COIMBATORE DT.

Date 19. 8 1949.

ASST. SECRETARY TO GOVERNMENT EDUCATION AND PUBLIC HEALTH DEPTS. 66571 31 AUG 1949

GOVERNMENT OF MADRAS P.H. DEPT.

My Dear Natarajan Pillai,

In pursuance of our personal talk, I am here with sending you a memorandum with regard to the Training College. I shall be glad if you will consult Hon. Finance Minister & get things through as soon as possible.

I shall be glad to have an early reply.

Kind Regards

Yours Sincerely

T.S. Avinashilingam.

Very urgent

Secy. Edn. & P.H.

Examine this urgently

The D.P.I was telling me that he wants 4 additional training colleges this year.

Why not have this as one.

30/8

SRI RAMAKRISHNA VIDYALAYA P. O.,
(COIMBATORE Dist.)

Date 18th August 1949.

From

SRI. T. S. AVINASHILINGAM, M. L. A., ~~(CENTRAL)~~
SECRETARY,
SRI RAMAKRISHNA MISSION VIDYALAYA,
SRI RAMAKRISHNA VIDYALAYA P.O.
(COIMBATORE Dt.)

To

The Hon'ble K. Madhava Menon,
Minister for Education,
Government of Madras,
Fort St George, Madras.

Sir,

There were about 400 High Schools about 10 years back. To-day their number is nearly 1000 but the number of the training colleges has remained the same. In the last year it was found that there were over 300 untrained teachers teaching in our High Schools. Till now during the war and after, there were many other more attractive walks of life open to graduates. The training college did not in those days attract a large numbers of them. But now with recruitment of the war personnel going down and other employment cut down, a large number of people are resorting to the training college. The need of the trained personnel for our High Schools is also very great. And so it is necessary and urgent to have more training colleges. The Vidyalaya is now coming fowward to meet that need.

The training college that is proposed to be opened in the Vidyalaya will provide only for such subjects in which the Vidyalaya can make an original contribution. The Vidyalaya is a recognised centre of Basic Education and is the premier institution in the Province for imparting Basic Education. Its interest in Basic Education dates back to the year 1937 when the Hindustan Talimi Sangh through its Secretaries Shri Aryanayakam and Asha Devi conducted their first camp in Basic Education in South India in the Vidyalaya. As it has the necessary atmosphere and equipment to impart Basic Education, Basic Education will be one of the important

subjects that will be provided in the training college.

To-day the teaching of Tamil requires a re-orientation. It is unfortunate that the differences engineered by certain political parties with the vicious idea of dividing Tamilians from others in India has been followed by Tamil Pandits in general. Many of the Tamil Pandits to-day share the views of the black-shirts and cultivate hatred for Sanskrit, Hindi, and North India. This is against the genius of the Tamil Language, which has an all-embracing and universal culture, coming down from an immemorial age, going back to a period which even History cannot peep. This attitude amongst Tamil Pandits has been bred up in places where they are trained to-day, mainly because of the want of good training provided in those places. To save our children from these bad influences, it is necessary that our Tamil Pandits should be trained with a religious and cultural background, with a deep understanding of the genius and the highest thoughts in that language.

One of the important items in the re-organisation of the Secondary education is the integration of History, Geography and Civics into a single subject called social studies. The syllabus for social studies also provides for certain activities in the form of social service. The Vidyalaya has a rural service centre and is organising service in the surrounding villages. The idea of the school as a social centre can develop only to the extent our teachers are imbued with ideals, and practice of social service. And in this sphere again, the Vidyalaya is in a position to show the way.

There is one other important aspect which will be peculiar to the Training College in the Vidyalaya. This new element will be an important contribution to the cultural life of this province. Our culture is in a large measure based on religion, but for various reasons the Constitution has provided that no school maintained by the State shall teach religion. The Christian Missions in order to spread Christian Religion have set up schools and colleges; in

addition they have established training colleges in which they important subject. To this they have provided moral [illegible] of Christian religion as an as another optional, which non-christians may take. If India is to rise to greatness, it must be by strengthening its culture and cultural tradition. This can be done only through the proper understanding of Hindu Religion in its widest sense as was preached and practised by Sri Ramakrishna, Swami Vivekananda and Mahatma Gandhi. But this cannot be done in Government schools and colleges. The Ramakrishna Mission has a distinct contribution to make it in this direction. The Vidyalaya as a branch of the Ramakrishna Mission is in a happy position to do it. Contents and methods of Hindu Religion will be provided as an optional subject to moral instruction in the proposed Teacher's College. The subjects will also be dealt with in the most catholic manner so that they will aim not only at understanding Hindu Religion in its highest form but also a proper appreciation of other religions. It is expected that the deterioration and indecipline found in our schools and colleges will disappear with the provision of a truly cultural and religious background to our teachers and through them to the schools.

For these reasons we believe that the training college that is proposed to be started in the Vidyalaya will be able to make a definite contribution to educational thought and practice. It is proposed to provide such subjects as Basic Education, Tamil, Social Studies etc at present. But it will provide in the future for further subjects according to necessity and convenience.

The cost of the proposal will be as follows:- As suggested by the University there will be three grades in the staff of the college :- Lecturer, Professor, and Principal. The lecturer's will be on the grade of Rs 125/- to 250/-. Professor's from Rs 200/- to 400/-, and the principal from Rs 300/- to 500/-. The pay to be fixed according to their qualifications and experience. The staff required will be one principal, two professors, 3 lecturers

	VIDYALAYA Scale						GOVERNMENT Scale					
	Initial			Average			Initial			Average		
	Rs	As	Ps	Rs	As	Ps	Rs	As	Ps	Rs	As	Ps
1 Principal	250	0	0	375	0	0	600	0	0	800	0	0
2 Professors	400	0	0	600	0	0	480	0	0	840	0	0
2 Lecturers	250	0	0	375	0	0	300	0	0	430	0	0
1 Physical Instructor	85	0	0	122	8	0	150	0	0	215	0	0
1 Librarian	85	0	0	122	8	0	85	0	0	162	8	0
1 Clerk	55	0	0	70	0	0	55	0	0	70	0	0
1 Peon	18	0	0	21	0	0	18	0	0	21	0	0
Total per Month Rs.	1,143	0	0	1,686	0	0	1,688	0	0	2,538	8	0
Total per Year Rs.	13,716	0	0	20,232	0	0	20,256	0	0	30,462	0	0

It will be seen above that it will cost Government considerably more to start a similar college. Besides the Vidyalaya will make available for the province, such service as it is in a position to give. In these circumstances it will be advantageous to the Province and to Government to meet the full cost of the institution. In view of the Government meeting the full cost, the Vidyalaya will agree not to charge tuition fees for students and also agree that half the number of students will be admitted as per direction of the Government.

The Government usually bears half the net cost of all Training colleges. And so if the Government chooses to pay a full grant to this training college the extra expense to Government

(5)

will only be about Rs Ten thousands and any amounts that may be spent for equipment.

I request in these circumstances that the Government may be pleased to meet the full cost of the institution including the model schools. The college would require about nearly 2½ or 3 lakhs for the provision of hostel for men and women and additional class-rooms. I would suggest that 1½ lakhs of Rupees may be given for non-recurring equipment grant to the Vidyalaya for the purpose of training college. Here again it may be pointed out that non-recurring cost to Government for providing buildings and equipment for a new Training College will be nearly ten lakhs and the Government will only make a net saving by agreeing to this ~~agreement~~ arrangement. Besides, this is also under the limits laid down by Government for grants to colleges.

I shall be grateful if the Government will kindly consider the proposal and give us an early reply. We believe that it will be in public interest for Government to accept this proposal.

We shall be thankful for an early reply,

With regards,

Yours Sincerely,

T.S. Annigeri & Co.

EDUCATION DEPARTMENT

From

The Director of Public Instruction,
MADRAS

To

The Secretary to Government,
Education & Public Health Dept.,
MADRAS

Sir,

Roc.No.422 D2/49- dated 4th November '49

Sub:- Opening of a Training College in the Ramakrishna Vidyalaya Perianaickenpalayam.

Ref:- Government Memorandum No.66571 G2/49-1 Education dated 3-9-49

In continuation of this Office letter Roc.No.422 D2/49 dated 19-10-49, I have the honour to submit the following remarks regarding the proposal for the opening of a Training College in the Sri Ramakrishna Vidyalaya, Perianaickenpalayam, Coimbatore.

2) The proposal of the Secretary, of the Sri Ramakrishna Vidyalayam, Perianaicken-palayam is to open a training College with provision for the teaching of Basic Education, Tamil, Social studies etc., As already reported in this Office letters Rc.No.422 D2/49 dated 21-9-49 and 1239 M2/49 dated 24-10-49, it would not affect my proposals for the opening of B.T. or B.Ed. Colleges during 1950-51.

3) The proposal is likely to reduce the accommodation provided for the existing Training School and the Elementary School of the Ramakrishna Vidyalaya until the temporary shed for the Elementary School and the hostel block for the Training College are constructed, since the management proposes:-

i) to shift the Training School to the two Elementary School buildings.

ii) to house the Elementary School in a temporary shed to be conducted for the purpose, and

iii) to construct a building for the hostel for the proposed Training College and to share the Training School hostel blocks by the Training College also until the hostel block for the college is completed.

4) In the circumstances stated above, it is a question of the University granting affiliation on the terms it generally insists on. However, I recommend the payment of the usual grant, under the provisions of the Grant-in-aid Code, to the management in case the College should materialise.

4) The enclosures received with the Government Memorandum quoted above are resubmitted herewith.

Yours faithfully,

For Director of Public Instruction

EDUCATION AND PUBLIC HEALTH DEPARTMENT.

Part II Scheme for 1950-51.

(SUBJECT:- Grants - Teaching and Building - Opening of a Training College at Perianaickenpalayam by the Ramakrishna Mission Vidyalaya, ~~Coimbatore,~~ with provision for basic training teaching of Tamil and Social studies).

SUMMARY.

Head of account.	Item of Expenditure.	Ultimate Cost.		Cost in 1950-51	
		Recurring.	Non-recurring.	Recurring.	Non-recurring.
		Rs.	Rs.	Rs.	Rs.
37-Education - University - Grants to Non-Govt. Professional Colleges - Voted - Teaching and Building grants.	Teaching and Building grants for the Opening of a Training College at Periyanaickenpalayam by the Ramakrishna Mission Vidyalaya, ~~Coimbatore Dt.~~, with provision for basic training, Social Studies and Tamil.	10,000. (Teaching)	75,000/- (Building)	Nil.	75,000. (Building)

Explanatory Note.

The Secretary, ~~Sri~~ Sri Ramakrishna Mission Vidyalaya, Coimbatore District (Sri T.S.Avinashilingam Chettiar, the former Minister for Education of this Govt.) has submitted a proposal for the opening of a Training College at Perianaickenpalayam under the management of the above Mission, with provision for basic training, ~~teaching of~~ Tamil and Social Studies. The estimated recurring and non-recurring expenditure to the management on the proposal is Rs. ~~20,000~~/- and Rs. 3 lakhs respectively. No fee is proposed to be levied from the students. In view of the special character of the training proposed to be imparted in the college, the management requires as a special case a full grant, ~~i.e.~~ Rs.20,000/- towards the recurring cost, instead of the usual half-grant given to other aided institutions. As regards the non-recurring expenditure, the management requests a half grant of Rs. 1½ lakhs towards the cost of buildings and equipment, ~~and this~~

~~out on a half-grant basis~~. The D.P.I. who was consulted in the matter states that this proposal will not affect his other proposal for the opening of five ~~general~~ aided training colleges, and that this proposal would reduce the available accommodation for the existing basic training school ~~and elementary school~~ and the ~~the~~ elementary school of the Vidyalaya, until the temporary shed for the elementary school and the hostel block for the training college are constructed. He however recommends that subject to the grant of affiliation to this training College by the University of Madras, the usual recurring and non-recurring grants may be paid to the management of the College. The application of the management for affiliation of this training college is under the consideration of the Syndicate of the University. On the assumption that the University would grant the necessary affiliation to this college, this Department recommended the approval of the proposal of the Ramakrishna Vidyalaya for the opening of the above training college, but ~~however~~ suggested that any special treatment ~~may~~ might create awkward precedents if others also ~~apply~~ applied with similar conditions and that the complete exemption from fees also ~~is~~ was difficult to justify as it ~~will~~ would favour only a particular body of students, without reference to their economic conditions. Finance advised that the proposal ~~may~~ be ~~deferred~~ deferred in view of the present financial stringency. This Deptt. ~~however suggested~~ agreed that no exeeptional treatment need be given to this college in the matter of grants, but that the usual recurring and non-recurring grants might be sanctioned, viz.

Teaching Grant - Half the ~~actual~~ net expenditure ~~subject to a maximum~~ not exceeding Rs. 10,000/-,

Building grant - Half the actual expenditure subject to a maximum of Rs.75,000/-

~~and this proposal might be considered~~

It has been ordered in circulation that it will not be desirable to show any special consideration to this college, but that, ~~if~~ subject to grant of affiliation by the University, ~~which the University of Madras grants affiliation~~ to the College, the recurring and non-recurring grants as shown ~~at 'A'~~ above on half net basis may be paid to the college.

No provision for recurring grant need be made in the B.E. for 1950-51, as teaching grant for that year will be payable only in 1951-52. This Department therefore recommends that the scheme for the opening of a basic training college at Perianaickenpalayam by Sri Ramakrishna Vidyalaya Mission

~~Mission~~, Coimbatore, may be considered as a Part II Scheme for 1950-51 and that necessary provision as shown in the summary at the top of this note may be made ~~in the~~ in the Estimates of the next year.

EDUCATION AND PUBLIC HEALTH DEPARTMENT.

PART II SCHEME FOR 1950-51.

(SUBJECT: GRANTS - Teaching and Buildings - Opening of a Tam Training College at Perianaickenpalayam by the Ramakrishna Mission Vidyalaya, with provision for basic training, teaching of Tamil and Social studies.)

--

SUMMARY.

Head of account.	Item of expenditure.	Ultimate Cost.		Cost in 1950-51.	
		Recurring. Rs.	Non-recurring. Rs.	Recurring. Rs.	Non-recurring. Rs.
37-Education - University - e.Grants to Non-Government Professional Colleges - Voted - Teaching and Building grants.	Teaching and Building grants for the opening of a Training College at Periyanaickenpalayam by the Ramakrishna Mission Vidyalaya, with provision for basic training, Social Studies and Tamil.	10,100 (Teaching)	75,000 (Building)	Nil	75,000 (Building)

Explanatory Note.

The Secretary, Sri Ramakrishna Mission Vidyalaya, Coimbatore District (Sri T.S. Avinashilingam Chettiar, the former Minister for Education of this Government) has submitted a proposal for the opening of a Training College at Perianaickenpalayam under the management of the above Mission, with provision for courses in basic training, Tamil and Social Studies. The estimated recurring and non-recurring expenditure to the management on the proposal is Rs. 20,200/- and Rs. 3 lakhs respectively. No fee is proposed to be levied from the students. In view of the special character of the training proposed to be imparted in the college, the management requires as a special casex a full grant of Rs. 20,200/- towards the recurring cost, instead of the usual half-grant given to other aided institutions. As regards the non-recurring expenditure, the management requests a half grant of Rs. 1½ lakhs towards the cost of buildings and equipment. The Director of Public Instruction who was consulted in the matter states that this proposal will not affect his other proposal for the opening of five aided training colleges and that this proposal would reduce the available accommodation for the existing basic training school and the elementary school of the Vidyalaya, until the temporary shed for the elementary school and the hostel block for the training college are constructed. He however recommends that subject to the grant of affiliation to this training College by the University of Madras, the usual recurring and non-recurring grants may be paid to the management of the College. The application of the management for affiliation of this training college is under the consideration of the Syndicate of the University. On the assumption that the University would grant the necessary affiliation to this college, this Department recommended the approval of the proposal of the Ramakrishna Vidyalaya for the opening of the above training college, but suggested that any special treatment might create awkward precedents if others also applied with similar conditions and that the complete exemption from fees also was difficult to justify as it would favour only a particular body of students, without reference to their economic conditions.

Finance advised that the proposal be deferred in view of the present financial stringency. This Department agreed that no exceptional treatment need be given to this college in the matter of grants, but that the usual recurring and non-recurring grants might be sanctioned, viz.

Teaching Grant - Half the net expenditure not exceeding Rs. 10,100/-

Building grant - Half the actual expenditure subject to a maximum of Rs. 75,000/-

It has been ordered in circulation that it will not be desirable to show any special consideration to this college, but that subject to grant of affiliation by the University, to the College the recurring and non-recurring grants on half net cost basis as shown above, may be paid to the college.

No provision forx recurring grant need be made in the Budget Estimate for 1950-51, as teaching grant for that year will be payable only in 1951-52. This Department therefore recommends that the scheme for the opening of a basic training college at Perianaickenpalayam by Sri Ramakrishna Mission Vidyalaya, Coimbatore District, may be considered as a Part II Scheme for 1950-51 and that necessary provision as shown in the summary at the top of this note may be made in the Estimates of the next year.

MINISTER FOR EDUCATION

1033

From

N.M.R.Subbaraman,
Vice President,
Sri Ramakrishna Mission Vidyalaya,
Periyanaikampalaiyam.

To

The Hon. Sri K.Madhava Menon,
Minister for Education,
Govt. of Madras, Madras.

Sir,

We propose starting a Teachers Training College in the Vidyalaya in the next Academic year, for the affiliation of which necessary applications have been made to the University. The affiliation of the University is expected to be received in the course of the month.

You have been pleased to provide in the Part II Schemes for the next year for putting up the necessary building for the College. In the meantime we shall be glad if you will kindly permit one of the buildings built for the School to be utilised for the Training College. The School will not suffer as it will carry on in the existing building, as till now.

P.T.O.

Yours sincerely,

N. M. R. Subbaraman

" Secretary, E.& P.H.

Examine this urgently. The D.P.I. was telling me that he wants 4 additional training Colleges this year. Why not have this as one?"

Please see the letter from Sri T.S.Avinashilingam Chettiar,Secretary of the Sri Ramakrishna Mission Vidyalaya,Coimbatore, on p.11c.f., his memorandum for the starting of a Training College by the Sri Ramakrishna Vidyalaya, on p.p. 1-9 c.f, and the minutes of H.M(Edn) extracted above. The D.P.I. may first be consulted in the matter. Subject to orders, the draft memo. to the D.P.I. is submitted for approval.

This not stated whether the University has been approached for affiliation

1.9.49.

[Issued as Memo No. 66571-E2/49-2 Edn dt-3/9/49]

Please see the extract of D.P.I's letter on p.5 c.f. His remarks may be awaited till 15/11/49

27.10.49

C.No86347/49. From the D.P.I.Roc.No.422 D2/49 dated 4-11-1949.

The D.P.I. points out that the propssal of the Secy.,Sri Ramakrishna Vidyalaya,Perianaickenpalayam, is to open a training College with provision for the teaching of Basic Education,Tamil,Social Studies etc, and that this proposal would not affect his proposals regarding the opening of B.E.or B.Ed. Colleges in 1950-51. He states that this proposal is likely to reduce the accommodation available for the existing Training School and the Elementary School of the Ramakrishna Vidyalaya until the temporary shed for the Ely.School and the hostel block for the Training College are constructed. ~~He pointed out that it is a question for~~ Subject to the University granting affiliation to the proposed training College, the ~~of the University granting affiliation for the college.~~ He however, recommends the payment of the usual grants for the proposed Training College to be opened at Perianaickenpalayam, after the ~~college functions.~~ proposal materialises. It is not known whether the necessary affiliation has been sought from the University by the management of the College. This may be got clarified by addressing the University. Subject to orders, the draft below is for approval.

12/11 Asst
12.11.49.

(Issued as T.M. dated 17.11.1949 to the Registrar,Univy.of Madras.)

C.No.90548/49. From the Registrar,Madras University,No.A.5942 dated 18.11.49.

The file relates to the proposal of the Secretary,Sri Ramakrishna Vidyalaya,Coimbatore District, (Sri T.S.Avinashilingam Chettiar, ~~ex-Min~~ the former Education Minister of this Govt) to open a Training College at Perianaickenpalayam, under the ~~auspices~~ management of the Mission, with provision for basic training,teaching of Tamil and social studies etc, pointing out how the Mission is eminently fitted to undertake this work.

2. The estimated recurring and non-recurring expenditure to be met by the management ~~is~~ as under:--

Recurring. - Rs. 20,232/- or about Rs. 20,000/- in round figures

(1) Principal on Rs.300--500 p.m.
(2) Professors " " 200--400 "
(3) lecturers " " 125--250.
(4) Physical Director,1 librarian,1 clerk and 1 peon.

The details for the recurring expenditure are given by the Secretary of the Vidyalaya in the statt.on p.9 c.f. He points out that it will be advantageous to the Govt. to allow the Mission to open and run a Training College,instead of the Govt.themselves running a Training College. The management do not propose to levy any fees from the students for the course of training, if the Govt.would make a full grant for the recurring expenditure. Though the Govt.generally make only ~~ex~~ half-grants towards the maintenance of Arts and Professional Colleges, the Secretary of the Mission requests that in view of the special character of the training proposed to be given and as the extra expenditure would be only Rs. 10,000/-, ~~that~~ a full grant (of Rs.20,000/-) may be given as teaching grant for the College.

Non-recurring expenditure.

The Secy.of the Mission states that the college would require about 2½ lakhs to 3 lakhs of rupees for the provisinn of hostel accommodation for men and women and and construction of additional class rooms. He ~~xxxxx~~ suggests that a grant of Rs. 1½ lakhs may be given as building ~~for this non-recurring~~ and equipment grant to the Vidyalaya for this training College. ~~Now~~ The grant requested by the Secretary works out ~~to a only only~~ half-grant ~~xxxxx~~.

3.The D.P.I. who was consulted in the matter, states that as the present proposal ~~here~~ is to open a training college with provision for the teaching of basic education,Tamil and Social studies, this will not affect his proposal for the opening of additional training colleges under private management.(That file has been sent to Finance for consideration as a part II Scheme for 1950-51).He points out that this proposal would reduce the accommodation available for the existing basic training school and the elementary school of the Vidyalaya, until the temporary shed for the elementary school and the hostel block for the training college are constructed. He recommends that subject to the grant of affiliation to this ~~training~~ college by the University of Madras, ~~xxxxxxx~~

P.T.O

the usual recurring and non-recurring grants may be paid to ~~the college~~ it under the conditions laid down in the Grant-in-Aid Code, ~~should the college materialise.~~ It has been ascertained from the University that the application of the management for affiliation to the University is under the consideration of the Syndicate.

4. On the assumption that the University will grant the necessary ~~assumption,~~ affiliation, it is for consideration whether this Department may suggest that in view of the ~~nature~~ special nature of the college, the Govt. ~~would~~ may agree, as a special case, to make a full grant to ~~the college~~ towards its recurring expenditure, i.e Rs. 20,000/- per annum, instead of a half-grant af Rs.10,000/- recommended by the D.P.I. As regards the non-recurring expenditure, the management wants only Rs. 1½ lakhs and the D.P.I. also recommends it. This Department may perhaps agree to make a half-grant subject to a maximum of Rs. 1½ lakhs to the management towards its non-recurring expenditure.

As regards the recurring expenditure, no provision ~~would require~~ needs to be made in the B.E. for 1950-51, as the teaching grant is payable only in 1951-52. Only the non-recurring grant will have to be sanctioned in 1950-51, ~~and necessary will have to be made in the B.E. for 1950-51~~. In the circumstances, it is for consideration whether the proposal for sanctioning a non-recurring grant of Rs. 1.5 lakhs to the proposed training college to be opened at Perianaickenpalayam may be considered as a Part II Scheme for 1950-51 and necessary provision made in the B.E. for 1950-51. May be sent to Finance for remarks prior to circulation.

ASSISTANT SECRETARY TO GOVERNMENT 78528 21 NOV 1949 BE II FINANCE DEPARTMENT

19.11.49.

Any special treatment may create awkward precedent, if others also apply under similar conditions. The complete exemption from fees also is sufficient to justify as it will favour only a particular body of students, without reference to their economic conditions.

H.M.(Finance) enquired about the progress of this proposal, which Finance may kindly examine without delay.

Finance (B.E.II) Dept

PART II SCHEME FOR 1950-51.

Opening of a Training College at Perianaickanpalayam

The file relates to the proposal of the Secretary, Sri Ramakrishna Vidyalaya, Coimbatore Dt. for opening a Training College at Perianaickanpalayam, under the management of the mission, with provision for basic training, teaching of Tamil and Social studies, etc. The estimated recurring and non-recurring expenditure to the management will be as under:--

Recurring -

Staff. Rs 20,000(excluding D.A.)

Non-recurring -

Building. Rs 2.50 lakhs to 3 lakhs.

The Secretary of the Management while requesting a full grant for recurring expenditure, has stated that it is not proposed to levy any fees from the students for the course of training if the Govt. would make a full grant for the recurring expenditure. As regards non-recurring expenditure, he has asked for a grant of Rs 1.50 lakhs which nearly amounts to a half grant. The D.P.I. has stated in this connection that the proposal will materialize only if the University grants the necessary affiliation for the College. E.& P.H.Department while recommending the proposal has pointed out that any special treatment (presumably in the matter of paying full grant to the management) may create an awkward precedent if others also apply under similar conditions and that it is difficult to justify the suggestion of the management for a complete exemption from fees, as it will favour only a particular body of students, without reference to their economic conditions.

2. It is submitted that the Scheme 'Basic Education'

is a new scheme introduced only recently and is still in its experimental stage. The conversion of ordinary Government training schools into Basic Training Schools and the starting of ~~fresh ones~~ new schools are being pushed through only by stages and that too in limited numbers. So when there are not ~~enough~~ sufficient number of basic training schools in existence at present, it is for consideration whether a separate training college will be necessary even at this early stage ~~exclusively~~ for Basic Education. Further, the present proposal will fall under the scheme for the expansion of Basic Education, which is one of the Post-war Schemes eligible for Post-war grant from the Central Govt. The Govt.of India have ~~however~~ recently informed this Govt. that no grant for Post-war Reconstruction Schemes will be given for Provinces during 1950-51. ~~and the Provinces themselves will have to balance their budget~~. In view of this position and the need for balancing the provincial budget, many important schemes including Post-war Reconstruction Schemes are being deferred - vide also the instructions in Finance Memorandum No.57293-PWR-3,dated 12-10-1949 for the consideration of Part II Schemes during 1950-51. The present proposal does not seem to satisfy any of the criteria laid down therein for being considered as a Part II Scheme for 1950-51. In the circumstances, Finance may advise that the proposal be deferred. In any case there seems to be no justification for giving more than a half grant for the recurring expns and the usual maximum of Rs 25,000 for building grant (for Arts colleges).

1-12-49.

This Department note on p.p.2-4 ante and the Finance Department note on p.p.5-6 ante may be perused. The Secretary of the Ramakrishna Vidyalaya, Coimbatore, requests a recurring grant of Rs.20,000/- per annum on a full grant basis, ~~with a view~~ He hopes to give exemption to students from payment of tuition fees, ~~and~~ He asks for a non-recurring grant of Rs. 1.5 lakhs for the Training College proposed to be opened by ~~the~~ Mission at

P.T.O.

ASST. SECRETARY TO GOVERNMENT EDUCATION AND PUBLIC HEALTH DEPT. 1= DEC 1949

26

Perianaickenpalayam. This Department ~~recommended the opening of the above training College by the above Mission and~~ but suggested that any special treatment to this institution would create awkward precedents if others also applied to Govt. for aid with similar conditions and that it ~~is~~ would be difficult to justify the suggestion of the management to grant exemption from the payment of fees by the students, as it ~~will~~ would favour only a particular body of students, without reference to their economic conditions. Finance however advise that the proposal may be deferred in view of the present financial stringency. As the subject of basic education is becoming more and more important nowadays, it is for orders whether this Department may press their proposal for making recurring and non-recurring grants to the management of the Training College to be started at Perianaickenpalayam, making necessary provision for the same under Part II of the budget for 1950-51. As regards the non-recurring grant, the limit of Rs.75,000/- may not be applied to this college, as this is an institution of a special nature. It is for orders whether the non-recurring grant for this college may be Rs. 1.5 lakhs as already suggested by this Department. Orders are also requested as to what the recurring grant to this college should be, i.e. whether it should be a full grant, i.e., Rs.20,000/-, or whether it should be only a half grant i.e Rs.10,000/-. The file may now be circulated to H.M.(Edn.& Law) and H.M.(Fin) for orders on A, B & C above.

HM(Edn)

HM(Fin)

The College which is proposed, aims at providing distinctive features.

(1) Basic Education: It may be noted that our policy and plans for Basic Education so far is only in

respect of elementary schools. We therefore do not want Graduates trained in Basic methods, as they cannot be appointed to these schools.

(2) Study of Tamil against its religious and cultural background: I doubt whether the Government could agree to religion being made part of the study of the language. In any case, if this is done, the school will have to be confined only to adherence of one religion, which is not consistent with the declared policy of Government that schools will be open to all communities and faiths. In this connection, it may be noted that we are pressing that Pachaiyappa's College should amend its constitution to allow non-Hindus to join it, if it desires to continue to get grants from Government.

(3) ~~In~~ Integration of Geography, History and Civics into a single subject called 'Social studies': This cannot be a special feature because we have already introduced social studies in our general curriculum and will provide if we have not done so already for it in the curriculum of the Training Colleges. In the circumstances, we cannot recognise any exceptional character of the College and can only offer the usual conditions of grant, i.e. half grant subject to a maximum of Rs.75,000/- for Building and half the net cost recurring.

H.M.(E.& L.) As we have two or
H.M.(Fin.) 3 other aided Training Colleges and as others also have applied it will not be desirable to show any special Consideration. We need not mind about the subjects of study. It is for the University. If they grant application A above can be done & Chettiyar may be told to

SECRETARIAT GEN. AND P.H. DEPT. DEC 1949 GOVERNMENT OF MADRAS

E.& P.H.(G.2)

Please see the orders in circulation on p.8 ante. In respect of the other five training Colleges proposed to be opened in 1950-51 by private managements, the proposal is to make a two-thirds grant towards their recurring cost. No building or equipment grant is proposed to be paid to those training colleges, as they are intended to be attached to the existing Arts Colleges, Secondary schools. In this case it is proposed to make recurring and non-recurring grants - i.e. teaching grant and building grant. No special consideration is proposed to be shown to the management of the Ramakrishna Mission Vidyalaya in the matter of grants to the Basic Training College to be opened by them at Perianaickenpalayam. The usual teaching grant on half-grant basis and the building grant on half-grant basis, subject to the maximum of Rs.75,000/- are to be made to the college. On this basis, a draft Part II Note is submitted for approval. May be sent to Finance for acceptance of the Part II Note.

[After issue of the Part II note, action will be taken to inform Sri. Annasi-lingam Chettiar, as ordered by HM (E+L) at R on p.8 ante]
