No. 3/73/SB/6, dated 10th April 1950.

Sir,

Sub: Government Press - Establishment - temporary -
additional staff for work connected with the
scrutiny and check of printing bills received
from the Collectors.
Ref: Memorandum No. 2136-E/50-2, dated 29th March 1950.

I submit that the estimated cost of printing work done at private presses is Rupees 26½ lakhs which consists of five lakhs of printed pages. The quantity of paper consumed is about 800 Tons. This huge work would dislocate the normal work in the computing section. It is therefore considered necessary to form a separate section for the scrutiny of the above bills under direct supervision of the Senior Computer. The Senior Computer whom I propose to deal with the scrutiny of printing bills on account of Electoral Rolls is already drawing Rs 115/- in the scale of Rs 90-150/-. The grade of Rs 120-170 proposed for this work is similar to that of Top Senior Foreman existing in this Press. Taking into consideration the additional responsibility involved and the amount of expenditure involved, the scale recommended for the post appears to be reasonable for the contented discharge of the duties involved. I therefore request the scale may be sanctioned.

Additional staff for work connected with the
scrutiny and check of printing bills received
from the Government.

I submit that the estimated cost of printing work done
at private presses in Madras is about Rs 800,000 per annum.
The quantity of paper consumed is
about 800 tons. This huge work would require the usual work
in the printing section. It is therefore suggested that
to form a separate section for the scrutiny of the above bills
under direct supervision of the Senior Computer. The Senior
Computer when I propose to deal with the scrutiny of printing
bills on account of Electoral Rolls is already drawing a salary
of Rs 120-170. The grade of Rs 120-170 is already
in the scale of Rs 120-170. The grade of Rs 120-170 is
for this work is similar to that of Top Senior Foreman existing
in this Press. Taking into consideration the additional
responsibility involved and the amount of expenditure involved,
the grade recommended for the post appears to be reasonable for
the concerned discharge of the duties involved. I therefore
request the need to be sanctioned.

Edm. No. 2136 E/50

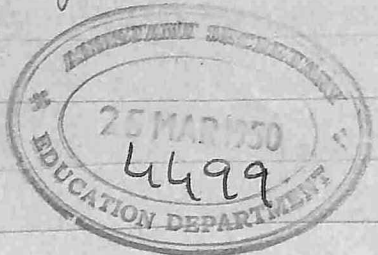

21.3.50

In connection with the printing of
preliminary Electoral Rolls under the New Constitution,
the Govt sanctioned among other things,
three posts of computers on Rs 120-170, 90-150

Finance (Edm)

and Rs 45-85 respectively, for a period of 6 months from 1-4-49 or earlier till the completion of the valuation, counting and check of printing bills received from the collectors. The S.G.P. has now stated that he is going to fill up these posts from 1-4-50, and has requested the sanction of the Govt for the same, presumably because the sanction accorded in the G.O. No. 793 Edn of 19-3-49 ^{has already} ~~is~~ lapsed. In the circumstances explained by the S.G.P. at 'A' on p. 1 of Finance may agree to the proposal of the S.G.P. at 'B' on p. 1 of, subject to the following remark. There are no posts of Computers on Rs 120-170 as prepared by the S.G.P. ^{and agreed to previously} Edn. Deptt. may therefore be requested to consider whether it will not be enough if this post is also sanctioned on the scale of Rs 90-150 admissible to ^{Head} Computers. If however any new post is to be created on a higher scale, Edn. Deptt. may be requested to justify the necessity for the same in greater detail.
