ASST. SECRETARY TO GOVERNMENT

EDUCATION AND PUBLIC HEALTH DEPT.

To

The Secretary to Government,
Education and Public Health Department,
M A D R A S.

Sir,

LAND ACQUISITION: Mangalore taluk--Kankanady village--S.No. 33/2B2C etc--for school building, boarding house and play ground for the Capitanio secondary and training school--draft declaration--submitted.

Ref: G.O.Ms.No.1010 Education dated 6.4.1949.

The draft notification under section 4(i) of the L.A Act for the acquisition of S.Nos.33/2B2C, 33/3B2, 33/3A1 and 33/3C1 measuring in all Acs.2.51 for the Capitanio secondary and training school Kankanady was approved in the G.O cited above, and published at page 232 of Part I-B of the Fort St.George Gazette dated 26.4.1949.

2.In response to the notice issued under sections 4(i) and 5A of the Act, eleven objection petitions have been received. They are dealt with below.

i)OBJECTION PETITION OF SRI C.ATTAVAR: The petitioner is one of the joint registered holders of S.No.33/2B2C and S.No.33/3B2. His objection is only in respect of 33/3B2. His objections are that the portion proposed for acquisition is required for the proper enjoyment of the plot as the p hayrick is usually put up on this portion of the plot and that the remaining portion left behind without acquisition is not sufficient and cannot be utilized for any useful purpose. The Revenue Divisional Officer, Mangalore who held a local inspection of the plot, states that there is a small paddy flat about 2 3/4 cents in extent which is said to have been used as a seed-bed but that it has not been used as such for the last 2 years, and that there are no signs of the rest of the sub division having been used as a hayrick or as a thrashing floor. Under the circumstances, the petitioner's objections do not carry much weight. The objections may therefore be overruled.

ii)OBJECTION PETITION OF MRS A.DURGAMMA: The petitioner is the joint registered holder of S.No.33/2B2C and 33/3B2. The petitioner's objections are that acquisition of the plot will deprive her of the rice yield obtained from this land, and that acquisition of the plot will defeat the growing of more food crops as the plot is an agricultural land. The objections do not deserve consideration. It was found necessary to acquire this plot for want of suitable other lands and it was approved by the Government in G.O.Ms.No.1010 Edn. dated 6.4.49. The petitioner's objections are therefore untenable.

iii)OBJECTION PETITION OF SRI A.V.CHENNAPPA: Although the petitioner has filed the present objection petition in response to the notice served on him it has been found on enquiry that he does not have any interest at present in any of the plots under acquisition. The buildings etc referred to in para 2 of the petition exist outside the plots proposed for acquisition. The objections therefore do not relate to the plots under acquisition.

iv)OBJECTION PETITION OF MRS.PADMAVATHI: Petitioner is the joint registered holder of S.No.33/3A1. Her objections is that the plot is required for cultivation purposes and that she is dependant on the income derived from the yield of the paddy crop raised on the plot. The Revenue Divisional Officer states that the petitioner owns other lands also. Hence acquisition of this plot will not cause any hardship to her. The objections may therefore be overruled.

v)OBJECTION PETITION OF SRIMATHI MANJAPPA: Petitioner is the joint registered holder of S.No.33/3A1 along with Mrs.Padmavathi

objection petitioner No.4. The objections are similar to those dealt with in the preceding sub para, and they do not merit any serious consideration.

vi) OBJECTION PETITION OF MRS. K.KAMALA: The petitioner claims that she is an interested person in S.No.33/2B2C and 33/3B2. It is reported that her interest is only that of maintenance. She states that acquisition will deprive her of her rice income but adds that despite her objections, if the land is acquired, adequate compensation be paid to her. It is therefore clear that she has no absolute objection to the acquisition.

(vii) OBJECTION PETITION OF SRIMATHI SUMATHI BY HER POWER OF ATTORNEY HOLDER SRI K.R.GURU: This petition is identical with that filed by Mrs.Kamala dealt with in sub para (vi) above. In the circumstances explained therein, the objections do not merit consideration.

(viii) OBJECTION PETITION OF SRIMATHI K.SUNEETHI: The contents of the petition are the same as those of the petition dealt with in sub para (vi) above. The objections are untenable.

(ix) OBJECTION PETITION OF SRI NARAYANA BHANDARY: The petitioner is reported to be having a maintenance interest in this plot S.No.33/3A1 along with 16 others. The petitioner does not urge any serious objections to acquisition.

(x) OBJECTION PETITION OF RAMANNA BHANDARY: The petition is identical with that dealt with in sub para (ix) above.

(xi) OBJECTION PETITION OF PAUL CHARLES D'SA: The petitioner claims joint ownership of plot S.No.33/3C1 along with his cousin brother Sebastian D'Souza. The petitioner's objections are that he wants to construct a house for his residence on the plot. The objection is frivolous and merits no weight.

3. The Government in the G.O cited have conceded the proposal to acquire S.Nos.33/2B2C and 33/3A1 even though they are agricultural lands in view of the necessity of the plots for the school. A nominal contributions of one anna from Provincial funds was also sanctioned in the G.O cited. The management of the school has also accepted the usual conditions of acquisition and has agreed to provide the necessary funds towards the cost of acquisition. The total amount of compensation payable to the owner etc of the lands proposed to be acquired has been estimated at Rs,6900/- inclusive of 15% solatium. As the lands are badly required by the school authorities for educational purposes, the draft declaration under section 6 submitted herewith may be approved and ordered to be published in the Fort St.George Gazette. The lands do not contain any tombs or grave yards or places of religious worship such as mosques churches or temples. There are however foot paths as shown in the topo sketch running through the lands proposed to be acquired and the preservation of the right of way along the foot paths is necessary. The school authorities have agreed to respect this right of way and keep open these pathways.

4. The following records are submitted

1) Draft declaration under section 6 (in duplicate)
2) Served copies of notices under section 4(1) and 5A
3) Eleven objection petitions received in original with the records of enquiry.
4) Topographical sketch.
5) Statement reconciling the differences that exist between the particulars given in the published 4(1) notification and the draft declaration now submitted.

The enclosures, items (2) to (4) may kindly be returned when done with

SECRETARIAT 2 MAY 1950 GOVT. OF MADRAS

Ref. 1.c. Dated: 30-4-50.

Honoured Sir,

Sub: Land Acquisition - Kankanady Village - S.No.33/2B2C etc. For School purposes.

9539/50

Ref.1) R.Dis.10358/48 Dated 4-2-50 of the District Collector, South Kanara.
2) No.I. 1127/50-1 Dated 21-3-50 of the Board of Revenue.

May I approach with my humble request? In connection with the recognition of our school we were asked to have two more acres of lamd for playground and an additional building. As land for these could not be acquired through private negotiations, we were compelled to have recourse to Government. Application was first made on 14-3-47. The Section 4 (1) notification was published in the Fort St. George Gazette on 26-4-49. The draft declaration under Section 6 of the Acquisition was submitted by the Collector on 4-2-50. I was told at the Collector's office that two reminders were already sent in this connection. But the same has not yet been published. So may I request you kindly to see that necessary orders are passed at, as early a date as possible ? We are completely handicapped in the matter of complying with the requirements of the Educational Department as we have not yet got the land. Hence I trust you will kindly help us in the matter, by an early publication of the notification.

Thanking you,

I remain,
yours faithfully,

Sr. M. Felix Albuquerque.

Correspondent.

p6cf From Mr. L.C. Pais, M.L.A. d/13-2-50

—

Please see the letter from Mr. L.C. Pais at p1cf requesting that necessary action may be taken on the representations of the management of the Capitanio Secondary M7-8cf and Training School, Kankanady in regard to (1) the acquisition p7cf of certain sites for the school and (2) sanction of grants towards p8cf the cost of construction of additional accommodation for the school.

Sent to the Bd of Rev since received M1-2cf

2. The Collector of South Kanara has already submitted the draft declaration under section 6 of the Land Acquisition Act for the acquisition of certain sites for the Capitanio Secondary and Training School, Kankanady. As some objections have been raised against the proposed acquisition, the matter has been referred to the Bd. of Revenue (for remarks) in Endt. No. Sent in original M1-2cf 10113 B1/50-1 Edn d/13-2-50) whether the objections to the acquisition may be over ruled as recommended by the Collector. Further action in this regard will be taken after the remarks of the Bd. are received.

M9-11cf

3- Regard to the management's request for a building grant, it will appear from the correspondence that it is proposed to construct the building only in the site proposed to be acquired as the management has no other site in which the building could be put up. The DPI will probably recommend the scheme for inclusion in the approved list only after the acquisition proceedings are completed. In any event the scheme will become ripe for consideration only as a part-II scheme for 1951-52 if in the meantime the preliminaries are completed
