C.No. 164/D8/50 dated 8th April, 1950.

Sir,  
Grant--Building--Aided Colleges--List of approved works -  
Quarter ending 31st March 1950.

With reference to Government Memo.No.6177/46-B-6 Edn., dated 1.10.47,  
I submit herewith the list of building schemes for aided colleges for the  
quarter ending 31st March 1950 for the consideration of Government.

2. In this connection, I may add that the only application received so far ~~from~~ for the quarter in question is from the management of the Women's Christian College, Madras. As the management are anxious to start the work immediately and to complete it by the beginning of the next academic year, I recommend that the inclusion of the scheme in the list of approved works may be sanctioned urgently and that permission to start the work pending the approval of plans and estimates by the Joint Consulting Architect may also be granted, so as to enable the management to complete the building by the beginning of the next academic year.

3. The necessity for the scheme is explained in detail in the statement enclosed.

Yours faithfully,

5. Remarks: ..  
(Necessity for the scheme:- The present strength of the college is 250 though the strength sanctioned by the University is 364. At present there are four hostels accommodating in all about 160 students. Having regard to the rush for admission to the college, the management have decided to admit 100 students more from the ensuing academic year, thereby increasing the strength to 350. This entails correspondingly increased provision for hostel accommodation so as to keep up the residential character of the college. Hence the scheme put forward by the management for constructing a hostel building so as to accommodate about 48 (46 students and 2 members of the staff) is necessary and urgent. As the management desires to put the work on hand immediately with a view to getting the building ready by July 1950 Government may kindly pass urgent orders sanctioning the inclusion of the scheme in the approved list.
