Sub:--Colleges--Government College, Coimbatore
B.A. (Pass) Degree Course--Groups VIII-(b)
and (e) Geography.

The recent revision of the syllabuses in Geography for the B.A. Course has made it obligatory for the Government College, Coimbatore to provide for Groups VIII -(b) Geography and Economics and VIII -(e) Geography and Mathematics. The College has already been affiliated in all the subjects, but only additional staff is necessary to provide for the groups. There is no need for additional staff in Geography and Economics. For Mathematics additional Staff should be employed. It is reported that even at present tutorial work is not done in Mathematics Department for want of a Tutor. There should be tutorial work in the subject. With the starting of Mathematics subsidiary in Group VIII (e), the total work in Mathematics Department will be 44 hours of teaching, 8 hours of tutorial work and the valuation of 223 exercise books per week. The existing staff of 1 Lecturer and 2 Assistant Lecturers will not be inadequate. An additional Staff of 1 Tutor and 1 Assistant Lecturer should be employed i.e. Tutor from 1950-51 and Asst. Lecturer from 1951-52. In the circumstances I request sanction for the employment of an Additional Staff of 1 Tutor and 1 Assistant Lecturer in Mathematics in the College. The cost of the proposal is indicated below.

R.O.C.No. 1355-K2/49 dated 1st October, 1949.

Sir,

GOVERNMENT ARTS COLLEGE, COIMBATORE--Starting of
new courses in 1950-51.

In connection with Part II of the Budget Estimate
for 1950-51, I submit proposals for the starting of the
following courses of study in Government College, Coimbatore,
from July 1950.

- i. B.A. Zoology (Main and Subsidiary)
- ii. B.A. Botany (do. do.)
- iii. B.A. Part II - Hindi
- iv. Intermediate Group D. - Tamil.

2. The college provides instruction at present in group
(i) Mathematics and Group viii Geography for the B.A. and also
B.Com. course. The Principal points out there is a great demand
for B.A. Zoology and Botany as students who pass their
Intermediate with Natural Science have to go to far off places
to continue their studies as the provision of these courses
in the Government Victoria College, Palghat, for which pro-
posals have been submitted separately will not be adequate.
The Principal states that it is possible to start these
courses in the accommodation available even when the senior
classes are opened and that due to the abolition of the local
Government High School, the furniture and some equipment that
could be made use of for fitting up the laboratory has been
secured. As there is a real need to provide for the students
who have taken Natural Science in the Intermediate, I
recommend that the starting of B.A. Zoology and Botany (Main
and subsidiary) may kindly be sanctioned. Twenty four students may be
admitted for each of the courses.

The staff and non-recurring expenditure that may be
required will be as follows:-

1950 - 1951.

1. ZOOLOGY.

Non-Recurring:

Laboratory equipment	..	Rs. 12,000/-
Books	..	2,000/-

Recurring:-

1 Assistant Lecturer
1 Demonstrator
1 Museum Assistant
1 Attender
1 Peon.

2. BOTANY

Non-Recurring:-

Laboratory Equipment	..	8,000/-
Books.	..	1,000/-

Recurring:-

1 Lecturer
1 Demonstrator
1 Herbarium Keeper
1 Attender
1 Peon
1 Gardener

1951 - 1952.

Zoology: 1 Assistant Lecturer
1 Demonstrator

Botany: 1 Assistant Lecturer
1 Demonstrator

At present the post of Principal of the College is a supernumerary one and when the college is affiliated in Zoology, the Principal will be the Senior Lecturer in the subject. The present Principal is due to retire by superannuation in August 1950, and assuming that he will be retained till the end of the academic year 1950-51, there will be a need for a M.E.S. post in Zoology in 1951-52 in place of the Assistant Lecturer created in 1950-51.

3. The College is affiliated in Hindi under Part II of the Intermediate only. In order to provide for these students who continue their B.A. courses in the college it is necessary to affiliate the college in Hindi under Part II of the B.A. also. An additional Hindi Pandit will be required.

4. With effect from 1948-49 the college is affiliated in B.O.L. (Pass) Tamil. This class however could not be opened during 1948-49 and the current year for want of applicants. Under University Regulations, candidates for the B.O.L. shall be required to have passed the Intermediate Examination with Group D or any examination accepted by the University as equivalent thereto. In order to attract candidates for the B.O.L. course, the starting of Gr. D Tamil in the Intermediate is essential and I request that Government may kindly sanction the starting of the course. An Assistant Lecturer in the first year and a Pandit in the Second year will be required. About 15 students may be expected to take the group.

5. The financial implications of the above proposals are indicated below:-

Explanatory Note.

The D.P.I. has proposed the opening of the following courses in the Govt. College, Coimbatore, with effect from the academic year 1950-51:-

- (i) B.A.Zoology (Main and Subsidiary)
- (ii) B.A.Botany (Main and Subsidiary)
- (iii) B.A.Part II Hindi and
- (iv) Intermediate Group D -Tamil.

2. Items (1) and 2 above.

The college provides at present instruction in Group (i) Mathematics and Group (viii) Geography for the B.A. in addition to the B.Com. courses. The Director states that there is great demand for B.A.Zoology and Botany, as students who pass their Intermediate with Natural science have to go to far off places to continue their studies. Twenty four students are to be admitted to each of the course.

3. Item (3) in para 1 above.

The Director states that the college is affiliated in Hindi under Part II of the Intermediate only. In order to provide for the students who want to take Hindi under Part II in their B.A. course also, the Director recommends that the college may be got affiliated in Hindi under Part II of the B.A. course.

4. Item (4) in para 1 above.

The Director states that with effect from 1948-49, the college is affiliated in B.O.L.(Pass) Tamil but that the class could not be opened until now for want of applicants. Under University Regulations, candidates for the B.O.L. are required to pass the Intermediate Examination with Group D or

any examination accepted by the University as equivalent thereto. The Director states that in order to attract students to the B.O.L. course, the opening of Group D-Tamil in the Intermediate is essential and accordingly requests the Govt. to sanction the opening of the course.

5. The Finance Department are against the above proposals in view of the present financial stringency.

6. The Director has also proposed the employment of a tutor in 1950-51 and an Asst. Lecturer in 1951-52 for the Mathematics classes in the college in order that Tutorial work may be done in the Dept. and in order to cope with the additional work created as a result of the opening of VIII (e) Geography and Mathematics following on the recent revision of the syllabuses in Geography for the B.A.Course. 2./According to the latest instructions issued in Finance Memo No. 57293-A/PWR-3, dated 12th October 1949, only proposals which will involve very little recurring expenditure and which are considered to be really and immediately essential for the proper running of any department should be considered in connection with the part II Schemes for 1950-51.

Proposal 1 on page 2 above. It is stated by the Director of Public Instruction that the recent revision of the syllabuses in Geography for the B.A. course ~~xx~~ has made it obligatory for the Government College, Coimbatore to provide for this group. The additional staff of one Tutor during 1950-51 and one Assistant Lecturer during 1951-52 proposed, is for mathematics. ^{As the new course is not to be started} This department may agree to the employment of one Tutor during 1950-51.

As regards the Assistant Lecturer proposed for 1951-52 ^{(this Dept. may suggest that the} that proposal may be brought forward ^{during the course of next year} as a Part II Scheme ^{obtaining information regarding} for 1951-52 after setting out the distribution and hours of work for each of the teaching ~~of the~~ staff in mathematics.

Proposal 2 on page 2 above. The introduction of the new courses as proposed by the Director of Public Instruction in the Government College, Coimbatore from July 1950 involves considerable extra expenditure. Though it is desirable to open new courses, the present financial stringency cannot permit of any new expenditure being incurred. The present proposal is neither imperative nor immediately essential for the proper running of the department ~~under~~ and Finance Department may advise that this may be deferred.

If E. & P.H. wish to proceed ^{with} this proposal, they may be requested to take specific orders in circulation including H.M. (Fin) whether this may be brought forward as a Part II Scheme for 1950-51. ~~x~~

(Pre. Finance note on p. 5 above)

The draft order below may be accepted subject to the following remarks. The provision for the pay and allowances of the Gardener has been included under other office contingencies in the part 2 scheme etc. and as he is ^{member} ~~not~~ from contingencies. It seems necessary to delete the entry relating to Gardener on p. 1 of the draft order and to show ^{the item} it as a separately para at the end. Just below para 3 herein. (necessary provision has been included in the B & for 1950-51)
