Sub:- TAX - Education - Levy in Municipal areas - Proposals Submitted.

Ref:- G.O.No.MS/606, Education, dated 22--6--'48.

I submit that education tax is being levied on all classes of properties in this Municipality.

2. This Municipal Council is levying education tax on the annual value of properties and on capital value of vacant sites. The present rate of taxation on the following classes of properties are as follows.

	On buildings.	On agricultural land.	On vacant sites.
i) Tax for general purposes.	8 1/2% per annum on A.V.	8 1/2% per annum on A.V.	1/2% per annum on capital value.
ii) Water & drainage tax.	9 1/4% "	Nil	Nil
iii) Scavenging tax	3% "	6% "	1/8% "
iv) Education tax	3 3/4% "	3 3/4% "	3/8% "
Total.	34 1/2% "	18 1/4% "	1 1/8% "

When the present rate of levy of education tax is compared with the present rate of taxation, the percentage for each class of properties is as follows.

On buildings.	On agricultural land.	On vacant sites.
15.3	20.5	37.5

The existing rate of education tax in total is within 25% of the total taxation.

3. The education tax was recently enhanced from 2 1/4% to 3 3/4% with effect from 1-10-47 and hence there is no need to revise the present rate, since the total taxation in this Municipality is 24 1/2% which is very high. The existing rate of percentage of education tax as shown above may be fixed as contemplated in section 34(1) of the Elementary Education Act, 1920, as amended.

Section 37 of the E.E Act:- The rate of
Education tax levied in the municipality is
4 3/4% p.r. and the rate of Government Contribution
is 1 1/3% p.r. According to the recent cabinet
decision of this Council will get an additional
contribution equal to 3/4 th of what it is
getting at present. The Contribution should
therefore be revised to Rs 8500.

p7ef

(iii) "Expenditure - Capital":-
The amount of Rs 1000 shown against "lands
and buildings" may be deleted, in view of the fact that
the Budget is anticipated to close with a large
deficit.

PTD

(iii) Revised with reference to the suggestions above, the B.E is anticipated to close with a minus balance of Rs 12,673. LA have stated, that the financial position of the municipal Council is not satisfactory. It is therefore presumed that the general funds cannot contribute to the Elementary Education Fund Account. In view of the fact that the total tax levied in the municipality is $25\frac{1}{2}\%$ (more than the conventional maximum of 25%), the rate of Education tax cannot be increased further. Therefore, the Council should be granted subsidy to wipe off the deficit. A grant of Rs 7971 may be sanctioned to wipe off the deficit in the R.E for 1949-50. There will still be a deficit of Rs 4702. The question of avoiding this deficit may be taken up after the closing balance on 1-10-1950 is known.

LA and Finance may see for remarks prior to circulation.

21/3/50

Please see the notes of Edn Dept. above. The contributions shown in the EE budget and those provided for in the General budget are the same viz Rs 3000 in each of the two years 1949-50 and 1950-51. The gl Acct for 1949-50 (RE) is expected to close with a deficit of Rs 1421 and the RE for 1950-51 will close with a deficit of Rs 12,046 against the required minimum balance of Rs 5,800. The gl. funds cannot therefore contribute any more in addition to the contribution of Rs 3000 already made. The gap deficit in the EE Acct will have to be wiped off by Govt. subsidy.
