Sir,

With reference to Government Memorandum No. 68157-G2/49-1 Edn., dated 5-10-'49, regarding payment of remuneration to the supervising staff of the Government T.S.L.C. Examination, I have the honour to furnish below the details for the extra cost of Rs. 2,500/-.

T.S.L.C.

Roughly Rs. 2,500/-

As regards the suggestion to fix a lower rate of remuneration for supervising the T.S.L.C. Examination, it may be stated that the nature of work and the responsibility shouldered by the Superintendents and Assistant Superintendents of the S.S.L.C. and T.S.L.C. Examination are identical. There should therefore be no distinction between the supervising staff of these two major examinations.

Conducting of T.S.L.C. Examinations:- The conducting of T.S.L.C. Examination is as much a responsible work as conducting the S.S.L.C. Examination. But neither the Superintendents nor clerks nor even peons of training schools are given any remuneration, while in the High schools it is not so. The Association reiterates its former request to give remuneration to those in the training schools also for the service rendered and it considers it to be legitimate.

Remarks of the D.P.I. in his Loc. 371-M/49dy-17-49

The staff of the training schools were never paid any remuneration for conducting T.S.E.C. Examination. Their grievances in this matter is genuine and needs to be redressed. If the aided training schools staff, engaged in supervising the T.S.L.C. Examination, are to be remunerated the extra cost to Government will be Rs. 2,500/- per year. This extra expenditure is negligible considering the whole-hearted and happy co-operation of the Headmasters of aided training schools which it will obtain and also when compared with the revenue derived for the T.S.L.C. Examination. I strongly recommend that their request may be considered favourably.

Education and P.H. (G₂).

The D.P.I.'s remarks do not contain a full justification for the recommendation therein. He may be asked to submit proposals separately in the matter justifying in greater detail the above recommendation.

V.R. 27/7/49. J.M.L./29/7/49.

I feel D.P.I. has fully justified his recommendation, which is more or less obvious. The recommendation may be approved.

The ^{C&E}~~D.P.I.~~ has now furnished details of the

additional cost to Govt. by giving effect to his recommendation for remuneration to the Supervising Agency for the T.S.L.C. Examination. A ~~recommendation~~ ^{remuneration} of Rs. 6/- a day for Chief Supdts. & Rs. 4/- a day for Asst. Supdt. is recommended and the total addl. cost is roughly Rs. 2,500/-.

T.S.L.C. examination. In fact, S.S.L.C. examinations are generally self supporting as fees are collected from the examinees. It is not known whether any fee is collected from the examinees of T.S.L.C. examination and if so at what rate. ~~Even if~~ ^{any fee} ~~are~~ ^{is} levied it is likely to be lower than that of S.S.L.C. examination. In this regard too, it seems necessary to adopt a lower rate of remuneration for the Supervising Staff in order to keep down the cost to Govt. All aspects considered it seems sufficient at the moment to adopt the following rates of remuneration:-

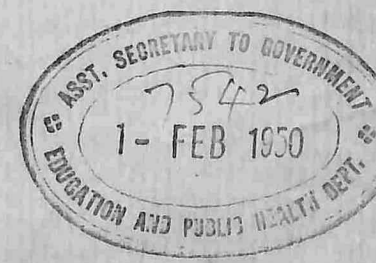

Chief Superintendents	Rate of Remuneration per day Rs 4/- per day
Assistant ~~Superintendents~~	Rs 2 1/8 per day

If the above suggestion is accepted, the extra cost works out to about Rs 1629/- E.S.H. may be requested to circulate the same to Hm (Fin) before issuing orders.

It is submitted that Fin. have suggested a lower rate of remuneration to the Supervising Staff of the T.S.L.C. exams; of Rs 4/- per day to the Chief Superintendents and Rs 2-8-0 per day to the Asst. Superintendents; whereas

P.T.O.

This Dept. agreeing with the proposal of the C.E.E. in respect of rates, recommended Rs 6/- and Rs 4/- per day to the Chief Superintendents and Asst. Superintendents respectively.

It is now for orders (1) whether the suggestion of Finance at 'x' and 'y' ante may be agreed to or (2) whether the rates as recommended by this Dept. may be pressed for. For orders as to Circulation to Hm (E+L) & Hm (Fin)

The Comparative Statement furnished by the C.E.E with ref. to Secretary's ^{query} at 'x' enclosed is on p 9-11 etc.

It may be seen that L.T. Assts. on L.T. Scale of pay are generally employed as Supervising Staff both for the S.S.L.C. and T.S.L.C. Exams. It is also stated that even Secondary Grade Assts. on Secondary grade Scale of pay, Language Pundits in the Scale of pundits and even Physical Training Instructors in the Scale of Physical Training Instructors are employed as Asst. Superintendents in case of an inadequate number of L.T. Assts. are not available. The status

of the Supervising staff of the T.S.L.C. Examination is the same as, if not higher than, that of the Supervising staff for the S.S.L.C. Examination. Edu. may support the Director's proposal for remuneration of Rs 6 and Rs 4 a day respectively for the Chief & Assistant Superintendents of the T.S.L.C. Exam. Fin. may be asked to reconsider their previous view in the light of the above.

(Previous Fin note on pp 3-4 above) Finance (C.S.R.) Dept.

Although it is true that the qualifications of the Supervising personnel of the T.S.L.C. Examinations are generally the same as those of the S.S.L.C. Examination the latter appears to be a higher standard of examination and consequently a higher rate of examination fee viz., Rs. 15/- collected from the Examinees. The T.S.L.C. Test represents the final examination of Secondary Grade and Higher Elementary grade Teachers on the completion of their training course. This examination appears to be short and simple and in consequence a lower rates of examination

fees are levied. In view of the lower rates of examination and to ensure that the examination is self-supporting at all times, it seems necessary to adopt slightly lower rates of remuneration to the supervising staff, irrespective of their qualifications. Finance may therefore adhere to the views already expressed on page 4 above.

The C.E.E has recommended the payment of a remuneration of Rs 6/a day for Chief Superintendents and Rs 4/a day for the Asst. Superintendents for their Supervision work for the T.S.L.C. Examinations. The total additional cost to Govt is estimated at Rs 2500/annum. Edu. Dept. are in favour of agreeing to the proposals, as the status of the Supervising agency of this examination is the same as that of the Superintendents etc for the S.S.L.C. Exams, who are paid the same rates, as now proposed for the T.S.L.C. Exam.

Finance do not accept the rates proposed or the reasons for the proposals. Their view is that the T.S.L.C. Exam is "Short and Simple" when compared with the S.S.L.C. Exam and that a lower rate of remuneration namely Rs 4/a day for Chief Superintendents and Rs 2-00/day for Asst. Superintendents will suffice.

P.T.

It is for orders whether the Commissioner's proposals will be approved or the Finance Dept's views may be accepted.

Notes from p. 7 ante may be read.
This Dept. may feel for the acceptance

of the rates proposed by the C.S.E., viz.

Rs 6 a day for Chief Supts. and Rs 4 a day for Assistants. The extra cost is Rs 2500/- per year.

The revenue derived by holding the Training

What is the basis for H.M. (I. & L.) H.M. (Fin) to say that we are giving remuneration for the first time for KM 1946

No remuneration is now paid to members of the staffs of Training Schools who are entrusted with the duty of conducting the Training School Leaving Certificate examination - vide X on p. 1 ante. The proposal is give remuneration to them as in the case of the S.S.L.C. Public examination. The statement of H.M. (Enr) is therefore correct.

19-4-50 The views of H.M. (Fin) may be accepted KM 19.4.50
