The D.P.G. expects that four basic training schools may be newly opened by private agencies during the year 1950-51 and that ten more ordinary training schools under private management may be converted into Basic Tq. Schools in that year. By conversion of these schools into basic schools, stipends at the rate of Rs 18/- a month, for training grants will have to be given to the management concerned. The Director therefore suggests, that a provision of Rs. may be made in the B.E. for 1950-51, towards the payment of stipendiary grants

In the case of new school stipends may have to be granted to candidates as 12 paise a month in the case of school to be opened

as follows:-
" This is a Post-war Reconstruction scheme. As the
Govt. of India have intimated that no Post-war
Reconstruction grant will be given in 1950-51, the
Finance Dept., suggests that this scheme may be
postponed. H. N. (Fin) has minuted that this scheme
may be considered though not accepted finally."

Explanatory Note.

The Director of Public Instruction expects that four Basic Training Schools may
be newly opened by private agencies during the year 1950-51 and that ten more
ordinary Training Schools under private managements may be converted into Basic
Training Schools in that year. In the case of new schools stipends may have to be
granted to candidates as Rs. 18 each a month. In the case of schools to be opened
by conversion the rate of stipends has to be increased from Rs. 12 a month to
Rs. 18 a month per trainee; grants will have to be given to the managements
concerned towards the expenditure on stipends. The Director therefore suggests
that provision may be made in the Budget Estimate for 1950-51, towards the
payment of stipendiary grants to the above fourteen institutions. This Depart-
ment accordingly recommends that provision for the purpose, may be included in
the Budget Estimate for 1950-51, as indicated in the summary at the top.

The Finance Department have however noted on the proposals as follows:—

" This is a Post-war Reconstruction Scheme. As the Government of India
have intimated that no Post-war Reconstruction grant will be given in 1950-51, the
Finance Department suggests that this scheme may be postponed. The Hon'ble
Minister (Finance) has minuted that this scheme may be considered though not
accepted finally."

Sub:- BASIC TRAINING SCHOOLS TO BE OPENED IN 1950-51
by Private Agencies - Provision of funds -
Stipendiary grants - *Part II scheme*

The D.P.I. anticipates that 4 Basic Training Schools may be newly opened by private agencies during the year 1950-51 and ^{these} 10 more training schools under private managements will be converted into Basic Training Schools in that year. On conversion of these schools into Basic schools, stipends at the rate of Rs.18/- a month (instead of 12 at present) should be paid to each of the candidates who may be admitted for training in these institutions in 1950-51. The Director suggests that a provision of Rs.1,61,300 may be made in the Budget for 1950-51 for the payment of stipendiary grants to these institutions. In view of the fact that the Govt. are anxious to see that Basic education is introduced as quickly as possible the proposal of the Director may be accepted.

The file may be sent to Finance for remarks.

Finance (B.E.II)

PART II SCHEME FOR 1950-51.

Stipendiary grants to Basic Training Schools -
Provision of Rs 1,61,300.

E. & P.H. recommend that a sum of Rs 1,61,300 may be provided in Part II of the Budget for 1950-51 towards payment of stipendiary grants to 14 Basic Training Schools that will be opened by private agencies during 1950-51.

This ^{relates} ~~relates~~ to a Post-war Development Scheme which will have to be slowed down with reference to the refusal of the Government of India to give us grants for Development Schemes during next year. This department may, therefore, suggest that the opening of new Basic Training Schools may be deferred and that no provision need be made for fresh stipendiary grants during next year.

(This Dept. has also suggested that the proposal
