Roc.No.683 W1/49 dated 14-11-1949.

Sub: Education - Financial assistance to Non-Muslim
refugee students from Pakistan - application for
loan from Sri Man Mohan Lal Kapoor, final year
student, Madras Medical College.

I have the honour to submit herewith the application
for a loan dated 13-6-1949 together with other enclosures
connected therewith, received from the Principal, Madras
Medical College, Madras on behalf of Sri Man Mohan Lal Kapoor
and to request orders whether the loan may be granted to the
student under the circumstances explained below.

2 The application was received in this office on 25-6-1949.
The candidate asks for a loan from December 1947 to the end of
December 49. As the application is dated 13-6-1949, he is
eligible for the loan only for the year 1949 and not for the
previous years. As the student was not granted any loan last
year, the Principal, Medical College was requested to state
whether the student obtained any loan from the Government of
any province previously and if he was not receipt of any loan,
how he was managing without any financial assistance all these
months. It is observed from his letters dated 23-8-1949 and
4-10-1949 enclosed herewith, that so far no loan was granted
to him, though he applied for a loan and his application was
sent to other Provinces. It appears that he was directed to
apply for the loan finally to the local Government and he had
consequently done so. The student states that he was managing
his pocket expenses somehow or other and that the dues to the
hostel and the college fees have not so far been paid. The
Principal reports that the student is missing in the Refugee
Hostel and owes Rs.1228-10-6 towards mess and Rs.490 towards
tuition fees. He had borrowed from Lieut. Col. Gill (the
Secretary of the Refugee Relief Committee) the amount required
for Examination fees.

3 The father of the student is reported to be a Government
Pensioner getting about Rs.100/- p.m. - vide the certificate
of income enclosed. It is not in the form prescribed in para 3
of G.O.No.272 Edn., dated 9-2-1948 though it bears the signature
of some Magistrate and the office seal which are not clear.

4 The candidate is in the Final year class and will be leaving
in December 1949. The Principal recommends that if it is held
that the candidate is not eligible for loan for the past period,
he may be allowed the loan for the current year from 1-4-49
to 31-12-49. The loan for the latter period amounts to Rs.930/-.

5 I request the favour of very early orders.

Yours faithfully,

Santhamma

In his letter on p1 Cf, the D.P.I. has reported the case of a medical refugee student of Madras Medical College, now in his final year, who has applied for the grant of a loan from Dec. 1947 to Dec. 1949, under the Govt of India's loan scheme. It is stated that the student in question has not been granted any loan so far. It is also observed that this student has sent his application for loans to other provinces, who have finally directed him to address this Govt.

The student in question has also stated that he was able to manage his pocket expenses so long, with the meagre money, his father, a retired postmaster, was able to spare out of his pension reported to be about Rs 100/- p.m. The Principal, has reported that this student owes Rs 1228/10/6 towards messing charges and Rs 490/- towards tuition fees.

As per his application, the student is eligible for loan only for 1949 and not for the previous years also, as he has requested. As such the Principal of the Madras Med. College recommends that Sri Man Mohan Lal Kapoor, the refugee student in question, may be sanctioned the loan for the current year from 1-4-49 to 31-12-49, which amounts to Rs 930/-, as he may be leaving in Dec. 1949 itself.

Presumably the D.P.I. supports the recommendation of the Principal, Madras Med.

Madras Medical College, that a loan of Rs 930/- may be granted to this final year medical refugee student, being the sum for the period 1-4-49 to 31-12-49.

It is for orders whether the above proposal may be approved by the Govt and the sum of Rs 930/- sanctioned. ~~the Govt of India may be addressed~~ The student has been able to manage somehow or other upto the end of the term year 1948-49, and the application was made in June of this year. It will suffice in the circumstances if the advance necessary for the current year is sanctioned to the student. This will have to be sanctioned on the student's own security. It does not seem to be necessary to address the Govt of India for this. Pub (Elections) may see, for remarks, if any -
