S i r, Sub: BASIC EDUCATION - Equipment grants to aided training schools converted into Basic Training Schools - Payment during 1950-51 - Provision for - Part II Schemes.

It is expected that about 10 aided training schools will be converted into Basic Training Schools in July 1950 with the personnel that will be re-trained in Basic Education in the Basic Training Schools at Perianaickenpalayam and Pentapadu during 1949-50. Therefore it will be necessary to provide for payment of craft equipment grant at the rate of Rs.2,000/- for each Basic Training School converted. Hence I request that Government may be pleased to provide a sum of Rs.20,000/- towards payment of craft equipment grant to aided training schools converted into Basic Training Schools for 1950-51.

2. I am including the necessary provision under Part II schemes in the Budget Estimate for 1950-51.

EXPLANATORY NOTE.

Under the scheme of basic education, ordinary training schools under private managements are being converted into basic training schools gradually.

The Director of Public Instruction anticipates, that ten aided training schools will be converted into basic training schools in 1950-51 and that grant towards the purchase of craft equipment, will have to be paid from provincial funds to these schools, in that year. The rate of grant has been estimated at Rs. 2,000 per school. For the ten schools the total cost works out to Rs. 20,000.

The Director suggests that the provision required for the purpose may be made in the Budget Estimate for 1950-51. This department accordingly recommends that necessary provision may be included in the Budget Estimate for 1950-51, as indicated in the summary at the top.

The Finance Department have, however, noted on the proposals as follows :—
 “ This is a Post-War Reconstruction scheme. As the Government of India have intimated that no Post-War Reconstruction grant will be given in 1950-51, the Finance Department suggests that this scheme may be postponed.”

Sub:- Basic Education - Equipment grants to aided training schools converted into Basic Trg. Schools - Proposals - Part II scheme for 1950-51.

Read:- From Mr D.P.S No. 1147- M/49 dated 5.10.49.

The Director has submitted proposals for the payment of craft equipment grant ^{during 1950-51} to the ten aided training schools that will be converted into Basic Trg. schools in July, 1950. The rate of grant has been estimated at Rs 2,000 per school for a financial year. For the ten training schools, the total cost comes to Rs. 20,000. The Director recommends that necessary provision for this expenditure may be made under Part II of the B.E. for 1950-51. Since the proposals are intended to ^{accelerate} spread the scheme of basic education, there may be accepted.

Finance may see prior to circulation.

Part II Scheme for 1950-51.

E. & P. H. recommend that a sum of Rs 20,000 may be provided in the Part II of the Budget for 1950-51 towards payment of craft equipment grant to 10 aided training schools that will be converted into Basic Training Schools in July 1950.

This relates to a Post-war Development Scheme. The Government of India have intimated that they are not likely to give any grant for Post-war Reconstruction Schemes in 1950-51. It is therefore,

essential that no additional expenditure on Post-war Reconstruction Schemes should be undertaken next year and that if possible even the existing scale of expenditure should be reduced. In view of the decision of the Government of India, this department would suggest that this be postponed.

If, however, this is to go forward, the following may be added as Finance Department's note to the E.P.H.'s Part II Scheme note:-

"The Government of India have intimated that they are not likely to give any grant for Post-war Reconstruction Schemes in 1950-51. The Finance Department therefore recommends that this scheme be deferred."

(The training of the teachers will not be wasted, if the scheme is deferred for a year.)
E.P.H. propose to take orders in circulation now. as to whether this must be considered as a Part II Scheme for 1950-51. The question of whether a separate Finance note may be considered after orders are issued in circulation.
