R Schemes No. 2, 4, 5, 6, 11, 12 and 13 are new schemes sanctioned during the current year. All these schemes are likely to be completed before the end of 1950-51 and grants claimed on their behalf during that year. Provision in respect of all these schemes is therefore suggested in Part II of the Budget Estimate for 1950-51.

Scheme No.8: *p9 info*

A sum of Rs.75,000/- is suggested in Part II of the Budget Estimate for 1950-51 in respect of this scheme, as no part of the grant sanctioned for this scheme has so far been utilised. This scheme has also been submitted to Government for inclusion in the Postwar Schemes.

Scheme No.3 and 10: *p9 info*

The grants in respect of these two schemes are expected to be disbursed during the current year itself.

Scheme No.7 and 9: *p9 info*

The balance of grant left in the current year's Budget will be disbursed during the current year itself.

Scheme No.1: *p9 info*

Out of a total grant of Rs.75,000/- provided in the current year's Budget for this scheme, a sum of Rs.10,500/- has been ordered to be disbursed. The balance of Rs.64,500 will therefore be suggested in Part I of the Budget Estimate for 1950-51.

Scheme No.14: *p9 info*

The College has been disaffiliated from the University. Further, a proposal to take over the college by the Government is pending. No provision is therefore suggested in the budget in respect of this scheme.

Scheme No.15:

No provision is suggested in respect of this scheme also as the management is not likely to proceed with the work until the cost of materials etc., go down.

Summarising the above, the amount to be included in Part II of the Budget Estimate for 1950-51 will be Rs.4,70,588 in respect of schemes Nos. 2, 4, 5, 6, 8, 11, 12 and 13 and that the amount that will be included in Part I of the Budget Estimate for 1950-51 will be Rs. 64,500 in respect of scheme No.1.

Building grants to Arts and Professional Colleges under private management are sanctioned and disbursed in accordance with the rules in the Grant-in-Aid Code. Under these rules, the Director of Public Instruction maintains a list of approved building schemes. Once a scheme is included in the approved list, the management will expect a grant on the basis of such inclusion, subject to the availability of funds. The Director recommends for the consideration of Govt. every year such new schemes out of the list, as he considers deserving of grant, in connection with Part II Schemes. The ban on the sanction of building grants to newly opened Arts Colleges was removed last year, with the result that all colleges are now eligible for building grants.

2. After an examination of the Director's proposals for Part II Schemes for 1950-51, this Department suggested that provision may be made for grants for building grants for the following colleges in Part II of the Budget for 1950-51 as shown below:-

3. Finance however suggested that in view of the present financial stringency, the provision for building grants during 1950-51 under Part II of the estimates might be limited to Rs. 2.5 lakhs. 5 It will be seen that the Director has recommended provision in Part II of the Budget ~~as shown~~ for a grant of Rs 4,45,600, for new building schemes in respect of private Arts and Professional Colleges. This figure does not take into account the provision suggested for the Pachayappa College Hostel Scheme for which provision was made in previous years but was not utilized; this will apparently have to be provided in Part I of the Estimates. It may be stated that for the current year provision for grants for new building schemes has been limited to Rs 1.50 lakhs. As the financial stringency continues, it is suggested that for next year as well, the provision for these grants may be a similar figure, that is Rs 1.50 lakhs. The D.P.I. will, as usual, select the schemes according to their urgency.

para 3, p.2 above

The provision made in the current year's budget for building grants to aided Arts and Professional Colleges is Rs 1.50 lakhs. In view of the present financial stringency, Finance may suggest that the provision to be made in Part II of the Budget for the grants may be restricted to Rs 1.50 lakhs leaving it to the D.P.I., as usual, to select the schemes according to their urgency. The question of sanctioning any further grant may be considered if necessary in connection with the Budget for 1951-52.
