Station MADRAS., Dated the 23-3-1950. 19

From (Name)
(Designation) DIRECTOR OF PUBLIC INSTRUCTION

To The Secretary to the Government of Madras,
EDUCATION Department.

Sir,

The number of Officers officiating in the Madras Educational Service and serving in the Vacation Department under emergency provisions (i.e., under Rule 9(a) or Rule 31(a) of the General Rules relating to the Madras Provincial and Subordinate Services) is 49 in the Men's Branch--(15 in the Arts and Training Colleges and 34 in the Colleges of Engineering as shown in the Annexures I and II). I request that Government may kindly approve the continuance of these officers in the posts they are holding now, during the summer vacation of 1950, subject to the following remarks:

2. Of the 15 officers in the Arts and Training Colleges, the services of 14 will be required even after the re-opening of the Colleges. It is not possible to say definitely whether Sri T. Appalanarasayya will be continued in the Madras Educational Service. In this connection I may state that the question of terminating the probation of Sri T. Appalanarasayya in the category of Assistant Lecturers is under consideration. If it is finally decided to terminate his probation in the category of Assistant Lecturers he cannot be retained in his temporary appointment in the M.E.S. I, therefore, request that the Government may be pleased to allow the continuance of Sri T. Appalanarasayya in the post of Lecturer in Commerce in the M.E.S. under emergency provisions till

the question of completion of probation in the category of Assistant Lecturers is finally decided by me.

1. Sri D. Ramacharlu, another temporary Lecturer in Commerce, in the Madras Educational Service is a regular probationer in the category of Assistant Lecturers and he may be continued in the post of Lecturer in Commerce during the summer vacation, since there is no likelihood of his being reverted to the Subordinate Educational Service after the vacation.

3. Although some of the Government servants and private scholars who are undergoing advanced studies in Engineering subjects are likely to return to India at the beginning of the next academic year and have to be posted to the Engineering Colleges reverting or discharging some of the existing Officers serving in the Madras Educational Service under emergency provisions, yet, in view of the fact that the services of the existing temporary Officers in the Madras Educational Service will be required during the vacation and even if they are relieved by overseas scholars they can be absorbed in the Subordinate Educational Service, I recommend that all the present temporary Officers in the Madras Educational Service in the Colleges of Engineering may be continued in their posts during the summer vacation of 1950.

2. In this connection I may point out that there is a likelihood of the Commission selecting two candidates for regular appointment as Professors of Civil Engineering. Messrs. N.R. Sitapathi and P.R. Ramaswami, temporary Professors of Civil Engineering, have also applied for direct recruitment. The continuance of Messrs. Sitapathi and P.R. Ramaswami in their present posts depends entirely on the results of the selection by the Commission. In the circumstances I request that the Government may be pleased to continue Sri N.R. Sitapathi and Sri P.R. Ramaswami in their temporary appointments till such time as the results of the Commission's selection of candidates for the posts of Professors of Civil Engineering are known. If the Government agree to the above, there is no need to obtain any undertaking from the two temporary Professors to the effect that they would continue to serve the Department even after the vacation and until they are relieved of their appointments by Government, as was done in previous years. -- Vide G.O. Ms. No. 1283 Edn., dated 27-4-1949.

4. Sri G. Govindarajan, temporary Lecturer in Tamil, Government College, Kumbakonam, will be reverting to the Subordinate Educational Service with reference to G.O. No. Ms. 705 Edn., dated 3rd March 1950, and there is no question of his continuance in the Madras Educational Service during the summer vacation.

Yours faithfully,

Thiruvalluvar

for Director of Public Instruction.

From the D.P.I., No. 501-C1/50, d/- 23-3-50.

M.E.S. - Officers working under emergency provns. -
Continuance during summer vacation.

that the
The D.P.I. has proposed the continuance of 51 officers whose names are mentioned at pp.3-4 and 5 C.F. and who have been offg. in vacation posts in the M.E.S. under the emergency provisions may be continued in their posts during the current summer vacation, without being discharged from the service or reverted to the subordinate service. The reason for his proposal is that their services will be required in the posts even after the vacation, with the re-opening of the schools and colleges concerned. Similar continuance was sanctioned during the previous years, and the Dir.'s proposals for this year also may be sanctioned with, however, the follg. modifications.

2. The tempy. appt. of Sri T.N. Krishna-murti as Headmaster of the Model High School attached to the Teachers' College, Saidapet, has since been regularized. No specific order continuing him during the vacation is necessary.

3. Sri T. Appalanarasiah ~~has~~ has been holding the post of Lecturer in Commerce in the Govt. Arts College, Coimbatore, under the emergency provisions. The question of terminating his probation in the post of Asst. Lecturer (Subordinate Service) is being considered by the D.P.I. If ~~that~~ ^{his} probation is terminated during the vacation, it would not be proper to retain him ^{in the M.E.S.} in the M.E.S. His continuance may therefore be ~~sanctioned~~ ^{sanctioned} subject to the orders to be issued by the Dir. in the matter refd. to above.

4. Except Sri P.R. Ramaswami and Sri N.R. Sitapati, tempy. Profs. of Civil Engg., all other officers have some footing or other in the dept., being members of the subordinate service or of the P.W.D. or overseas scholars bound to serve the Govt. The two officers ^{who are 'outsiders'} were retained during the vacations of the past ~~xxx~~ two years after they ~~given~~ gave an undertaking that they would continue to serve the dept.

after the vacation and until they were relieved of their appts. by Govt. This year the Commn. advertised for regular recruitment two posts of Profs. of Civil Engg. and both Sri Ramaswami and Sri Sitapati applied to it. The D.P.I. has said that the continuance of the two officers in their tempy. appts. entirely depends upon the results of the Commission's selection, that they may be continued until the results are known and that it is not necessary to get from them an undertaking as in the previous years. Information has since been recd. from the Commission that it has selected Sri P.R. Ramaswami. The selection can be approved after Sri Ramaswami has been found physically fit. The Commission has also raised the question of relaxation of the rule prescribing practical experience in favour of Sri Sitapati. It will take some time for this question to be decided. The retention of the two officers during the vacation may be ordered without any condition such as A or B above being ~~imposed~~ imposed.
