Sir, Pdl.No. 1/49-A3, dated 14.12.1949.

Sub:- Budget Estimate - Elementary Education Account - The Nilgiris District Board - Revised estimate for 1949-50 and Budget Estimate for 1950-51.

-----

pp5-7 - infra

I forward herewith the revised budget estimate for 1949-50 and the Budget Estimate for 1950-51 of the Elementary Education Fund Account of the Nilgiris District Board in duplicate with necessary enclosures. Copies of resolutions of the Budget Sub Committee, Standing Committee for Education and the District Board are also enclosed.

2. The revised budget estimate for 1949-50 closes with a deficit of Rs. 8,131. In this connection I invite a kind reference to Government Memo No. 79298-B2/49-1, Edn., dated 18.10.49 and request that the Government may be pleased to sanction a special subsidy to meet this deficit. Further it is pointed out that the expenditure involved on compulsory scheme till the end of 1949-50 will be Rs. 24,030 as against the advance subsidy of Rs. 11,916 sanctioned in G.O.No.2322 Edn., dated 18.7.49 as detailed below:

| Compulsory Scheme. | Expenditurein 1949-50. | Advance sub sidy sanc- tioned. | Balance due from Govt. |
|---|---|---|---|
| 1. Teaching. ... | 14,220 | 7,120 | 7,100 |
| 2. Dearness allowance. | 6,310 | 4,296 | 2,014 |
| 3. Supply of books and slates. | 500 | 500 | ... |
| 4. Supply of furniture. | 3,000 | ... | 3,000 |
| | 24,030 | 11,916 | 12,114. |

I request that the Government may be pleased to sanction the balance subsidy viz.Rs. 12,114/ due to the District Board before 31.3.50.

2. The Budget Estimate for 1950-51 closes with a deficit of Rs. 1,65,506 after making provision for all the items absolutely necessary as required by the Inspecting Officers. Except for the opening of 2 higher elementary schools and 5 elementary schools and besides a few additional teachers, no provision has been made for any new proposals in the budget estimate for 1950-51 but even then the budget for 1950-51 closes with a big deficit of Rs. 1,65,506. Owing to the discontinuance of the Arrear toll compensation grant from 1949 the Board is unable to make larger contribution from the General Fund Account to the Elementary Education Fund account to balance the budget for 1950-51.

In this connection I have to state that the expenditure on Elementary Education has been increasing considerably year after year and it has become a heavy strain on the slender and inelastic resources of the Board. In pursuance of the policy of the present Government it is an imperative necessity to open new elementary schools in all the school-less areas but the poor finances of the Board stand in the way. This Board is mainly depending on Government grants and the income derived from other sources is very meagre nor are there any other new sources open to the Board which can yield substantial income. In the circumstances

2

I request that the Government may be pleased to increase the subsidies under proviso to Section 37 of the Elementary Education Act by 100 per cent as resolved by the Budget Sub Committee and ~~the~~ approved by the District Board at its meeting held on 12.12.1949. I also invite a kind reference to the Government Memo No.37600-B2/49-1, Edn., dated 30.6.49 and request that the Government may be pleased to pass orders increasing the rate of Education Tax from 18 pies in the rupee of land revenue to 0-4-0 at an early date.

Proceedings of the Budget Sub Committee meeting of the Nilgiris District Board held on Thursday the 24th November 49 at the District Board Office, Ootacamund, at 11.30 A.M.

II. Consideration of Elementary Education Fund Budget for 1950-51 and Revised Estimate for 1949-50.

The Budget is approved and in order to wipe out the deficit balance, the committee suggests that Government should be addressed to increase the rate of Education Cess from 18 pies to 4 annas in the rupee of land revenue and to increase the grant (voted and non-voted subsidy) under proviso to Section 37 of the Elementary Education Act.

The D.P.I. has forwarded with his remarks the R.E. for the year, 1949-50 and the B.E. for 1950-51, of the Ele. Edn.Fund under the control of the Dt. Bd., the Nilgiris.

2. Provision has been made both in the R.E. and in the B.E. for expenditure connected with the scheme of compulsory ele. edn. and credit has been taken for a subsidy, from provincial funds towards the cost of the scheme. The transactions relating to this special scheme are examined in para 7 below.

3. Excluding the transactions relating to the scheme of compulsory elementary education the normal receipts and charges in the Ele.Edn. Fund account, will be as follows:-

| | R.E. for 1949-50. | B.E. for 1950-51 |

4. R.E. for 1949-50: The R.E. ~~for 1949-50~~ calls for no special remarks.

5. B.E. for 1950-51:

In view of the large def

expenditure may be deleted. If this is done, the deficit will get reduced to Rs.81,892. The L.A. Dept. may be requested to say, whether any addl. contribution can be made, from the general fund~~s~~ towards this deficit during 1950-51, over and above the amount of Rs.44,000 already provided for. If any amount is spared from the General fund~~s~~, the increase in the rate of education tax, proposed in para 6 below may be fixed at a lower stage.

1,42,392
60,500
81,892

6. At a meeting of the Cabinet on 7-2-1950 the Govt. ~~have~~ decided that the contribution payable from the Provincial funds in respect of education tax, should be determined upto 9 pies in the rupee of land revenue provided they ~~the~~ local board concerned levied education tax, at ~~the rate~~, not less than 18 pies in the rupee of land revenue. In the present case, the Board is collecting education tax at the rate of 18 pies in the rupee of land revenue and is getting a contribution from Govt. in respect of the tax at the rate of 4½ pies in the rupee of land revenue. In the circumstances it appears that the Board is eligible for an additional contribution up to 9 pies. This addl. contribution will come to Rs.4,659. If this additional contribution is paid, ~~there will still be a deficit~~ the deficit will get reduced to ~~of~~ Rs.77,233 at the end of 1950.51. In view of this deficit, the education tax may be raised from 18 pies to 36 pies in accordance with the recent Cabinet decision. The addl. income from education tax in 1950-51 will be Rs.14,350. There will still be a deficit of Rs.63,000. This deficit is due to the expenditure on d.a. which has been estimated to be Rs.57,640. Even if a full subsidy is paid towards this expenditure, there ~~will still be~~ may be a deficit of Rs.5,360. Perhaps this deficit may disappear in the ~~R.E.~~ actual working.

## 7. Compulsory elementary education

DIRECTOR OF PUBLIC INSTRUCTION 22 M

Referring to the orders passed in the G.O. quoted above I have to state that even after taking credit for Rs.14,350/- by the enhancement of Education tax to 36 pies and Rs.4,659/- for additional contribution by Government and deleting the provision of Rs.30,000/- made by the District Board for provision of capital expenditure the net deficit will be Rs.1,65,506/- minus Rs.49,009/- i.e. Rs.1,16,497/- and not Rs.62,883/- as mentioned in the G.O.

In this connection the following points are brought to the special notice of the Government for earnest consideration:

1. The total land revenue from this district is low i.e. about Rs 2.29 lakhs only, on account of the low rate per acre. This again means that the total Education tax and Government contribution are low although the rate of education tax will be 36 pies in the rupee of land revenue i.e., as much as in any other district.

2. The District Board is having only 19 school buildings of its own, the rest being rented ones and the annual rent paid runs to Rs.10,950/-. To avoid this annual payment on rent which this District Board could ill afford and to avail of the half grant offered by Government, this District Board is anxious to provide at least 4 or 5 buildings every year. That is the reason for the Board making a provision of Rs.30,000/- under capital expenditure so that it may earn a like sum from Government. If the Board is not permitted to do this to afford temporary relief to our financial stringency the loss in the long run will be great.

Two things emerge from the foregoing: (i) The Elementary Education fund is unrelated to the actual needs of a District. A district which has more land revenue gets more contribution from Government although the rate of Education tax is uniform throughout the Province. Taking for example Tanjore which pays a land revenue of Rs.91 lakhs with corresponding accretions from Education tax and contribution to Government, the Elementary Education fund will be 50 times as much as that of the Nilgiris but the Education needs of Tanjore are not 50 times greater.

(ii) Such a policy of Government tends to make rich District Boards richer and the poor ones poorer.

Then there is the fact that this District is educationaly backward. For want of funds we have no District Board Educational Officer and no supervisors and the position is steadily deteriorating. The state of affairs is reflected in the secondary stage also and is bound to affect seriously higher education of the children of this district. It will be another matter if Government are to restrict the expenditure on a district to its income from all sources, although even according to such a criterion this Board will stand to gain considering its contribution in other directions to the Provincial and Central Government. But it will hit this District Board hard if it is asked to shift for itself in the matter of Elementary Education - a very vital service - just because of its poor soil and poor land revenue.

P.T.O.

44

In the circumstances I request that Government may be pleased to pass orders.

(i) permitting the District Board to utilise the provision made in the budget for 1950-51 for school buildings.

(ii) meeting the entire deficit in its budget.

(iii) making an ex-gratia grant for the above objects and to enable the District Board to have supervising staff ( District Board Educational Officer) considering the special position of the District.

President,
KCN District Board, Nilgiris.
