I made a preliminary study of the constitutions of Universities which were likely to be of help and also the report of the committee appointed by the Syndicate of the Annamalai University last year. I prepared a draft with various alternatives and discussed them with Mr. Avinashilingam Chettiar, Chairman of the Committee and at that time Minister of Education. I noted down his views on all the questions raised by me. After we finished our discussions, he asked me to leave the draft with him.

Within a few days after that Mr. Avinashilingam Chettiar ceased to be Minister of Education. On the only occasion when I saw the Hon'ble Mr. Madhava Menon after he took charge of the Education portfolio, I mentioned to him that this question was pending; I have not heard anything so far. It may be that there is some doubt whether

P.T.O

Mr. Avinashilingam Chettiar continues as Chariman or not. As the Committee has yet to meet, it will not create any difficulty if there is a change in the Chairmanship. I shall be grateful if you can let me know who the Chariman is at present, so that I may obtain his guidance for the further work of the committee.

I met the Hon'ble Minister for Education and Law on the 25th November and 17th December. A draft of the questions to be considered by the Committee has been approved by him. I have his approval to request you to be good enough to ascertain from the members which date in January will suit them for a meeting and fix the time and place of the meeting. Since one of the members is a judge the meeting will probably have to be on a saturday.

2. Copies of the approved draft are being stencilled and will be sent to the members direct.

3. Members of the committee will need copies of the Annamalai University Calendar. I have obtained a copy for myself; the pro-Chancellor and the Vice-Chancellor who are members will have their own copies. May I request you to arrange for the purchase of five copies for the other members.

4. Will you also kindly consider if G.O.Ms.No.3232, Education, dated the 17th December 1948 does not need formal modification to make the Hon'ble Sri Madhava Menon, Chairman of the Committee? I wish to know

Dear Mr. Madhava Menon,

Many thanks for the kind help promised for the University. I hope it will materialise and I can proceed with my programme in anticipation of Government sanction in due course.

[illegible] date

May I also take the opportunity to say that it will be advantageous if the meeting of the Amendment Act Committee could be held sometime in the third week of next month? I would like to make my proposals and discuss them with you in the first instance in the light of my experience and of comparative study of the Acts of the different Universities in India. The latter will take some time, as you know the last 3 or 4 months have been taken up with the situation in the University and I shall have to be busy now with several Committee and other meetings in connection with the preparation of the Budget and the Annual Report of the University for presentation at the March meeting of the Senate. These have to be finished before the 15th February. I shall also have to attend to some urgent work in connection with the conduct of March-April Examinations.

I am also writing to the Secretary, Department of Education and Public Health to fix the meeting in the third week of February.

With kind regards,

Yours sincerely,

Examine by noon today
① the amendments suggested by the Committee appointed by Govt

[illegible] 50

The recommendations of the Committee appointed by the Annamalai University regarding the matters connected with the administration of the University are at p.p.1-36 of (B) in L.F.I, and the remarks of the Syndicate thereon are on p.p.93-119 c.f. of L.F.I. They have been sectionally examined in the L.F. The ~~recommendations~~ remarks of the University Commission appointed by the Govt. of India ~~txxxx~~ in so far as ~~tkxxxkx~~ they relate to the Annamalai University are on p.p. 521-524 of the Report of the University ~~Commixi~~ Commission.

The University Commission point out that the grades of pay of the Annamalai University teachers are much lower than those in any other university, the University Professors' grade being Rs.250--500 in

PP 522-523 of the Report

in the Faculties of Arts, Science and Oriental Learning, while the grade of the Readers is Rs.200-300, and that of the Professors in the Engineering and Technology Colleges is Rs.400--900. The Committee appointed by the University also pointed out the low scales of pay ~~and the scales of pay~~ of the teaching staff have since been ~~revised to Rs.250x15x400x200x50x2x~~ raised to 250-15-400-20-500-25-700 for four Professors & Rs 250-500 for 9 Professors, and to Rs.100-10-250 for Lecturers. The Syndicate of the Univy, has accepted the suggestion of the Committee and propose to revise the scales of pay of the teaching staff still further after getting grant from Govt. Recently the request for grant was turned down on the ground that the University could afford to meet the expenditure. The University has also enhanced the rates of dearness allowance to the staff and has brought them on a level with those given by Govt. The Govt. of India University Commission also point out that the ratio of pupils to teachers is fairly high, The views of the University in regard to the recommendations of the Commission have been called for separately and if necessary, the Syndicate will take the necessary action.

P 8 of (B) in LFI

P522 of Book

In order to improve the scales of pay of the teachers, the University Commission recommends the payment of a much larger grant by Govt. It may be pointed out in this connection that the Govt. have already sanctioned from the year 1946 an annual recurring grant of Rs. 1 lakhs to the Annamalai University towards the revision of scales of pay of the teaching staff. The University applied for an enhancement of this grant last year and also this year as they propose to grant further revised scale and on a detailed examination of the case, the Govt. have informed the University that the proposal may be renewed next year, if the audited figures showed a deficit so as to warrant from Govt. the payment of an additional grant. Besides, towards the revision of scales of pay of the teaching staff in the Engineering College, the Govt. have agreed to ~~pay~~ increase the existing annual recurring grant of Rs. 2 lakhs to Rs. 3½ from 1950-51. No further action seems called for in this direction.

P103 of [illegible]

The necessity for improved hostel accommodation has stressed both by the University Commission and the Committee of the University. The Syndicate has agreed with the above suggestions and will be taking the necessary action. It may be mentioned here that the Govt. have already sanctioned a half-grant of Rs. Lakhs to the University for the construction of hostels and the scheme is a Post-War Development Scheme. The construction is in progress and the grant is being paid in instalments. The University Commission state that the number of scholarships and stipends should be increased. The University will take this account while forwarding its views on the Report of the above Commission, which has been called for.

P 523 of BK

The Committee appointed by the University has made certain recommendations regarding the composition of the Syndicate, the Senate the Board of Examiners, etc., and the ~~choice~~ selection of the Vice-Chancellor; for its recommendations on the subject, please see p.p.27-32 and 35 of (B) in the L.F.I. The Syndicate's remarks thereon are at p.p. 111-119 c.f. of L.F. A copy of the Committee's report has already been furnished by the Convener to the members (The L.F.I is also being circulated to H.M.(E.&L) who is the Chairman of the Committee appointed by Govt. to consider the amendments to the Annamalai University Act; It is presumed that the Syndicate's remarks will also be taken into account while arriving a decision on these matters).
