. Regarding suggestion VII action may be taken when the collector moves in the matter.

The Supdt., Govt Museum in his letter cited above has furnished the information regarding the staff of the Pudukottah State Museum. He states that except in the case of the Technical Asst, all the other members of the staff can be fitted in the corresponding cadre of Govt service provided their pay is refixed in the time scale to which each cadre is entitled. And in the case of the Technical Asst, there is no corresponding cadre of service to which he can be fitted in so far as the ~~[illegible]~~ Museum office is concerned. The service rules regarding the qualification of the curator have to be relaxed in order to absorb the present incumbent in service as he does not possess the degree in a subject prescribed for curators in the service Manual.

p 21 c.f.

2. As regards the Technical Asst and the curator of the Pudukottah Museum, it is submitted that this Govt have addressed the G.O.I ~~whether the above two incumbents~~ for consideration of the above two incumbents in the Arch. dept of the G.O.I. ~~[illegible]~~

It will be seen from the statement on pp.23 and 25 c.f. that all the members borne ~~by~~ on the staff of the Museum ~~of the~~ at Pudukottah have exceeded the prescribed age limit for admission to the Madras Govt. Service. Although they are all State employees, it would appear that formal exemption from age limit should be granted. Public may be consulted on this ~~ground~~ point. The Curator possesses the B.Sc. degree in Agriculture and L.T. The qualification prescribed for a Curator in the Madras Museum is a degree in ~~xx~~ the subject concerned ~~- Botany only and not the~~ degree in Agriculture does not find a place in the list. Perhaps he may be exempted from the qualification rule also, in view of his experience in the Museum. He is a permanent member of the Pudukottah Raja's College School. The Govt. of India have been addressed in regard to his absorption in the Archaeological Department. Pending their reply, he may be exempted from the rules (age and qualification) and allowed to draw the pay admissible to curators in the Museum, namely Rs.120-5-170-7-240. The S.G.M. has recommended the grant of a special pay of Rs.30 in addition to the scale of pay admissible on the ground that the curator has administrative duties. In view of the increase in the scale of pay (from Rs.70-5-120 to 120-240) the grant of a special pay seems unnecessary.

No relaxation from the qualification rules is necessary in the case of Taxidermist, clerk and peons. Their scales of pay have to be revised ~~as~~ so as to be fitted in with the scales fixed for corresponding posts in the Madras Museum. F

It may be ascertained whether there has been any general revision of pay for N.G.O.s in the Pudukottai services during the last few years. If there has not been, I think the benefits of rule 9 of G.O. 78 of Feb 47 might be allowed in fixing the pay of State servants in the Madras scales, provided that no relaxation of educational qualifications has been made. Where there is such relaxation their pay may be fixed under F.R.s.

It has to be determined whether the Taxidermist should be I or II Grade. Probably II Grade would do. (Rs 45-1-55.) The Assistant might perhaps be let on to the scale of Rs 60-1-70.

The Curator may go on to Rs 120/- without special pay as suggested by E.PH.

P.P. 10-11 ante

3 It is observed from the proposals for the absorption of the Pudukottai Museum Staff, that there are persons possessing inferior qualifications occupying posts which in Madras require Superior qualifications. Such persons should be offered alternative posts or, if they refuse, should be retired on some system of compensation or pension, according to the agreement reached at the Secretaries' Conference referred to above. Besides, in the proposals for the absorption of the Museum staff, exemption from age-limit has to be granted in respect of all the employees as they have exceeded the prescribed age-limit for admission to the service under the Govt. of Madras. In addition to the exemption from age-limit in respect of all the members of the staff, exemption from the possession of the prescribed qualification has to be granted to the curator of the Museum. According to the proposals, the scales of pay of taxidermist, clerk and peons have to be revised and fitted in with the scales fixed for corresponding posts in the Madras Museum. The question also arises whether service in Pudukottai state will be counted for the purpose of ~~the~~ fixation of pay in the Madras Govt. scales. In the circumstances, it seems desirable to have a uniform principle on the question of absorption of state servants. It is submitted that ~~the~~ decision on the question of absorption of the staff of Pudukottai in the Madras Govt. Service may be ~~awia~~ awaited. — Vide the Public Dept. note on p.46 cf.

4 In the meanwhile, the question of taking over the Protected Monuments in the Pudukottai state by the Govt. of India in the Archaeological Dept. and the absorption of the Curator and the Technical Asst. of the Museum in that Dept. may be pursued. 5 With reference to the suggestion of Fin at 'X' in their note on page 11 ~~n.f.~~ ante, the S.G.M. was asked to ascertain and report whether there has been any ~~general~~ general revision of pay for the N.G.O's in the Pudukottai Services during the last few years. He was also asked to suggest in what grade the taxidermist of the Pudukottai state Museum might be placed. In reply, the S.G.M. has suggested that the taxidermist of the Pudukottai state Museum may be placed in II grade of category 2 of class II of the Madras General Subordinate Service, Scale of pay Rs 45-1-55. With reference to the revision of pay of the N.G.O's, the S.G.M. has forwarded a copy of the letter from the Special Dy. Collector, Pudukottai, along with the proceedings of the Pudukottai Darbar regarding the revision of the pay of the N.G.O's in the Pudukottai services. The Spl. Dy. Collector states that the Darbar's Proceedings ordering the revision of the scales of pay of the state officials with effect from 1-10-46, restored only the old scales of pay that were reduced with effect from 1-8-39 instead of enhancing the scales of pay obtaining before 1-10-46. He further states, that the scale of pay of the Curator viz. Rs.70-5-120 is the same as it was before 1-8-39, as it was not reduced at the time of the general reduction of scales of pay and that his pay now is Rs.80/- in the above scale. The file may be sent to Finance with reference to their note at 'X' on page 11 ~~N.F.~~ ante. and to Public (Poll) Dept. with reference to their note on page 46 c.f. for remarks.

may suggest that the question of transferring the exhibits to the Government Museum at Madras may be considered. In that case there will be no need for ~~a separate curator~~ a separate estt. at Pudukottai.

Please see the letters read above, on pages 63 & 65 cf. The staff of the Pudukkottai Govt. Museum to be absorbed in the Madras Govt. service are as follows:- PP. 21-25 c.7.

A

(1) Curator in the scale of Rs.70-5-120
(2) Technical Assistant in the scale of Rs.35-1-50
(3) Taxidermist in the scale of Rs. 30 - 1 - 40
(4) Clerk in the scale of Rs. 35-1-40-1½-55.
(5) 2 Peons in the scale of Rs. 16-1/5 - 20
(6) 5 peons in the scale of Rs.15-1/5-20

These have been dealt with seriatim below ~~as follows:-~~

Curator:

As the Curator does not possess the qualification prescribed for the corresponding post in the Madras Govt.service, the Collector of Tiruchirappalli suggests that the Govt.of India may be addressed to absorb him in the Deptt. of Archaeology, and if they plead inability to take him in their services, he may be absorbed as Curator in the State Museum, relaxing the service ~~xx~~ rules. It is submitted that the Govt.of India have already been addressed to absorb him in the Archaeological Deptt. of the Govt. of India.— Vide letter to the Govt.of India on page 18 cf. A reply from the Govt.of India in the matter has not yet been received. The matter is separately under consideration in the Pub(Poll) Dept. That Deptt. may be requested to state the stage in which the matter stands at present. Submitted that pending a reply from the Govt. of India, the Curator may be absorbed in the Madras service, relaxing the rules regarding age and qualification and put on the scale of Rs.120-5-170-7-240 admissible to Curators in the Govt. Museum, Madras. The post of Curator is borne on the cadre of category I of class II of the Madras General Subordinate service. The age prescribed for the post is 30 years. As Sri T.S.Sundaram Ayyar, the Curator, has exceeded this age limit, he has to be exempted from the age rule. As he does not possess a degree in one of the subjects prescribed for the post

Technical Assistant.

As there is no corresponding post of Technical Assistant in the Madras Govt. service, the Collector of Tiruchirappalli recommends Sri K.Viswanatha Ayyar ~~also,~~ the Technical Asst.of the Pudukkottai Museum, for absorption in the Archaeological Deptt.of the Govt.of India and if it is not possible, he may be absorbed as a L.D.clerk in the Madras Ministerial Service and allotted to one of the adjoining districts, as his scale of pay and qualification befit him to that post. It is submitted that the Govt.of India have already been addressed to absorb him in their service, in virtue of his possessing the technical and special training in Archaeological methods. Vide letter to the Govt.of India on page 18 cf. It is submitted that a reply from the Govt.of India to the reference has not yet been received. Pending the receipt of a reply in the matter, the Technical Assistant may be retained in the post, without revising his scale of pay. Public(Ser) may offer their remarks on the point. The Collector has reported that the Technical Asst.was relieved on 2-7-48 to take up his temporary appointment as Asst.Draftsman under the Asst.Archaeological chemist in Tanjore.

Taxidermist.

The post is borne on the cadre of category 2 of class II of the Madras General Subordinate Service. The age prescribed for the post is 25 years. He may be placed on the scale of Rs.45-1-55 applicable to the post of Taxidermist II Grade in the Govt. Museum, Madras. The present incumbent Sri V. Subbiah Naidu attained the age of superannuation on 17-4-49. At the instance of S.G.M., he has been ~~granted~~ re-employed for a period of one year from the date of superannuation in view of the paucity of candidates possessing technical qualifications. 2/ As regards the unqualified clerk, his case is governed by para 2 (ii) of G.O. 855 Public (Poll) dated 26-3-49. He should be offered an alternative post to which his qualification entitles him ~~in Madras~~ under the Govt and if he refuses he may be retired or discharged on payment of compensation for loss of career. However, as he is 43 years of age, E & P.H. have recommended that he may be retained in the existing scale of Rs. 35-55 and have observed that he will not be eligible for the concession admissible under para 5 of the G.O. at (C). The recommendation of E & P.H. amounts to giving the clerk the concession allowed in para 2 (iii) of the G.O. According to this clause, wherever considered necessary, unqualified persons (those who have no qualifications) may be retained in service on their previous pay scales. Public (Services) Department.

'B' on p.32 ante: Consequent on the merger of the Pudukkottai State with the Madras Province persons holding posts in the state service should be regarded as persons serving in connection with the affairs of the Province within the meaning of section 241(2)(b) of the Government of India Act, 1935 and the said posts should be deemed to belong to the relevant provincial and subordinate services of the Madras Govt. in which similar posts have been included. So, for the retention of the existing state personnel who do not possess the prescribed qualifications, relevant rules should be relaxed ~~exempted from the possession of such qualifications~~ and the concurrence of the M.P.S.C. under the latter part of regulation 18(b) should also be obtained, wherever necessary, and the state staff so absorbed should be regarded as members of the Madras Govt. services. The ex-state employees who do not possess the educational qualifications prescribed for appointment to the posts they now hold, and whom it is proposed to retain in those posts by relaxing the rele-

vant service rules in their favour and with the concurrence of the Commission, wherever necessary, may be governed by the state rules in respect of matters other than recruitment. But in respect of recruitment the relevant service rules will apply and they should be regarded as members of such services. It is in this view that this dept. have previously advised that the relevant service rules might be relaxed and the concurrence of the Commission might be obtained for absorbing the unqualified clerk in question in Govt. service. Paragraph 4 of the draft order below may be revised suitably.

Z this dept's note at pp. 25 and 29 ante.

2. Paragraph 2(iii) of G.O.Ms.No.855, Public (Political), dated 26-3-49 may be suitably amended so as to bring out the above intention clearly and a special ad hoc rule may also be issued for the purpose. If approved, Public (Political) may take relevant extracts for necessary action in this regard.

The proposal in this file relates to the absorption of the staff of the ~~se~~ Pudukkottai State Museum in the Madras Govt. Services consequent on the merger of the State in this province. The staff of the Museum to be absorbed in the Govt. Services are ~~are~~ as follows:

PP. 23-25 c.f.

7105
14 APL 1950

(1) One curator on Rs. 70-5-120.
(2) One Technical Asst. on Rs. 35-1-50.
(3) One Taxidermist on Rs. 30-1-40.
(4) One clerk on Rs. 35-1-40-1½-55.
(5) Two peons each on Rs. 16-⅕-20.
(6) Five peons each on Rs. 15-⅕-20.

2. All ~~Out of the~~ members of the staff detailed above, excepting the Technical Asst., whose case has to be examined again, and the clerk, who is an unqualified person, possess the requisite qualifications and hence relaxation from the age limits alone is necessary in their cases. C/1 So, they satisfy the conditions laid down in para 2(i) of G.O. No. 855. Pub (Poll), dated, 26-3-'49, and are eligible to have their pay fixed in accordance with para 5 of the above G.O. Public and Finance agree to the proposal. C/21-3. ~~Orders in circulation have been taken vide the proposal~~

3. As for the unqualified clerk, it is proposed to retain him in his existing scale of pay of Rs. 35-55, by relaxing the relevant rules in his favour. The concurrence of the M.P.S.C. under the latter part of regulation 18(b) of the M.P.S.C. Regulations, 1937, ~~and~~ has been obtained on this proposal. But the clerk will not be eligible for the concession admissible under para 5 of G.O. No. 855. Pub (Poll), dated, 26-3-'49. But Public and Finance agree to ~~give the~~ retain the clerk on his existing scale of pay relaxing ~~the benefit of the concession~~ the relevant rules ~~in para 2(iii) of the above G.O. According to which, he will be governed and retired under the State rules and will not be regarded as a member of any of the Govt. Madras Govt. Services~~.
