EDUCATION DEPARTMENT

FROM:

The Director of Public Instruction,
Madras.

To

The Secretary to Government,
Education and Public Health Dept.,
Madras.

C.487 D2/49 dated 26-9-49

Sir,

Sub:--Scholarships under Rule 32 Grant-in-aid Code--
Benefit of the Scheme--To be extended to Colleges
also--proposals submitted.

75230

Rule 32(ii) (b) of the Grant-in-aid Code lays down that apart from the maintenance grant payable a Secondary School will also be eligible for a grant equal to $\frac{1}{2}$ the expenditure on Scholarships and fee remissions upto a limit of 10% of the fee income reckoned at standard rate provided that the scheme for such scholarships and fee remissions has received the prior approval of the Director.

The scholarships contemplated under this rule is to benefit pupils who could not be paid any fee remissions either under Rule 92 M.E.R. or any of the other Scholarships Schemes. This Scheme is of benefit to many well deserving and intelligent students in Secondary Schools and almost all the managements of aided institutions have instituted this Scheme in their Schools. The question has now come up as to whether this scheme cannot be extended to Colleges also.

Till now no provision has been made in the rules for the institution of this Scheme in the College classes. But the number of Colleges have now increased, and it is necessary that the question be considered ~~whether~~ some provision. In Colleges also there are many who can get through the course only with the greatest strain on their finances.

Already one or two Colleges have come forward requesting the Director to inform them whether such a scheme can be put into operation in the aided Colleges.

I therefore request you to place the matter before the Government and request them to extend the benefit of the 32 Grant-in-aid Code Scheme to students in aided Colleges, also.

In case Government are inclined to accept this proposal a sum of Rs. 20,000/- may be included in the Part II Budget Estimate for 1950-51 under 37 (c) Education University- Grants to Non-Government Arts College (1) including Post War Reconstruction C(1) A Teaching voted.

Yours faithfully,

Thirumalai

Rule 32(ii)(b) of the Grant-in-Aid Code provides that apart from the maintenance grant payable, a Secondary school will also be eligible for a grant ~~equal~~ equal to one-half of the expenditure on scholarships and fee remissions up to a limit of 10% of the fee income reckoned at standard rates provided that the scheme for such scholarships and fee remissions has received the prior approval of the D.P.I. This ~~scholarship~~ scheme is intended to benefit the indigent pupils of all communities. Such a concession has not so far been given to students in the aided colleges. In view of the large increase in the number of aided colleges, the D.P.I. has recommended the extension of the scheme to Aided arts colleges also and has suggested that provision for grant of Rs. 20,000/- for the purpose may be made under Part II of the Budget for 1950-51.

2. This Department suggested to the D.P.I. that it might be sufficient to increase the number of scholarships available to the poor and deserving students of all communities to double the existing number ~~(from 20 to 40)~~, and that these scholarships might be confined to communities which do not get fee concessions. ~~the proposal would ensure that really deserving candidates get scholarships, and the are not called upon to pay for scholarships granted indistinctly~~

~~originally~~ by private and aided institutions. The D.P.I. who was asked to submit revised proposals in the light of the above suggestions ~~reiterated~~ his original proposal to extend the grant under Rule 32 of the Grant-in-Aid Code to the aided colleges as well, in view of the large increase in numbers and the increase in the rate of ^{tuition} fees. He also pointed out that this proposal is in addition to ^{his} ~~the~~ proposal to increase the number of collegiate general scholarships. ~~which is also~~ ~~under consideration of the Department for 1950-51.~~ This Deptt. then suggested that in view of the present financial stringency, the proposal ~~may~~ might be deferred. Finance ~~has~~ agreed with the views of this Department. The case was then circulated for orders.

EXPLANATORY NOTE.

Rule 32 (ii) (b) of the Grant-in-aid Code provides that apart from the maintenance grant payable, a secondary school will be eligible for a grant equal to one-half of the expenditure on scholarships and fee remissions up to a limit of 10 per cent of the fee income reckoned at standard rates provided that the scheme for such scholarships and fee remissions has received the prior approval of the Director of Public Instruction. This scheme is intended to benefit the indigent pupils of all communities. Such a concession has not so far been given to students in aided colleges. In view of the increase in the number of aided colleges, the Director of Public Instruction has recommended the extension of the scheme to aided arts colleges also and has suggested that a provision of Rs. 20,000 for the purpose of payment of compensation to managements may be made under Part II of the Budget for 1950-51.

2. This Department suggested to the Director of Public Instruction that it might be sufficient to increase the number of scholarships available to the poor and that deserving students of all communities to double the existing number and that these scholarships might be confined to communities which do not get fee concessions, so as to ensure that really deserving candidates get scholarships. The Director of Public Instruction who was asked to submit revised proposals in the light of the above suggestions reiterates his original proposal to extend the grants under rule 32 of the Grant-in-aid Code to the aided colleges as well, in view of the large increase in numbers and the increase in the rate of tuition fees. He has also pointed out that this proposal is in addition to his proposal to increase the number of collegiate-general-scholarships. This Department suggested that in view of the present financial stringency, the proposal might be deferred. Finance agreed with the views of this Department. The case was then circulated for orders.

3. The Hon'ble Minister for Education and Law, and the Hon'ble Minister for Finance minuted as follows on the proposals:—
"Part II".

K. M. [ADHAV A MENON]—15-11-1949.

"This is absolutely a new innovation. Can wait for better times".

B. G. [OPALA REDDY]—26-11-1949.

Grant - Teaching - Scholarships and fee concessions under Rule 32 of the Grant-in-aid Code - Extension of the scheme to Colleges

C.No. 75230/49.

From the D.P.I.C. 487-D2/49 dated 26-9-1949.

Rule 32(11)(b) of the Grant-in-aid Code provides that apart from the maintenance grant payable, a Secondary School will also be eligible for a grant equal ^{one-half} of the expenditure on scholarships and fee remissions up to a limit of 10% of the fee income reckoned at standard rates provided that the scheme for such scholarships and fee remissions has received the prior approval of the D.P.I. This scholarship scheme is intended to benefit indigent pupils of all communities. Such a

concession has not so far been given to students in aided colleges. In view of the large increase in the number of colleges, the D.P.I. recommends the extension of the above scheme to aided colleges also, as in colleges also there are many who can get through the course only with the greatest strain on their finances. It is reported that one or two managements are prepared to extend the scheme in their colleges also provided the Scheme is approved. The Director ~~therefore~~ reports that the recurring expe. involved in the proposal would be Rs. 20,000/-. He requests that the proposal for a grant for the extension of the scheme of scholarships and fee concessions under Rule 32 of the Grant-in-aid Code may be considered as a Part II for 1950-51 and a provision of Rs. 20,000/- be made in the B.E. for 1950-51 under "37-c. Education - University - Grants to Non-Govt. Arts Colleges (1) Excluding Post-War Reconstruction - C.(1) Teaching - Voted. In the circumstances, it is for orders what

D.P.I.'s proposal may be accepted, and the scheme ~~may~~ considered as a Part II scheme for 1950-51 and a provision of Rs.20,000/- be made in the B.E. for 1950-51. May be sent to Finance u.o. for remarks prior to circulation.

There is no dearth of candidates for collegiate courses and in present acute financial conditions, I am afraid the scheme, as proposed in the D.P.I.'s letter has little chance of going thro', especially as there is nothing to indicate that the scholarships will be awarded to the really poor candidates with considerable merit.

2. It appears that college fees in Govt. colleges were raised by 25 percent last year and a certain percentage of the increase is to be utilised for the grant of scholarships. Private and Aided institutions also have increased fees but apparently they have not utilised any part of the increase in giving scholarships. 94 scholarships are now being distributed ^{by Mr. D.P.I.} to deserving pupils of all communities in all colleges. (The above information was ascertained from the D.P.I. over the phone).

3. Fee concessions are being given to students of backward communities, but there is certainly a good case for extending scholarships and fee remissions to the really poor but very deserving candidates of other communities also. Recently, in the case of the Medical colleges the Govt. have decided that while full fee concessions should be given to and Harijan women students, half fee concessions for Muslim students, ^{and} scholarships should be open to members of all communities. It seems to me that on a similar basis, in addition to the fee concessions allowable to certain communities under the existing rules, it would be sufficient to increase the number of scholarships available to poor and

Whether these scholarships should not be confined to communities which do not get fee concessions under the existing rules. Moreover, the above proposal will ensure that really deserving candidates get scholarships and that Govt. are not called upon to pay for scholarships granted indiscriminately by private and aided institutions, which would be the case if rule 32 were extended to colleges.

4. The D.P.I. may see u.o. and consider whether a revised scheme may be put forward. In putting a revised scheme, he may be requested to give full details on the points raised above.

U.O. Reply No. 487 D2/49 dated 31st October 1949.

It is not correct to say that private agencies would grant fee concessions under this scheme "indiscriminately." The objection on this ground applies equally to High Schools but no complaints of any grave abuse of the scheme have so far been received. The apprehensions entertained in this regard appear, therefore, to be groundless. In view of the large increase in numbers and the increase in the rate of fees the extension of the scheme to Colleges is recommended.

With regard to the increase in the number of Collegiate-General--scholarships as a result of the increased enrolment of pupils in Colleges, proposals have already been submitted to Government with this office letter R.C.No.2944-E3/49 dated 4-10-49. The extension to aided colleges of the scheme of scholarships and fee remissions contemplated in Rule 32 (11) (b) of the Grant-in-Aid Code, is in addition to the proposed increase in the number of general scholarships.

Please see this department note on p.p.1-3 ante and the D.P.I.'s u.o. on p.3 ante. ~~XXXXXXXXXXXX~~ In view of the increase in the number of aided colleges and in the rate of college fees, the Director recommends the extension of the scheme of payment of grant for the award of scholarships and fee concessions to aided colleges also as in the case of aided high schools under Rule 32 of the Grant-in-aid Code. He points out that this scheme is in addition to his ~~XXXXXXXX~~ proposal for increasing the number of general Collegiate scholarships which is now under consideration as a Part II Scheme for 1950-51 separately. In view of the present financial stringency, it does not appear that the present proposal for extension of the grant for the aided colleges under Rule 32 for grant of scholarships and fee remissions should be approved. It may be deferred and the D.P.I. informed accordingly. Finance may see prior to circulation.
