Office of the Director of
Public Instruction, Madras
dated 5th October 1949

From

The Director of Public Instruction,
M a d r a s.

To

The Secretary to Government,
Education & Public Health Department

Sir,

Subject: Colleges - Queen Mary's College, Madras -
Part II Schemes for 1950--51

I have the honour to submit the following proposals
relating to the Queen Mary's College, Madras, for the favourable
consideration of Government in connection with Part II of the
Budget Estimate for 1950--51.

1. Introduction of Psychology for Part III of Intermediate Course :

At present the College is affiliated in Logic for
Part III of the Intermediate and it is being taught in combination
with Histories. The Principal proposes to introduce Psychology
also for Part III of the Intermediate as this would form the
ground work of those students who are desirous of taking
Psychology in their B.A. course and proceed to qualify for the
teaching profession. The Principal expects a strength of
10 students for Psychology. I recommend the proposal as
it is quite desirable. The proposal does not involve provision
for additional accommodation, but it involves the employment
of a Tutor in the first year and an Assistant Lecturer in
lieu of the Tutor from the second year and also a little
expenditure on equipment. The financial implications of the
proposal are indicated below.

1950--51.

Recurring.

1 Tutor in Psychology	80 x 8	640
Dearness Allowance	24 x 8	192

Non recurring

Equipment:-	Apparatus.	
	Books	500
	Furniture	400
		500

2232 OR Rs 2,200/-

Additional cost in 1951--52.

Recurring

1 Asst. Lecturer in Psychology in lieu of 1 Tutor	150-80 x 8	560
~~1 Tutor~~ Difference in Dearness Allowance.	36-24x8	96

Non recurring: Furniture

500

1156 OR Rs 1,200/-

Ultimate cost.

1 Asst. Lecturer in Psychology.	205 5/9 x 12	2,467
Dearness allowance.	36 x 12	432
Apparatus		100
Books		100

3,099 or Rs 3,100/- per annum

p.t.o

The fee income to Government will be Rs 1080/- in 1950--51 and Rs 2,160/- per year thereafter on the assumption that 50% of the students will pay half fee under Rule 92 of Madras Educational Rules.

2. Employment of an additional Lower Division Clerk.

The Queen Mary's College is a residential institution which has been expanding year after year. The strength of the College in the current year is about 650. The College being a residential institution, the work of the ministerial staff is far heavier and more onerous compared to the work in the non-residential colleges of equal size. The sanctioned ministerial staff of the College consists of 1 Head Clerk, 2 Lower Division Clerks and 1 Typist. This staff is found to be inadequate to cope with the work. I am convinced that there is a definite need for an additional member on the ministerial staff of the College Office and I request that Government may be pleased to sanction the employment of an additional Lower Division Clerk for the College at least with effect from the beginning of the next academic year. The additional cost to Government will be as follows :-

1950--51

Recurring:-			
1 Lower Division Clerk.	45 x 8	360	
Dearness allowance	22 x 8	176	
House rent allowance	7 x 8	56	
			Rs 592 or Rs 6,000/-

Ultimate cost.

1 Lower Division Clerk	67½ x 12	810	
Dearness allowance	22 x 12	264	
House rent allowance	7 x 12	84	
			Rs 1158 or Rs 1,200/- per annum

3. Employment of an additional Peon for Queen Mary's College, Madras Office.

The Principal has been pressing for sanction of an additional peon for the College Office. The office has now only 3 peons. Usually 4 peons are allowed for the office of every First grade Arts or Professional College. As it is definitely not possible for the Principal to get on without another peon for the Office, especially as the College is a residential institution, I recommend sanction for the employment of an additional peon in the College, Office with effect from the academic year 1950--51. The Additional cost to Government will be as follows :-

1950--51

Recurring:-			
1 Peon	18--25 18 x 8	144	
Dearness Allowance	19 x 8	152	
House rent allowance	5 x 8	40	
			336 or Rs 300/-

Ultimate cost.

1 Peon.	20 7/10 x 12	248	
Dearness allowance	19 x 12	228	
House rent allowance	5 x 12	60	
			536 or 5,00/- per annum

I am including the necessary provision in part II of the Budget Estimate for 1950--51.

Yours faithfully,

From

The Director of Public Instruction, Madras.

To

The Secretary to Government, Education and Public Health Department.

Sir,

Sub: Queen Mary's College, Madras - Starting of new courses in 1950-51.

Ref: My letter Roc.1248 K2/49 dated 5--10--'49.

In continuation of my letter referred to above, I request that Government may kindly sanction the affiliation of Queen Mary's College in Physiology as a subsidiary subject for the B.Sc. Course with effect from July 1950.

2. The proposal was deferred by me in view of the inadequate accommodation available in the college. The Principal however points out that it would be possible to conduct the lectures and practical classes in the subject in the B.Sc. Home Science Block and that the University would have no objection to such an arrangement being made. It is stated that Intermediate Students who pass with group II find it very difficult to take Chemistry main with Mathematics and Physiology as subsidiaries and that the provision of physiology along with chemistry will be to the advantage of these students. It is not proposed to increase the total strength of the B.Sc. groups with the provision of the subsidiary subject and there will be therefore no additional fee income. I request that Government may kindly accept my proposal as a special case and sanction the affiliation of the college in Physiology as a subsidiary subject.

3. There will be no extra expenditure on account of equipment. In regard to staff, one additional Demonstrator will be required in 1950-51 and in the second year, an Assistant Lecturer in lieu of the Demonstrator will be required. The cost will be Rs. 900 in 1950-51 and Rs.800 in 1951-52.

As regards additional clerk, the strength of the college has
increased from 543 in 1948-49 to 650 in the current year and this normal
increase coupled with the work relating to the hostel necessitates the
employment of an additional clerk. The fact that the college is a resi-

for. The work of the college office has also increased due to the starting
of new courses of study.

The D.P.G. proposes to open Psychology under Part III of the Intermediate course in the Queen Mary's College, Madras, with effect from the academic year 1950-51. He also proposes to have the college affiliated in Physiology as a subsidiary subject for the B.Sc. course with effect from July 1950. It is stated that no addl. accommodation is required. One tutor and one demonstrator have to be appointed in 1950-51 and two Ass't. Lecturers in lieu of the tutor and demonstrator in 1951-52. Some expe. has also to be incurred on the purchase of apparatus, books etc. as detailed in para 1 of the Director's letter. The ultimate cost to the Govt. on account of the proposals is Rs 6,200/- per annum. A fee income of Rs 1,080/- in 1950-51 and Rs 2,160/- thereafter is anticipated. In the circumstances stated by the D.P.G., the proposals may be accepted and necessary provision included in Part II of the B.E. for 1950-51.

2. The Director's proposal to employ one l.d. clerk and one peon in the college office from the next academic year may also be accepted. The ultimate cost to the Govt. on this account is Rs 1,700/- p.a. Necessary provision may be included in Part II of the B.E. for 1950-51.

(Part II Scheme for 1950-51)

In connection with the Part II schemes for 1950-51, the D.P.S. has ^{submitted} the following proposals, viz:

(1) the opening of Psychology under Part III of the Intermediate course in the Queen Mary's College Madras, w.e.f. 1950-51; - para 1 p.c.f.

(2) the affiliation of the Queen Mary's College in Physiology as a subsidiary subject for the B.Sc. course w.e.f. July 1950; and - p3 c.f.

(3) the employment of one addl L.D. clerk and one peon in the college office with effect from the next academic year. Est. H. Dept. supports the proposals. - p2 c.f.

2. Proposal (1) above:- The opening of Psychology under Part III of the Intermediate course involves the employment of a Tutor in the first year and an Asst Lecturer on Rs 150-250 in lieu of the Tutor from the second year onwards. The financial effect of the proposal will be as follows:-

Recurring: - (ultimate)		Cost. p.a.
Staff. Asst Lecturer in Psychology (Rs 150-250)	Rs	3,000
Apparatus and Books	Rs	200
		<u>3,200</u>
Deduct anticipated fee income of Rs 2,160		- 2,160
Net extra cost Rs		<u>Rs 1,040</u>
Non-recurring:		
Apparatus	Rs	500
Books	Rs	400
Furniture	Rs	1,000
		<u>2,900</u>
Total Rs.		<u>1,900</u>

In the circumstances explained by the D.P.S. in and in view of the small extra cost (both recurring & non-recurring) involved, para 1 emp! c.f. & Finance may agree to the proposal. The addl staff proposed seems reasonable and may be accepted. The proposal may be treated as one that is imperatively essential for the proper running of the dept. The other items of recurring and non-recurring expenditure may also be agreed to as they are not susceptible of any check.

3. Proposal (2) emp 2 above:- The affiliation of the Queen Mary's College in Physiology as a subsidiary subject for the B.Sc. course involves the employment of one addl Demonstrator in 1950-51 and in the second year an Asst Lecturer on Rs 150-250 in lieu of the Demonstrator. The extra cost involved ^{on account of staff} will be Rs 3,000 p.a. ultimately. It is stated that there will be no extra expenditure on account of equipment. Est. H. Dept. supports the proposal.

Though it is stated that the proposal will not involve any extra expenditure on account of equipment, yet it is not clear whether addl expenditure ~~on account of equipment~~ will not be required on other items like books, apparatus etc. It may also be stated in this connection that the present proposal will not result in any addl fee income as it is not proposed to increase the total strength of the B.Sc. groups. The proposal also does not satisfy the criteria laid down in Fin memo No. 57293-A/P.W.R.-3 D 12-10-49 for consideration of Part II schemes for 1950-51. In the circumstances explained Fin may advise that this proposal be deferred.

In case it is decided to accept the proposal then the addl staff proposed doesn't call for any special remarks and may be accepted. The posts may however be sanctioned for a period of one year in the first instance.

4. Proposal (3) emp 2 above:- The D.P.S. has not furnished any statistics to show that the work has increased ~~unmanageably~~ ^{have}. Now the state of work and the ministerial staff working in the College has been compared with ^{other} similar institutions in the province. At the present time does not seem to be opportune for considering proposals of this kind. Fin may advise that the proposal for the employment of an addl L.D. clerk in the office of the Q.M.C. be deferred.

(4)
A

As regards the employment of an addl. person in the office of the College, E.H. may be requested to examine whether the addl. person proposed is admissible under the orders issued in G.O. No. 326 for S. U. U. As the Govt. have prescribed a standard scale in the above G.O. for the employment of persons the argument of the D.P. at B on p. 2 c.f. cannot be taken as a sufficient reason for recommending an addl. person.

proposals —

- (1) the opening of Psychology under Part III of the Intermediate Course in the Q.M.C., Madras, with effect from the academic year 1950-51,

- (3) the employment of an addl. clerk and a person in the college with effect from July 1950.

Finance agree to item (1) above being bottom of p. 2 and considered as a Part II scheme for 1950-51, and suggest that the other proposals vide p. 3-4 above may be deferred. But, in the circumstances stated by the D.P. in his letter d. 14-10-49 and as the addl. expe. to Govt. is small, the proposal in item (2) above may be pressed in this Dept. for consideration as a Part II scheme for 1950-51; it may take its chance along with other Part II schemes.

As W.R.T. the remarks of Fin. in para 4 of their notes on p. 2-4 above, a reference is invited to the D.P.'s letter p.c. of T.M. from the D.P. d. 5-11-49. In the P.T.O.

(Pre finance note on p. 2-4 above)

The further note of E.H. may be perused. E.H. have not addressed any new arguments for considering the proposal for the affiliation of the Queen Mary's College in Physiology as a subsidiary subject for the B.Sc. course as a Part II scheme for 1950-51. In the circumstances Finance may still adhere to the views expressed at 'A' on p. 3 above.

As regards the employment of an addl. l.d. clerk in the office of the Queen Mary's College, the D.P. has merely given the strength of students in the college in the current year and in 1948-49. But he has not furnished statistics regarding the number of papers received, dealt with and disposed of during 1948-49 and 49-50 (upto date). Nor has he compared the ministerial staff working in the college at present with the staff of other similar institutions in the province. In the absence of this information it seems difficult to accept the need for the addl. clerk proposed. Finance may therefore adhere to the views expressed at 'B' on p. 3 above.
