Sir,

Subject : Completion of probation.

Ref.G.O.M.S.2000 dated 2-6-1949, communicated in Proceedings
R.C.no.667 CL/49 dated 9-8-1949.

I submit that the orders regarding my probation, communicated in the G.O. quoted above came to me as a shock as I had been all along expecting orders on the satisfactory completion of probation in December, 1948, since I had been discharging my duties to the best of my abilities and to the satisfaction of the authorities. If the remarks on my work "not quite up to the mark" during the half year ending 30-6-48 communicated in R.C. 56/48 dated 4-4-49 had been the basis for such orders, I submit that the matter has not been considered properly considered for the following reasons.

1. During the half-year ending 30-6-1948 there had been two confidential reports for the half-year ending 31-3-48 and 30-9-48 and no adverse remarks from those reports submitted, the Divisional Inspectors of Madura and Rajahmundry were communicated to me.

2. I had not been asked in either of these divisions, I worked during the half year - for that matter not even till this date- to explain for anything that might have been a proper basis for the remark as "not quite up to the mark."

3. The remarks are so vague and indefinite that I could not think of any particular instance which should have been the cause and they make me feel aggrieved that they should have come upon me as an obstacle in the way of satisfactory completion of my probation.

Besides, the remarks were communicated to me nine months after the half year to which they related and after the report for the next half year ending 31-12-48. I submit it is very hard on me at the fag end of my service that this particular half year should have been taken into consideration with no consideration for the half year that preceded it or followed it.

In the circumstances submitted by me above, I request you to be so good as to reconsider the orders on my probation in the G.O. referred to above and to declare that I have satisfactorily completed

P.T.O.

my probation in December, 1948 itself.

Sir,

The Accountant General whom I addressed as regards the granting of an increment from 25 - 1 - 1949 as per G.O. No. 839 Fin. dated 11 - 8 - 1949, states that the question will arise only on receipt of orders from Government declaring that I have satisfactorily completed my probation. I submit that in G.O.No. 2000 Edn. dated 2 - 6 - 49, my probation was extended and the orders regarding the stoppage of increment were passed according to the then existing orders. The G.O. referred to above has not been then passed according to which increment can be drawn without completion of probation. It was passed on 23 - 8 - 1949 and takes effect from 1 - 1 - 47. I do not think it is the intention of the Government not to allow me the benefit of this Government Order. Moreover, the remarks regarding my work for the half year ending with 30 - 6 - 1948 were made only after 25 - 1 - 1949, the date of my increment and the G.O. regarding my probation was also passed in June 49. According to the G.O. I am eligible to draw my increment from January 49 for no orders on my probation had been passed then.

Moreover, I have already submitted my appeal that the orders regarding my completion of probation and stoppage of increment have not been passed after proper consideration and giving me an opportunity to know what the defects were and

12 and to offer my explanation, and have requested for the reconsideration of the orders.

I request that favourable orders on this appeal may kindly be passed completing my probation from December 1948 itself enabling me thereby to draw my increment from January 1949. Even if the Government cannot pass favourably orders to me in this respect, I submit that I may be allowed the benefit of the G.O. dated 23-8-49 and ordered to draw my increment.

2. The effect of the orders communicated in G.O. No.2000, Edn., dated 2.6.49 regarding increment in this case has to be examined now in the light of the later G.O. viz. G.O.No.839, Fin., dated 11.8.49 in which an amendment to the F.R. 31.A. has been issued.
