Sir,

Sub: BUDGET ESTIMATE - 1950-51 - Education Elementary -
North Arcot District Board - Subsidy for payment of
Dearness allowance - Sanction - Requested.

Ref: G.O.No.Ms.957, Education dated 23.3.1950.

.....

1. While approving the Budget of the Elementary Education Fund of the North Arcot District Board, the Government were pleased to state that orders would be issued separately as to how the deficit should be avoided after the closing on 31.3.1950 is known. In this connection the following are represented to Government for favour of consideration.

2. In Pdl.No.208-48 dated 6.3.1950 the Collector of North Arcot ordered the recovery of a sum of Rs.51,364/- being the excess Education Tax adjusted to the credit of the North Arcot District Board for fasli 1358. As the financial position was already in deficit, the Government were addressed for instructing the Collector to effect the recovery in April and May 1950. Accordingly orders were issued in Memo 3093-G-50-2 Edn. dated 23.3.1950. Therefore, this amount will be adjusted by the Collector towards the recovery and even the monthly Education Tax receipts will not be credited to District Board account during April and May 1950. The advance grant for compulsory education will usually be announced by the Government by about the month of July each year. Thus there is no other item of receipt in the Elementary Education Account to enable the Board to disburse the salaries of Teachers till July or August 1950. Under these circumstances, I request that the Government would be pleased to sanction an advance grant of Rs.2,00,000/- at least to meet the cost of dearness allowance. For the year 1949-50, a grant of Rs.2,94,000/- was sanctioned by the Government in G.O.2763-A. Education dated 2.9.1949 for dearness allowance only. For the year 1950-51, the amount required for the payment of dearness allowance as per the budget is 5,75,420/- Therefore at least a sum of Rs.2,00,000/- may kindly be sanctioned as an urgent measure.

Sir,

Sub: BUDGET--1950-51--North Arcot District Board--Elementary
Education--Advance subsidy to meet the cost of dearness
allowance--Sanction of--Requested.

Ref: This office letter Roc.H4.33306-49 dated 7.4.50.

ooOoOoo

In my letter cited above the Government were requested to sanction an advance subsidy of Rs.2,00,000 for the present to meet the payment of salaries of masters. As already stated in my letter referred to above the monthly advances of Education Tax for April and May 1950 will be adjusted by the Collector towards the recovery of excess payment made for fasli 1358. The Government grant payable for schools opened prior to and after 1.4.1921 has not yet been announced by the Government. As regards cost of compulsory Education the Board has spent in excess during 1949-50 and final grant will have to be adjusted only after particulars are called for by the Director of Public Instruction, Madras, which will usually be in June each year. Similary advance grant for 1950-51 for compulsory education will also be sanctioned only about that time. In these circumstances the District Board has not other item of receipt to meet the payments in May and June.

As the cost of payment of dearness allowance as per the budget for the year 1950-51 as approved by the Government is estimated to be Rs.5,75,420/- I request that the Government would be pleased to sanction an advance grant of at least Rs.2,00,000 as a part payment so that there may not be clamour from the Elementary School teachers.

Roc.H4.33306-49 dated 27th April 1950.

Dear Sir,

Sub: BUDGET--Elementary Education Fund Account--North
Arcot District Board--Subsidy for dearness allowance
Sanction of requested.

0000000

1. The Budget Estimate for the Elementary Education Fund Account for the year 1949-50 for this District Board as approved by the Government in G.O.No.Mis.913, Education, dated 29.3.1949 was anticipated to close with a deficit of Rs.5,84,000/- But as the Government were pleased to sanction the subsidy of Rs.2,94,000 and as strict economy was observed, the expenditure was reduced to a great extent and the deficit was reduced to Rs.40,000/- This was represented to the Government in my letter No.33306-49 dated 3.3.50 with a request to grant a final subsidy of Rs.40,000/- to tide over the difficulty at the end of the year 1949-50. This was not sanctioned and the District Board was required in Government Memorandum No.3093-C-50 dated 23.3.50 to report the closing balance as on 31.3.50.

2. While this was the position, the Collector of North Arcot, stated in his letter No.Pd1.204-48 dated 6.3.50 that a sum of Rs.51,364/- was adjusted in excess towards the Education Tax for Fasli 1358 and wanted the District Board to refund it. As this was a heavy amount it is being adjusted in two instalments in April and May 1950 from the monthly Education Tax payable after the 15th of each month. The grant payable under proviso to section 37 of the Elementary Education Act for the year 1950-51 has not also been sanctioned. On account of this, there is practically no receipt in the Elementary Education Fund during these two months though a sum of nearly Rs.1,15,000/- is required every month for the payment of salaries of masters.

3. A grant of Rs.88,518/- was sanctioned in G.O.No.Ms.1205, Education, dated 15.4.50 being the equivalent grant under section 37 of Elementary Education Act. This was hardly sufficient to pay the salaries of masters for March 1950. The shortage was made up by temporary diversion from General Funds. Under these circumstances the disbursement of salaries was delayed with the result that there is all round loud clamour from the teachers.

4. While approving the Budget for 1950-51 the Government in their Order No.Mis.957, Education, dated 23.3.50, stated that the rate of Education Tax might be enhanced from 24 to 36 pies and that orders to meet the further deficit would be issued separately. According to this approved budget the cost of dearness allowance alone comes to Rs.5,75,420/-. Even after taking additional credit on account of enhancement of rate of Education Tax and enhancement of rate of equivalent Government Contribution it was observed in the above G.O. that there would be a deficit of 3.68 Lakhs.

5. There is no credit at all in the Elementary Education Fund Account. There will be no item of receipt under this account during April and May 1950, for reasons explained in paragraph above. The District Board has spent more than the amount received as grant for Compulsory Education during 1949-50 and the final grant for the year 1949.50 and the advance grant for 1950-51 will be sanctioned, usually by the Government only by about July 1950 or after the receipt of the consolidated report from the Director of Public Instruction. Under these

under these circumstances a part subsidy of Rs.2,00,000/- to meet the cost of dearness allowance may kindly be sanctioned immediately as already represented in my letter No.Roc.H4. 33306-49 dated 7.4.50. The Government were pleased to sanction similar subsidies in the previous years from 1944-45 onwards. If the grant is not sanctioned in time the Board may not be in a position to disburse the salaries for April 1950 and consequently I fear there will be loud clamour by the teachers and criticisms by the public. I, therefore, once again request that the Government be pleased to issue very early orders in the matter.
