Station MADRAS, Dated the 24th March 19 50

From (Name) .....  
 (Designation) DIRECTOR OF PUBLIC INSTRUCTION, Madras.

To The Secretary to the Government of Madras,  
 EDUCATION Department.

Sir,

There is at present no uniformity in the matter of payment of remuneration to the clerical staff in the Government Colleges for the maintenance of the accounts of the several quasi-public funds, in the College, like the games fund, the Visual Education Fund etc. The rate of remuneration paid varies from less than 1% of the total collections in the quasi public funds to as much as 10% in some cases. It is not desirable to have such varying rates when the nature of work in all the cases is the same. I consider therefore a uniform rate, consistent with the amount of work involved should be fixed.

I suggest that Government may

remuneration at 2% of all the total collections in all the funds put together subject to a maximum of Rs.250/- per annum to the clerk who maintains the accounts.

2. I also request that Government may be pleased to authorize me, subject to the above condition, to permit clerical staff in the Government Colleges to undertake the maintenance of quasi-public funds connected with the institution and to receive the admissible remuneration <sup>as</sup> Without a reference to Government as at present in as much as the work is of a permanent nature and affects all colleges.

Sub: Colleges - Govt. - Maintenance of quasi public

staff.  
From the D.P.G. No. 1348 Ag/49 d. 24-3-50.

At present cases in which  
clerical staff in Govt. colleges have to be paid  
remuneration for maintaining the accounts  
of several quasi public funds relating  
to colleges such as the games fund, vidual  
edu. fund, etc. are subd. to the Govt. for  
sanction by the D.P.G. there is also no uniformity  
in the rates of remuneration paid to the clerks.  
The Director considers that a uniform rate should  
be fixed and suggests that the remuneration  
maybe fixed at 2% of the total collection in  
all the funds put together subject to a  
maximum of Rs 250/- p.a. to the clerk who  
maintains the accounts. He also requests that  
he maybe authorised, subject to the above  
condition, to permit the clerical staff in Govt.  
colleges to undertake the maintenance of the  
accounts relating to the funds and to receive  
the remuneration therefor. The Director's proposals  
may be accepted, as it will reduce the working  
of the ~~edu. & f.~~ Secretariat on relatively  
unimportant items. The file maybe sent to Fin. Secy.  
for remarks.

RC.No. 1348 A4.c6/49 dated 12-3-1951.

Sir,

SUB: Fundamental Rules--Government Colleges--Maintenance of Quasi--Public Fund accounts--Exclusion of Hostel Funds from the quasi-public funds referred to in G.O.Ms. No. 1377 Edn. dated 22-4-1950

REF: G.O. Ms.No. 1377 Edn. dated 22-4-1950.

V  
I have the honour to report that the remuneration now payable to the clerical staff for the maintenance of accounts of the quasi--public funds in Government Colleges is 2% of the total collections in all funds put together, subject to a maximum of Rs. 250/-. If two or more persons are assigned the work of maintaining the accounts of the various funds, the total remuneration as calculated above has to be divided equally among them. In certain cases where the hostel has a few inmates and the hostel funds do not permit the appointment of full-time clerks for maintaining the hostel accounts, it is not possible to secure the services of part-time clerks for the purpose, as the remuneration is not encouraging. I, therefore, suggest that the Hostel funds may be excluded from the quasi-public funds for purposes of payment of the remuneration referred to in G.O.Ms. No. 1377 Edn. dated 22-4-1950 to enable the Principals to Colleges to utilise the services of the clerical staff to maintain the accounts of the Hostels attached to the Government Colleges, without detriment to their normal official duties. I also request that Government may be pleased to authorise me to permit clerical staff in the Government Colleges to undertake the maintenance of the accounts of the Hostels funds connected with the institution and to receive a reasonable remuneration to be sanctioned by the Director consistent with its funds in cases where it is not absolutely possible to appoint separate full-time clerks for the hostel.

Yours faithfully,

Government Servants' Conduct Rules- Government Colleges  
Maintenance of Quasi-Public fund accounts - Remuneration  
to Ministerial Staff-Enhancement.

G.O. No. 1377 Edn dated 28-4-50. - pp 3-4 of (2)

I have the honour to state that in the G.O. cited above  
Government are pleased to approve the proposal to fix a uniform rate  
of remuneration at 2% of the total collections in all the funds put  
together subject to a maximum of Rs. 250/- per annum to the clerk  
who maintains the accounts of quasi-public funds in Government  
Colleges. In certain colleges where the collections are large the  
Principals have to assign the work of maintaining the quasi public  
fund accounts to two or more clerks. If the total remuneration  
is to be limited to Rs. 250/- and in case it has to be shared by  
two or more clerks it will be a hardship considering the volume of  
work involved as each would be getting only a small amount. I  
therefore suggest that the limit of remuneration fixed at Rs. 250/-  
in the G.O. referred to above may be lifted so that the clerks who  
maintain the quasi public fund accounts in big colleges like the  
Presidency College, Madras where the quasi public fund collections  
are large and where the maintenance of accounts of such funds  
has to be entrusted to two or more clerks may get a remuneration  
at the rate of 2% of the collections of the said funds.
