S i r,

Sub: MADRAS EDUCATIONAL SERVICE - (Women's Branch) - Recruitment (By Transfer) - Estimate of the number of candidates to be selected during 1950--1951.

@@@@

Consequent on the sudden demise of Srimathi S.B. Israel, Inspectress of girls' schools, I Circle, Rajahmundry on 15-12-49, one permanent vacancy arose in the Administrative Section of the Women's Branch. The following offi œrs in the Administrative Section of the Women's Branch will retire during the year 1950-51:-

DR.	1. Miss A. Ittyerah	..	22-3-1950.
Tr.	2. Mrs. M.L. Small	..	18-5-1950.
	3. Mrs. G. Sankunni	..	5-8-1950.
DR.	4. Miss D. Frank	..	22-8-1950.
	5. Mrs. A. Suares	..	20-10-1950.
Tr.	6. Miss E. Hendrick	..	18-1-1951.
	7. Mrs. C.O. Jeevarathnammal	..	15-4-1951.
DR.	8. Miss M.A. Dweltz	..	30-4-1951.

Consequently eight permanent vacancies will arise during the year 1950-51 apart from the vacancy of Srimathi S.B. Israel. In this connection, kind attention is invited to Government Endt. No.73983-A.6 Edn., dated 16-12-1949 and it is submitted that the vacancy that will occur on the retirement of Srimathi A. Ittyerah has been taken as the first vacancyand reserved to be filled by direct recruitment. The next three vacancies, viz., the vacancies of Mrs. M.L. Small, Srimathi G. Sankunni and Miss D. Frank have been reserved for transfer. The fifth vacancy, viz., Mrs. A. Suares' vacancy - again, has been reserved to be filled by direct recruitment. Hence the next three vacancies viz., the vacancies of Srimathi S.B. Israel, Miss E. Hendrid and Srimathi C.O. Jeevarathnammal have to be reserved for transfer, under rule 2(d) of the Special Rules for the Madras Educational Service. The ninth vacancy has to be filled by direct recruitment. Kind attention is invited to copy of letter No. 73983-A-10 Edn., dated 2-2-1950 and it is submitted that proposals are already under consideration for the transfer under rule 2(c) of the Special Rules for the Madras Educational Service, of a Kindergarten Lecturer in the Professional Section of the service, as Superintendent in the Administrative Section of the Service, and also for the appointment as Superintendent, in relaxation of the relevant rules, of a Government sponsored scholar who has returned to India after completion of her studies abroad. If these proposals are accepted, the order of rotation of vacancies in the Madras Educational Service (Women's Branch) Administrative Section will change.

There are no candidate s in the approved list for appointment by transfer to the Madras Educational Service. The following officers are now working under emergency provisions in the Madras Educational Service (Women's Branch) Administrative Branch:-

1. Srimathi N. Stephen.
2. " S. Bhagyam.
3. " O.K. Savitri.
4. " L. D'Souza.

It is desirable to have atleast three more names in the approved list for filling leave vacancies that may occur in the course of the year. Hence I recommend that the number of candidates to be selected for vacancies which will arise during 1950-51

may be taken as eight in the Administrative Section of the Madras Educational Service (Women's Branch) (Inspectresses 4 and Superintendents 4) and included in the estimate of vacancies.

Collegiate Section.

The question of framing ad-hoc rules for the post of Lecturer in Nutrition is still under consideration - vide G.O. Ms.No.2217 Edn., dated 9-7-1949. Hence this post need not be taken into account now. There are two temporary posts of Lecturers in Tamil in the Queen Mary's College, Madras. One temporary post has already been included in the estimate of vacancies by transfer during 1949-50 in the Government letter No.12176-A-2 Edn., dated 7-4-1949. But the question of framing ad-hoc rules for the posts of Lecturers in Tamil is still under consideration. Hence the second post need not ~~be~~ now be taken into account.

Srimathi M. Lakshmi Ammal, Principal, Lady Willingdon Training College, Madras, will retire from service on 12-4-1951. The question of appointing a substitute in her place has not yet been taken up. It is not known at this stage whether the vacancy will be filled by direct recruitment or by transfer and in what subject the resultant vacancy will arise. In the approved list of candidates considered suitable for appointment to the Madras Educational Service (History Unit), there are already two names which are mentioned below:-

1. Srimathi C.P. Kamakshi Amma.
2. " L. D'Souza.

As no vacancies are expected to arise in the posts of Lecturers in History during 1950-51, the estimate of the number of vacancies may be taken as Nil.

Professional Section.

The post of Woman Specialist in Physical Education has been reserved to be filled by direct recruitment - vide Government Memo No.73983-A.6 Edn., dated 16-12-1949. In regard to the post of Lecturer in Kindergarten, Government have already been addressed to keep it in abeyance (vide my letter R.C.No. 1363 K2/49 dated 24-1-1950). Hence the estimate of the number of vacancies under this class is Nil.

In the circumstances stated above, the estimate of vacancies to be filled by transfer in the Madras Educational Service (Women's Branch) during 1950-51 is as follows:-

1. Administrative Section	-	Inspectresses - 4 posts. Superintendents 4 "
2. Collegiate Section	-	NIL.
3. Professional Section	-	NIL.

CL. No. 15/50, Dated the 1st of ~~February~~ March 1950.

Sir,

Subject:- Madras Educational Service - Recruitment by Transfer - 1950-51 - Estimate of the number of candidates to be selected Men's Branch - Submitting.

***

WITH reference to paragraph 15 of G.O. No. 751 Public (Services), dated 24th March 1948, I submit the following report in regard to the number of candidates to be selected for recruitment by transfer to the Madras Educational Service (Men's Branch) for the year 1950-51:-

2. A. ADMINISTRATIVE SECTION - Men's Branch:

(i) Class II - Category 3 (Personal Assistant to the Director of Public Instruction): The present incumbent of the post, Sri N. Subramania Ayyar, has been declared to have satisfactorily completed his probation in the Madras Educational Service. It is not likely that he will avail himself of any leave during 1950-51. If any unexpected vacancy arises in this category it may either be filled by the transfer of a District Educational Officer or preferably by the temporary appointment of a Superintendent of my Office as suggested in paragraph 2 of the Government Endorsement

Endorsement No. 12176 A.3 Edn., dated 7th April 1949. Hence there is no need to select any candidate for this category - this year.

(ii) Category 4 - (District Educational Officers):

With reference to the Estimate of vacancies for the years 1948-49 and 1949-50 it is proposed by Government to include the following 8 candidates in the "Approved List" for the category of District Educational Officers--Vide Government Confidential Memorandum No. 12176/49-A.11 Edn., dated 6th February 1950.

1. Sri K. Venkatanarayana Rao.
2. Sri A. Viraraju.
3. Sri H. Rama Rao.
4. Sri M.K. Ramunni.
5. Janab Muhammad Mahboob Ali.
6. Sri T.V. Venkataraman.
7. Sri G. Kamesam.
8. Sri A.K. Balasundaram
   or Sri K. Kunju Kaimal.

The first seven Officers are already officiating as District Educational Officers under Rule 9(a)(i) of the General Rules relating to the Madras Provincial and Subordinate Services and their appointments will be regularised in due course. The eighth candidate will also be absorbed in the Madras Educational Service as he will get his chance of appointment as District Educational Officer as Sri C. Ganesamurthi, Officiating District Educational Officer, South Arcot, has been granted leave with effect from 1st March 1950 or date of relief.

The position in regard to vacancies that will arise during 1950-51 in the category of District Educational Officers is discussed below. The following substantive vacancies have arisen in the category of District Educational Officers since the last Estimate (for Direct Recruitment) was submitted to Government in October 1949.

(1) Confirmation of Sri D. Ramayya: 12-11-1948.
" Sri P.N. Chamu Nair. 1-11-1949 (Date of G
20-10-1949 orderi

(4) Compulsory retirement of Janab K. Muhammad, with effect from 15--2--1949. 14-2-1950 (Date of G.O. ordering compulsory retirement).

The undermentioned Officers in the Madras Educational Service will retire from service as a result of which 3 substantive vacancies of District Educational Officers will arise on the dates noted against each.

Sri V. Natarajan:	..	15--8--1950.
Sri A.V. Thyagarajan.	..	15-11--1950.
Janab S.M. Ismail.	..	3--2--1951.

The following is the method of recruitment for the above substantive vacancies.

Vacancy.	Date.	Method of Recruitment.
1. Retirement of Sri T.Krishnamachary.	5--10--48.	D.R. (Non-Govt. Teachers)
2. Confirmation of Sri D. Ramayya.	12--11--48.	Transfer.
3. Retirement of Sri N. Subba Rao.	17--11--48.	D.R. (Ordinary).
4. " Sri G. Krishnamurti.	15---1--49.	Transfer.
5. " Sri A. PadmanabhaReddi.	9---7--49.	D.R. (Non-Govt. Teachers).
6. Demise of Sri D. Narasimha Sastri.	20--10--49	Transfer.
7. Confirmation of Sri P.N.Chamu Nair.	1--11--49	D.R. (Ordinary).
8. Compulsory retirement of Janab K. Muhammad from 15-2-1949.	14--2---50.	Transfer.
9. Retirement of Sri V. Natarajan.	15--8---50.	D.R. (Non-Govt. Teachers)
10. " Sri A.V.Tyagarajan.	15--11--50.	Transfer.
11. " Janab S.M. Ismail.	3---2--51	D.R. (Ordinary).

From the above statement it may be seen that the vacancies numbered 6, 8 and 10 have to be filled by transfer. Vacancies 9 and 11 have to be reserved to be filled by Direct recruitment, but pending such recruitment the posts may be filled by transfer as the candidates to be recruited direct will not be available for actual posting during the estimate year as they will have to undergo training under a District Educational Officer.

Proposals for the creation of 5 additional posts of District Educational Officers have been submitted to Government under Part II Schemes, 1950-51. There is the likelihood of at least 3 of the additional posts being sanctioned by Government. There should be at least 3 candidates in the - - "Approved List" for filling vacancies arising on account of grant of leave, deputations and other unforeseen contingencies. Besides, the following Officiating District Educational Officers are due to retire from service during 1950-51 and candidates are required for filling the resultant vacancies.

Sri N. Vasudevan. .. 15--9--1950.
Sri B. Lakshminarayana Sastri. 11--3--1951.
Sri K.S. Nagaratnam Ayyar. 12--3--1951.

Considering the above circumstances, 14 candidates will be required to fill up the vacancies estimated to arise in the category of District Educational Officers during - - 1950-51, as shown below:

3 Candidates against substantive vacancies to be filled by transfer.

2 " for filling vacancies pending availability of candidates recruited direct against the vacancies of Sri V. Natarajan and Janab S.M. Ismail.

3 " for filling new posts likely to be created.

3 " against leave, deputation and other emergencies.

3 " against the retirement of the present officiating District Educational Officers.

14

As against 14 candidates required, there is no likelihood of any of the following District Educational Officers who are on other duty or leave, deputation or suspension, becoming available for posting to this category.

Sri R.H.P. Holman (On other duty as Principal, Central College, Mercara)
S. Murugesa Mudaliar (Under suspension).
R. Deenadayal (On other duty as Lecturer)
Bullayya. (Deputation for Overseas training).

Sri P. Sundararajan, Special Officer for Text-Books, will be rejoining duty as District Educational Officer in June 1950 on completion of his present special work. Sri M.R. Perumal Mudaliar, the direct recruit now undergoing training, will become available for being posted as District Educational Officer in June 1950. Sri C. Ganesamurthi may also be available if the proposed disciplinary action does not affect his continuance as District Educational Officer. Apart from 2 vacancies to be reserved for direct recruitment during 1950-51, four candidates have to be recruited direct in respect of earlier vacancies and the recruitment has been pending for want of final orders on the question of ~~it~~ creation of Class I and Class II cadres in the Administrative Section. Even if the direct recruitment for the above vacancies ~~a~~ is completed this year it is not likely that the candidates would become available for ~~posing~~ posting during the present Estimate year 1950-51.

Considering all the circumstances I ~~am~~ request that 11 candidates may be required to be selected for inclusion in the "Approved List" during 1950-51 for the category of District Educational Officers.

(iii) Class II - Category 5: (Inspector of Anglo-Indian Schools):- The present incumbent of the post, Mrs. A. Suares, is due to retire from service on 20-10-1950. Now that Mr. R.H.P. Holman, who was originally intended to succeed Mrs. Suares will not be available, and as there is also no suitable Anglo-Indian in the Madras Educational Service who can be transferred to the post I am submitting separately proposals for the re-employment of Mrs. A. Suares in her present post for a period of one year from 20-10-1950. If the Government are not agreeable to the grant of re-employment of Mrs. Suares I should like to transfer a suitable District Educational Officer to the post, to succeed Mrs. Suares. I consider that the post of Inspector of European Schools having jurisdiction over the entire State of

State of Madras requiring a good deal of extensive touring should be filled by an Officer from the Men's Branch in future, If the Government do not propose to grant re-employment to Mrs. Suares and agree to my proposal for transferring a suitable District Educational Officer to fill the post of Inspector of Anglo-Indian Schools, I request that the number of candidates to be selected for the category of District Educational Officers may be increased from 11 to 12.

(iv) Category 6: (Inspector of Oriental Schools: The candidate selected for this category in G.O. Ms. No.3176 Education, dated the 15th October 1949 (viz., Sri K. Raghavan) has not yet had a chance to officiate in the Madras Educational Service. He is available for appointment in case any vacancy arises in this category. There is no need to select any fresh candidate for 1950-51.

(v) Category 7: (Secretary to the Commissioner for Government Examinations): Sri P.K. Ranganayakulu, the present Officiating Secretary, has already been declared to have satisfactorily completed his probation and proposals for his confirmation in this category have also been submitted to Government separately. If he is confirmed in the post he is likely to proceed on leave. I request that a candidate may be got selected and included in the "Approved List" for appointment to this category.

(vi) Headmaster, Government Madrasa-i-Azam: There is no likelihood of the existing incumbent, Janab M. Ahmed Ali, proceeding on leave. In the event of any unexpected vacancy arising, a Urdu-knowing District Educational Officer can be transferred to the post. Hence there is no need to select any candidate for this category.

B. COLLEGIATE SECTION.

3. The following permanent Officers in the Madras Educational Service Officers are due to retire from service during 1950-51.

Name.	Date of retirement.
Sri P. Krishnamacharya.	20--5--50.
Sri K. Sankaran Unni Nair.	27--5--50.
Sri A. Ramanatha Pillai.	18--8--50.
Sri M.V. Sitaraman.	15-11--50.
Sri S. Ramachandra Ayyar.	6--2--51.

Proposals for the creation of the following new posts in the Collegiate section, submitted to Government under Part II Schemes, are likely to be accepted.

Lecturer in Commerce (For the Government College, Cuddapah)	1.
Lecturers in Botany: (In the Government Victoria College, Palghat, Government Arts Colleges, Coimbatore and Madras).	3.
Lecturer in Zoology. (In the Govt. Victoria College, Palghat).	1
Lecturers in Education.	3
Principals of Training Colleges. (For new Training Colleges at Palghat, Coimbatore and Mangalore).	3

The need for selecting candidates for the above vacancies is discussed below.

(i) Retirement of Sri P. Krishnamacharya: This vacancy in the Mathematics Unit of the Madras Educational Service has been reserved to be filled by Direct Recruitment. A candidate selected by the Commission will become available for appointment from the next academic year. The following candidates are already available for filling any leave vacancy in the Mathematics Unit:

1. Sri T.V. Viswanathan (On other duty under the Government of India).
2. Sri A.T.B. Saravanaswami.
3. Sri S.R. Messiah Doss.

There is no need to select any fresh candidates for inclusion in the "Approved List" for the Mathematics Unit.

(ii) Retirements of Sri K. Sankaran Unni Nair and

(ii) Retirements of Sri K.Sankaran Unni Nair and Sri A. Ramanatha Pillai: Government have already been requested in my letter CL. No. 10/50, dated 3-2-1950 to sanction re-employment of these two Officers till the end of March 1951. In anticipation of the Government's sanction of the above proposal, the above two vacancies are not being taken into account for purposes of this estimate.

(iii) Retirement of Sri M.V. Sitaraman:and Sri S. Ramachandra Ayyar: These two vacancies will occur in the Chemistry Unit of the Madras Educational Service. The vacancy of Sri Sitaraman has to be filled by transfer and that of Sri S. Ramachandra Ayyar will have to be filled by Direct recruitment. The Commission will shortly recruit a candidate for appointment as Chief Professor of Chemistry in the Presidency College, Madras. If a person who is not already in the Madras Educational Service is selected for the Chief Professorship, one of the existing persons in the Chemistry Unit of the Madras Educational Service will be adjusted towards one of the vacancies. Sri C.T. Philip (now on other duty under the Government of India) and Dr. B.S. Srikantan, are two probationers in the Unit who are awaiting re-appointment to the Service. Besides, there is one candidate in the Approved List (Sri B.Gopalakrishniah) who has not yet had a chance of officiating in the Madras Educational Service but is available for appointment. Hence there is no need to select any more candidates for the Chemistry Unit.

(iv) Commerce: The temporary posts of Lecturers in Commerce at the Government Arts College, Coimbatore and Government College, Mangalore are now held by Officers appointed temporarily under emergency provisions. In this connection I invite the attention of Government to paragraph 6 of their Endorsement No.12176 A.3 Edn., dated 7-4-1949. The

period of probation of Sri T. Appalanarasayya in the category of Assistant Lecturers was extended for one year with effect from 20-9-1948 and the question of declaring him to have satisfactorily completed his probation in the above category is under correspondence with the Principal, Government Arts College, Coimbatore. I recommend that a candidate for the Commerce Unit of the Madras Educational Service may be got selected and included in the "Approved List". In case a new post of Lecturer in Commerce is created, the post will have to be filled by an outsider as there are no qualified and suitable Officers in the Subordinate Services for appointment by transfer.

(v) Botany: It is anticipated that three posts of Lecturers in Botany will be created with effect from the next academic year. Sri N. Venkatasubramanian, a probationer in the Unit, who is awaiting re-appointment to the Madras Educational Service will be available to fill one of the new posts. As for the other two posts, two candidates may have to be got selected. I, therefore, request that two candidates may be included for Botany Unit in the present estimate.

(vi) Zoology: Sri H. Enoch, a probationer in the Unit, who officiated as Additional Professor of Zoology to assist the Principal, Presidency College, Madras and reverted to the Madras Educational Subordinate Service for want of a vacancy in the Madras Educational Service, is awaiting re-appointment to this Unit. If the Government sanction the re-employment of Sri A. Ramanatha Pillai till the end of March 1951 as proposed in my letter Cl. No.10/50, dated 3-2-1950 there will be no need to include any candidate for the Zoology Unit in the "Approved List" this year.

(vii) The creation of three new posts of Principals of Training Colleges cannot be taken into account for purposes of this Estimate.

(viii) Education: Three new posts of Lecturers in Education in the Madras Educational Service are likely to be created if the Government sanction the opening of three new Training Colleges at Palghat, Coimbatore and Mangalore from the academic year 1950-51. Sri K. Virabhadra Rao, a direct recruit to the Education Unit, is awaiting appointment as Lecturer in Education. He will have to be appointed in the Government Training College, Rajahmundry, either from the beginning of the next academic year by reverting Sri B. Appa Rao to the Subordinate Educational Service or from 10th September 1950 in succession to Sri Appa Rao when the latter retires from service. A direct recruit with War Service is proposed to be recruited direct to succeed Sri K.R. Appala Acharya in the Teachers' College, Saidapet. There is also a proposal for appointing Sri S. Coopan, a South-African Indian, to the post of Lecturer in Education, de-reserving the vacancy reserved for a War Service candidate.

If and when 3 more posts of Lecturers in Education are sanctioned there will be need to select and include 3 new names in the "Approved List". I recommend that 3 candidates may be got selected for the Education Unit and included in the "Approved List".

(ix) English: There is at present one candidate in the "Approved List" for appointment to the English Unit of the Madras Educational Service, viz., Sri P.N.Krishna Rayan. --Vide G.O. Ms. No. 332 Education, dated 8-2-1950. But this Officer is now on other duty in the Military Academy, Dehra Dun, and will not be available for a posting when any vacancy actually arises. I, therefore, recommend that one more candidate may be selected and placed in the "Approved List" for the English Unit.

(x) Physics: There are at present the following three names in the "Approved List" for this Unit:

1. Sri S.Krishnaswami.
2. Sri T.R. Kannappa Naicker.
3. Sri M. Ramanadhan.

Dr. S. Gopalakrishnamurti has proceeded to the United Kingdom for advanced studies. Sri T.N. Seshadri is on other duty in the Public Works Department and it is not known when he will revert to the Madras Educational Service. Sri T.K. Lakshmanan will be returning from the United States of America after completing his studies in August 1950. Moreover, a Chief Professor in Physics will also be recruited shortly. In the above circumstances there will be no need to select any fresh names for the Physics Unit.

(xi) Geography: The period of re-employment granted to Sri N.C. Krishniah Naidu will expire in April 1950. Sri M. Sreekumaran Unni Nair, a direct recruit, is awaiting appointment to the post of Lecturer in Geography.--Vide Government Memorandum No.69517 A.48-13 Edn., dated 11th June 1949. It is not known whether Sri Sreekumaran Unni Nair will be available for appointment. If it is found that he will not be available, another candidate knowing Telugu may have to be got recruited direct. Pending such direct recruitment a suitable Assistant Professor or Assistant Lecturer may be appointed to the post temporarily, under emergency provisions.

(xii) History: The two candidates selected for this Unit in G.O. Ms. No. 3176 Education, dated 15-10-1949, viz., Sri R. Athinathan and Sri O.S. Anchan, are available for appointment should any vacancy arise in this Unit. There is no need to select any fresh names.

(xiii) Economics: The following two candidates are available for appointment if any casual vacancy arises in the Economics Unit:

1. Sri R. Athinathan
2. Sri S. Velayudham.

Sri S. Velayudham is now in the United Kingdom undergoing advanced studies and he will not be available for appointment during 1950-51. The question of including the name of Sri K. Sankaranarayanan Unni in the "Approved List" for the History and Economics Unit is under consideration.--Vide Government's letter to the Commission No. 7876 A.1 Edn., dated 23-2-1950. If his name is included in the Approved List, then there will be no need to select any more names for inclusion in the panel for either History or Economics Unit during 1950-51.

(xiv) Languages other than English: There is no need to select any candidate for Sanskrit, Arabic or Urdu as none of the present incumbents is likely to proceed on leave. Should any vacancy arise in the above Units it may either be filled by transferring an Officer already in the Madras Educational Service or by promoting a suitable person from the Subordinate Educational Service under emergency provisions. As regards the selection of candidates for other Language Units, viz., Tamil, Telugu, Malayalam, Kannada and Urdu, ad hoc rules are yet to issue and after the rules are issued a supplemental estimate will be submitted to Government.

4. C. Professional Section.

Dr. J.J. Rudra, permanent Principal, College of Engineering, Guindy (now on other duty under the Government of Bihar) and Sri V.H. Sadarangani, permanent Professor of Civil Engineering, and Officiating Principal, College of Engineering, Kakinada, are due to retire from service on 21st and 19th of November 1950, respectively. The resultant vacancies cannot be taken into account for purposes of the present estimate as these vacancies are to be filled by promotion of persons within the Service or by direct recruitment and not by transfer from the Subordinate Services.

As regards recruitment by transfer to the posts of Instructors and Junior Instructors in Electrical Engineering the question need not be considered for purposes of the present estimate for the following reasons:

(i) There are few candidates with requisite experience in the Subordinate Educational Service who can be considered suitable for recruitment by transfer to the Madras Educational Service.

(ii) The following four candidates of the Department who are undergoing advanced studies in the United States of America are due to return to duty by June 1950.

(1) Sri S.L. Balasubramanian
(2) Sri P.V.B. Bhooshana Rao.
(3) Sri A.P. Jambulingam.
(4) Sri P. Bhyravamurthi.

(iii) Private scholars who were sent abroad have either returned after completion of studies or are due to return shortly and their claims for suitable gazetted appointments in the Colleges of Engineering have to be considered.

and (iv) The question of recruiting Assistant Engineers as Instructors by transfer is still pending.

D. Miscellaneous posts.

5. Ad hoc rules have been issued in respect of the following temporary posts and the question of making regular appointments can be considered now.

(1) Technical Education Officer.
(2) Basic Education Officer (Andhra Desa).
(3) Basic Education Officer (Headquarters).

(1) As regards the post of Technical Education Officer, the future of the post is obscure. The present temporary incumbent of the post, Sri K.M. Sevennah, who is a regular probationer in the category of Assistant Engineers in the Madras Electrical Service, may be allowed to continue as Technical Education Officer, temporarily, until the future of the post is settled. There appears to be no need to include this post in the present Estimate.

(2) Basic Education Officer (Andhra Desa): I request that this post may be included in the present estimate and a candidate selected.

(3) Basic Education Officer (Headquarters): Sri R.V. Rudrappaswami is officiating in the post temporarily under Rule 9(a)(i) of the General Rules relating to the Madras Provincial and Subordinate Services. The question of regularising his appointment in the post of Basic Education Officer in the Madras Educational Subordinate Service and completing his probation in that service is separately under consideration. I request that this post may also be included in the present estimate and a candidate selected.

(4) Curator: There is no necessity to include a candidate for this post in the "Approved List", as the present Officiating incumbent, Sri T. Chandrasekaran is not likely to proceed on leave during 1950-51.

(5) Chief Inspector of Physical Education: In their confidential Memorandum No. 7658 A.1 Edn., dated 1st February 1950 the Government have stated that they consider that recruitment to the post of Chief Inspector should not be confined to departmental officers alone but that it should be thrown open to direct recruitment, men in service being made eligible to apply. This matter is being dealt with separately and I shall address Government shortly in this regard. Meanwhile, pending final orders on the question of making a direct recruitment to the post, I am not including this in the present estimate.

6. Finally, summing up, I request that the Government may be pleased to select and include ~~in~~ in the Approved List the following number of candidates indicated against each Unit:-

Appointment by Transfer - 1950-51.

Unit or Post.	No. of candidates to be selected.
District Educational Officers ..	11*
Secretary to the Commissioner for Government Examinations. ..	1
Professor or Lecturer in English...	1
Lecturer in Commerce. ..	1
" Botany. ..	2
" Education. ..	3
Basic Education Officer (Andhra Desa).	1
Basic Education Officer (Headquarters).	1
Total.	21

*In case my proposal for the re-employment of Mrs. A. Suares in the post of Inspectress of ~~European-S~~ Anglo-Indian Schools for a period of one year from 20-10-1950 is not acceptable to Government, one more candidate for the category of District Educational Officers may be got included in the "Approved List".

Yours faithfully,

Yrs.ffly.,

Endt.No. 14641-A-4, d/- 17/4/50.

Copy to the D.P.I. w.r.t. his letter No.15/50, d/- 1-3-50.

2. Post of Inspr.(Inspectress) of Anglo-Indian Schools: Proposals for the re-employment of Mrs.A.Suares are awaited from the Dir. It cannot be said now with certainty whether the proposals will be sanctioned or not. The (vacancy in Re) post has not been taken into account in preparing the estimate.

3. Post of Lecturer in Commerce: In March 1948 itself the Commission was asked to recommend the name of a candidate for inclusion in the approved list for this post. The Dir. is requested to pursue the matter w.r.t. that request.

4. Posts of Lecturers in Botany: The qn.

retire in Oct. this year. Mr.R.H.P.Holman, D.E.O., who was intended to succeed her, is now on other duty under the Govt. of India and is not likely to be available. The Dir. says that he will be recommending the re-employment of Mrs.Suares for one year and that "if the Govt. do not propose to grant that re-employment", one more candidate may be selected for the D.E.Os.' category so that a D.E.O. may be transferred as Inspr. of Anglo-Indian Schools. It cannot be said now with definiteness whether or not Mrs.Suares will be re-employed by Govt. The orders will depend upon the grounds which the Dir. will point out. If such a course becomes necy., a senior D.E.O. may be transferred and his place may be filled by the tempy.appt. of a subordinate service man. The estimate for the D.E.Os.' category need not be altered.

(3) Secy. to the Commr. for Govt. Examns.: The Dir. wants one officer to be selected and put on the approved list to fill any leave vacancy. This may be done.

(4) Lecturer in Commerce: The Dir. recommends that one candidate may be included in the approved list for this post. In 1948 itself, the Commission was asked to propose a candidate. That estimate was not subsequently cancelled. The Dir. may be asked to send his recommendations to the Commission w.r.t. that estimate. It is not necessary to include the post in this estimate again.

(5) Lecturers in Botany: The Dir. presumes and says that that three new posts will be sanctd./ as there is already one probationer awaiting re-appt., ~~xxxxxxxxxxxx~~ the Commission may be asked to recommend two fresh names. Provision for only two new posts has been made in the Budget. Consequently, it would do if only one candidate is got selected.

(6) Lecturers in Education: The Dir.'s estimate is three. As things stand, the Govt. are to open only two additional training colleges - Palghat and Mangalore, and not three. Yet, the Dir.'s estimate may be endorsed. There is a proposal to open a private training college in the Coimbatore

at Periyanaickenpalayam

Dt. If that proposal does not materialize, the Govt. may have to start another training college at Coimbatore. In that case, another Lecturer in Edn. may be required and the third ~~xx~~ candidate to be selected may be utilized.

(7) Lecturers in English: The Commission may, as recommended by the Dir., be asked to recommend one candidate.

(8) Lecturers in History and Economics: The question of approving the name of Sri K.Sankaranarayanan Unni has been referred to the Commission separately. The Dir. says that if his name is included in the list, then there will be no need to select any more names. Tho' it cannot be said now what view the Commission will take about Sri Unni's fitness, no action is necessary in connection with this estimate.

(9) Basic Education Officer (Headquarters): Sri R.V.Rudrappaswami is holding this post under the emergency provisions. He acted in the Subordinate Service post of Basic Edn.Officer (Hd.qrs.) also temporarily. The Dir. has proposed separately that the Sub.Service post may be taken out of the M.P.S.C.'s purview, that Sri Rudrappaswami's tempy. service in that post may then be regularized, and that then the qn. of recruiting him to the M.E.S. post by transfer from the Sub.Service may be refd. to the Commission. The point has been refd. to him for remarks, as to why, instead of adopting that indirect procedure, Sri Rudrappaswami's appt. to the M.E.S. post itself may be taken out of the Commission's scope or, in the alternative, that post should not be thrown open for direct recruitment, Sri Rudrappaswami also being advised to apply for that method of appt. and compete along with other candidates. Pending settlement of that point, there is no need to include the post in the present estimate.

(10) Basic Education Officer (Andhra Desa): This post, however, may be included in the estimate, as recommended by the D.P.I. Sri A.Phanendrudu, a Subordinate Service Officer, is offg. in the post under the emergency provisions.

The remarks of the D.P.I. about the other posts

deserve no special attention.

2. (i) Class II - Category 3 (Personal Asst. to the DPI):-

A vacancy in this category during 1949 is not anticipated as there is no likelihood of the present incumbent of the post, Sri N.Subramania Ayy proceeding on leave within a year. In the event of unexpected vacancy arising in this post, it can be filled by the transfer of a D.E.O. Hence, there is no need to select any candidate for inclusion in the Approved List for this category.

2. P.A. to the DPI: An unexpected vacancy in this post may be filled also by the tempy.appt. of a Supdt. in the Dir.'s Office itself. That method would be preferable to the transfer of a D.E.O. as P.A.

6. Lecturers in Commerce: As ad hoc rules for the posts have not been framed yet and as further the Govt. no information as to whether Sri T.Appalanarasi (offg. temporarily as Lecturer in the Govt.Arts Colle Coimbatore) has completed his probation as Asst. Lecturer in the M.E.S., the post has been left to be included in the next year's estimate, if necessary.
