Grants for equipment of colleges are sanctioned under the provisions of Chapter IX of the Grant-in-Aid Code. Applications accepted are included in an "Approved List". The grants are disbursed after the articles of equipment have been purchased and the necessary vouchers produced. The actual distribution of the amount provided each year for all schemes is authorised by the Director of Public Instruction with reference to the urgency of applications in the "Approved List".

2. The following statement compares the amounts provided in the last three years and the provision proposed for the next year:--

	1947-48.	1948-49.	1949-50	1950-51.

Until 1947-48, equipment grants were given up to one-half of the cost of the schemes. *from given to these institutions -* With a view to making these grants ~~exigible~~ available to as large a number of colleges as possible, the maximum amount of grant payable to each institution was fixed at Rs. 10,000/- ~~as~~ from 1948-49. *In order that all colleges are now* ~~be~~ eligible for ~~equipment~~ grants, the ban on the sanction of equipment grants to newly opened Arts Colleges for men and for newly opened courses in the ~~existing~~ colleges ~~which was imposed in 1945, was~~ removed in December 1948. The Director of Public Instruction has recommended that a provision of Rs. ~~2,26,200/-~~ *2,22,900* *3,800* *2,26,200* may be made *in the next year* for equipment grants to the Aided Colleges mentioned in the annexed list, ~~in 1950-51~~. Finance *have ed* ~~accept~~ this Department's proposal in respect of ~~provision~~ the provision for 1950-51, and observe *that the provision for 1951-52 may be considered later.* This Department recommends that a provision of Rs. 1,13,800/- may be made under Part II of the Budget for 1950-51 towards equipment grant to Non-Government Arts and Professional Colleges, as shown in the summary at the top. ~~If approved, the Director will select the schemes according to the urgency from the annexed list.~~

3. Until 1947-48, equipment grants up to one-half of the cost of the schemes were given to these institutions. With a view to making these grants available to as large a number of colleges as possible, the maximum amount of grant payable to each institution was fixed at Rs. 10,000 from 1948-49. All colleges are now eligible for grants, the ban on the sanction of equipment grants to newly opened Arts Colleges for Men and for newly opened courses in the Arts colleges having been removed in December 1948. The Director of Public Instruction has recommended that a provision of Rs. 2,26,200 may be made in the next year for equipment grants to the aided colleges mentioned in the annexed list. This Department however suggested that in view of the present financial stringency, the provision for equipment grant to be made available for the Arts and Professional Colleges in 1950-51 may be restricted to Rs. 1,13,800 (Rs. 1,10,000 for Arts Colleges and Rs. 3,800 for Professional Colleges) and the balance out of the provision recommended by the Director may be included under Part I of the Budget for 1951-52. Finance have accepted this Department's proposal in respect of the provision for 1950-51. This Department recommends that a provision of Rs. 1,13,800 may be made under Part II of the Budget for 1950-51 towards equipment grant to Non-Government Arts and Professional Colleges, as shown in the summary at the top.

Explanatory note.

Grants for equipment of colleges are sanctioned under the provisions of the Grant-in-Aid Code. Schemes eligible for grants exceeding Rs. 2,500 are sanctioned by the Government for inclusion in the approved list; schemes eligible for a grant of Rs. 2,500 and less are sanctioned by the Director of Public Instruction. Applications accepted are included in an "Approved List". The grants are disbursed after the articles of equipment have been purchased and the necessary vouchers produced. The actual distribution of the amount provided each year for all schemes is authorised by the Director of Public Instruction with reference to the urgency of applications in the "Approved List".

2. The following statement compares the amounts provided in the last three years and the provision proposed for the next year—

	1947-48. RS.	1948-49. RS.	1949-50. RS.	1950-51. RS.

3. Until 1947-48, equipment grants up to one-half of the cost of the schemes were given to these institutions. With a view to making these grants available to as large a number of colleges as possible, the maximum amount of grant payable to each institution was fixed at Rs. 10,000 from 1948-49. All colleges are now eligible for grants, the ban on the sanction of equipment grants to newly opened Arts Colleges for Men and for newly opened courses in the Arts colleges having been removed in December 1948. The Director of Public Instruction has recommended that a provision of Rs. 2,26,200 may be made in the next year for equipment grants to the aided colleges mentioned in the annexed list. This Department however suggested that in view of the present financial stringency, the provision for equipment grant to be made available for the Arts and Professional Colleges in 1950-51 may be restricted to Rs. 1,13,800 (Rs. 1,10,000 for Arts Colleges and Rs. 3,800 for Professional Colleges) and the balance out of the provision recommended by the Director may be included under Part I of the Budget for 1951-52. Finance have accepted this Department's proposal in respect of the provision for 1950-51. This Department recommends that a provision of Rs. 1,13,800 may be made under Part II of the Budget for 1950-51 towards equipment grant to Non-Government Arts and Professional Colleges, as shown in the summary at the top.

All the items in the list except items 40 and 41 (i.e.the item relating to the S.R.R.& C.V.R.College,Vizianwada,for the purchase of books,science articles and furniture, and the item relating to the Loyola College,Madras,for the purchase of science articles,books and furniture) have ~~all~~ ~~been~~ been included in the approved list either by the Govt.or by the D.P.I. The files relating to the S.R.R.College and C.V.R.College,Vizianwada, ~~has~~ ^{have} been submitted separately. ~~and that relating to the Loyola College, has been~~

Pending the issue of orders including these cases in the approved list, provision for all the items included by the D.P.I. in

in his list on p.p.9 and 11 c.f. may be made in the B.E. for 1950-51 and the scheme may be treated as a Part II Scheme for 1950-51. There ~~is a provision for~~ ^{Provision for} equipment ~~to~~ to the Colleges is an urgent ~~scheme~~ of necessity and hence the expenditure on that account cannot be avoided. A statement showing the provision made under Part II in respect of equipment grant to Arts Colleges during the past three years is given below:--

The total provision required by the D.P.I. during 1950-51 under Part II is Rs. 2,17,600/-. Having regard to present financial stringency and the average for the past three years for provision under equipment grant, this Department may suggest that a provision of half the estimated expenditure, viz. Rs. 1,08,800/-, may be made under Part II of the Estimates for 1950-51 and the balance of Rs. 1,08,800/- may be provided under Part I of the estimates for 1951-52 in due course.

37-e-Education - University - Grants to Non-Government Professional Colleges - Other grants - Equipment - The D.P.I. has suggested a provision of Rs. 3,800/- towards equipment grant for the Professional Colleges. - Vide details on p.15 c.f. His recommendation may be accepted and a provision of Rs. 3,800/- made for the purpose in the B.E. for 1950-51, ~~under Part II~~ treating this as a Part II Scheme for 1950-51.

PART II SCHEME for 1950-51.

Equipment grants to Non-Government Arts and Professional Colleges.

	Non-recurring.	
	Ultimate Cost. Rs.	Cost in 1950-51. Rs.
1. Equipment grant to Non-Government Arts Colleges.	1,10,000 1,08,800	1,10,000 1,08,800
2. Equipment grant to Non-Government Professional Colleges.	3,800	3,800

Please see the notes on pages 1-2 above.

Item (1) above - The D.P.I. has recommended that a provision of Rs 2,17,600 may be made for the purpose in Part II of the next year's budget - vide details at pages 9 and 11 C.F. - items 25-52. E.& P.H. have examined the proposals on pages 1-2 above. They have suggested that in view of the present financial stringency, the provision may be reduced by 50% and that a sum of Rs 1.10 lakhs roundly may be provided in Part II of the Budget for 1950-51, the balance being provided under Part I of the estimates for 1951-52 in due course. The proposal of E.& P.H. to make a provision of Rs 1.10 lakhs in Part II of the next year's budget under this item may be agreed to. The question of sanctioning any further grant may be considered if necessary in connection with the budget for 1951-52.

Item (2) above - The details for the amount proposed are at pages 15 C.F. and no special remarks are called for.

2. The provision proposed for 1950-51 compares as shown below, with that made in the previous years' budgets:--

	1946-7. Rs.	1947-8. Rs.	1948-9. Rs.	1949-50. Rs.	1950-51 Rs.
I. Arts Colleges.	80,200	54,700	1,54,700	72,400	1,10,000
II. Professional Colleges.	2,300	2,600	1,600	2,600	3,800
	82,500	57,300	1,56,300	75,000	1,13,800

The grants proposed in this case are not for new objects but only for the normal running of the institutions. As these grants are sanctioned every year after treating the proposals as Part II Schemes, the criteria laid down for Part II Schemes for 1950-51 need not be applied in this case.

Finance may agree to the proposals going forward as a Part II Scheme for 1950-51.
