(3) SOCIAL WORKERS TRAINING COURSES:

The original scheme was sanctioned in G.O. No. 846 Education dated 9/4/1948. The object is to train workers on the Gandhian ideology. Attempts have been made to make these training courses popular. In spite of every serious attempt to hold at least one such training course in each of the Educational Division, it has been possible to hold only two successfully so far, one in Rajahmundry and another in Pasumalai. About 50 were trained in these two courses. A third one organised at Malabar could not be worked, as only six out of 30 selected turned up on the opening day and even the six slipped away the next day, leaving the Training course to be abruptly closed.

In spite of difficulties and disappointments it is proposed to hold in 1950-51 eight training courses on the lines laid down in the G.O. referred to above. The estimated cost of each of the course will be as follows:

Stipend for 30 students at Rs. 15/- per mensem for a period of 6 weeks .. 30 x 22½	675
Honorarium for 3 teachers at Rs. 50/- p.m. or 75/- for 6 weeks	225
Wages of 1 attender at Rs. 25/- p.m. or Rs. 37/8/0 for 6 weeks	37/8/0
Contingencies Rs. 100	100
Total ..	1037/8/0

For 8 Training Courses ... 8,300

(4) PERMANENT CENTRE FOR DEPARTMENTAL TRAINING COURSES.

With the reorganisation of Education and the introduction of the scheme of adult education it has been necessary to organise Training Courses of different kinds. Citizenship Training Courses have been held in 1948-49 and are being held in 1949-50. Training courses for teachers for Adult Education have been held like wise. Departmental Officers have been brought together in Camps. Other Training Courses have also been necessary. In 1950-51 it is expected that there will be necessity to conduct a very large number of training courses for Citizenship Training, for Adult Education, for the Headmasters, for the Teachers of Visual Education, and so forth. Social Workers Training Courses will also have been conducted. All these courses are at present organised in different parts of the province, and it is not always possible to make the courses fully efficient because the necessary facilities in accommodation and training equipment are not always forthcoming to the full extent.

If it were possible to organise a permanent camping centre it will be possible to provide all the out door accommodation (tents) that may be needed and all the equipment, and the camp life that could be provided to the teachers and the others coming for training would itself be valuable education, of which the benefit will filter down to the pupils of our schools when they have to do their own camping.

No. 85-826/47...6

Several venues were considered for the purpose, such as Ad Avadi, Tambaram, Chingleput and Wallajabad. But much the best and the most convenient place appears to be Mahabalipur which is a place of historic importance. Accommodation for the trainees for a maximum number of 200 can easily be provided in the shape of tents, and the other necessary structures like kitchen, stores, facilities for bath and other necessities could be easily provided. The trainees who come for training will spend the days of training in the midst of beautiful archaologic remains and the scope a place like Mahabalipur gives for out-door rambles, walks and short excursions and outings will add to the value of the training centre. When a single centre is thus fixed upon the fitting it up with necessary equipment for training will be a very easy matter and the efficiency of the Training Course will be increased several times. The teachers will be having an educational excursion coming out to Mahabalipur for the training whether it may be Citizenship or Adult Education or Visual Education or Training for Social Work. The effect will be very much to the advantage of educational efficiency.

The proposal is to provide accommodation for 200 trainees. The Non-Recurring expenditure will be

(i) 50 tents at Rs. 250/-	12,500
(ii) Cooking vessels and vessels for general use	4,000
(iii) Camping equipment and equipment needed for Training Courses	5,000
(iv) Sheds and structures for storage of tents, for permanent kitchen and for storage of vessels and the equipment	4,000
(v) Electric generator and provision of electric facilities and lamps	4,000

	29,500

Recurring Expenditure:

It would be necessary to appoint a Manager or Superintendent to be in charge of the articles at the Camping Centre. A watchman will also be necessary. This official will have to be paid at least Rs.60/- per mensem and the watchman Rs.20/- per mensem with D.A. etc. These men will work under the direction of the Citizenship Special Officer at the Office of the Director of Public Instruction. The different training courses as and when they are held will have the full use of the training centre and the equipment provided there. The nearest Deputy Inspector will be asked to be in touch with the Training Centre and to act as its warden without any additional remuneration.

The annual recurring expenditure will be:

Salary of Storekeeper at Rs.60/- p.m.	720
Salary of watchman at Rs. 20/-	240
Contingencies	240

	1200

The entire scheme would need:

(1) Non-recurring expenditure	29,500
(2) Recurring expenditure	1,200 Annual

As a matter of coincidence it so happens that a very large number of useful tents and camping equipment like Ground Sheets, Bitumen sheets, ~~Batti~~ Bath tubs, Plates, Mugs, and other vessels, mosquito nets, Back packs and haner sacks are available for release by the Military Department at Avadi. The Joint Director of Public Instruction and the Citizenship Special Officer had an opportunity of inspecting many of these useful articles fully and if the scheme for a permanent Training Centre is sanctioned it will be possible to buy these and other requirements quite easily and readily and the camp could be fitted up in a perfect manner with considerable saving on the present estimate. The Director of Disposals has declared many of them as available for the public, and those articles which are not released to the public can it is understood be easily made available to this Department at their book value which is very small and cheap when compared to the prices we may have to pay in the open market.

Explanatory Note.

Last year, the Govt. sanctioned a scheme of Adult Education. One of the items of the scheme was ~~those~~ relating to the training of adults for social service in Gandhian ideology. About 50 adults were trained in two courses organised in 1948-49. No course will be conducted this year. The D.P.I., suggests that provision may be made in the Budget of 1950-51 for organising courses in 8 centres for Training 240 Adults in Social Service. The need for such courses may be admitted. In a view of the fact that large number of candidates did not volunteer for training in 1948-49 as was anticipated, it seems sufficient to organise 2 courses in 1950-51, to train 60 adults in social service. This department suggest that the provision required for the purpose may be made in the Budget ^{Estimate} for 1950-51.

Social Workers' Training Courses - Camps for trainees
From the D.P.I., Re.No.25-8/49, dated 4-10-1949.

The D.P.I. has submitted proposals for organising courses for Social workers for six weeks. According to him, 8 courses will be organised in 1950-51. 30 candidates will be admitted for each course. Each candidate will be granted a stipend of Rs.15/- a month. Teachers appointed for the conduct of the courses will be paid an honorarium of Rs.50/- a month. The cost of 8 courses has been estimated at Rs.8,300/-.

2. It is not known whether the courses are really necessary. The Director himself admits that candidates do not come forward to receive their training to the extent anticipated. The training given in 1948-49 was only on a small scale while no such training has been organised in the current year. It is for orders whether the proposals of the D.P.I. to organise courses in 1950-51 should be approved.

3. The D.P.I. suggests that camps should be provided at a suitable centre (Mahabalipuram has been chosen for the purpose) for the conduct of courses ~~special~~ of special training in the several branches of education. The formation of camps in the centre has been estimated to cost Rs.29,500/- non-recurring and Rs.1,200/- recurring. It is for orders whether the formation of camp centre should be approved.

The letter from the D.P.I. on pp.1-7 c-f. and
the notes of E. & P.H. on pages 1-2 above may be
perused.

The D.P.I. has submitted the following two
proposals for consideration as a Part II scheme for
1950-51.

1. Social Workers Training Course.
2. Permanent Centre for Departmental Training
Courses

The financial effect of the above proposals is indi-
cated below.

Item 1 above: - Non-recurring.

Honorarium for 3 Teachers at Rs.50/- p.m. for 6 weeks. ...	Rs. 225/-

Non-Recurring : Rs.29,500/-

4.36.

The extra cost involved in the above proposals will be
Rs.1,700/- recurring and Rs.37,800/- non-recurring.

2. Social Workers Training Courses.

E. & P.H. have stated that, since these courses
are part of the scheme approved by the Government, for
which, necessary budgetary provision has been made,
they may be held if the minimum attendance is assured.

It is no doubt true that the above courses are
part of the scheme approved by Government but, in the
present financial stringency, they are not essential. In
the latest instructions issued in Finance Memo No.
57293.A/PWR-3, dated 12-10-49, it has been ordered that
only those schemes which will involve very little
recurring expenditure, and which are considered to be
really and immediately essential for the proper running
of any department, should be considered as Part II schemes
for 1950-51. The present scheme does not satisfy the
above criteria and this department may advise that it
may be deferred.

If however it is considered that the scheme should
be proceeded with, this department may suggest that only
two courses may be held in 1950-51, one in the Andhra
and one in Tamil Nad, having due regard to the fact that
out of the 5 courses, sanctioned in the G.O. at (K), only
two were successful.

3. Permanent centre for Departmental Training Courses

E. & P.H. Department have stated that the idea
of a permanent centre is a good one and may be economi-
cal in the long run. In view of the reasons stated at
'X' above, this scheme also does not satisfy the criteria
laid down for Part II scheme for 1950-51 and this depart-
ment may suggest it may be deferred for better times.

If however it is considered that the scheme should
be proceeded with, the following remarks are called for -

The salary proposed for the storekeeper viz., Rs.60,
seems to be excessive. This department may suggest that

it may be fixed at Rs.45/- p.m. plus the usual dearness allowance. Similarly the salary of Rs.20/- proposed for the Watchman is high and it may be fixed at Rs.10 plus dearness allowance. The various items of non-recurring expenditure are not susceptible of check and may be accepted.

The case will have to be circulated to H.M. (Fin) before proceeding further.

Both the proposals may be deferred in view of the latest instructions regarding Part II scheme.

Sir, Subject: Adult Education - Courses for Adults in Social Service
on Gandhian Ideology

R e f: 1. G.O.No.Ms.1401 Education dated 1-5-1950 and
2. G.O.Ms.No.1132 Education dated 10-4-1950.

In their order quoted above Government have sanctioned the conduct of two courses for training of adults in Social Service on Gandhian Ideology. A sum of Rs.2100/- has been separately provided for in the current year's budget to meet the expenditure connected with the above courses.

It was therefore proposed to conduct one course in the Gandhi Basic Training School, Perianaickenpalayam in Tamil Nad and the other at the Government Basic Training School, Pentapadu in the Andhra Area. The Divisional Inspector of Schools, Coimbatore reports that sufficient number of candidates are not coming forward to undergo the course in spite of sufficient time and publicity given in the matter; that the response from the public is very poor and that it is not economical to run the course and therefore recommends that the proposal may be dropped.

The Divisional Inspector of Schools, Godavari makes a similar recommendation that the course may be dropped on the ground that none joined the course although 29 candidates were selected.

The

10

: 2 :

The Divisional Inspector of Schools, Anantapur had already reported that there was no suitable venue for the conduct of the course in his division. Under these circumstances the proposals for the conduct of these courses are being dropped.

As the Universities have incorporated Citizenship Training as a part of B.T. and B.Ed. courses it is essential that citizenship training courses should be conducted in every training college. The Citizenship Training courses were therefore permitted to be conducted in the newly opened training colleges at Palghat and Mangalore also. The extra expenditure of about Rs.1,550/- towards the conduct of these courses will be met by re-appropriation of funds. The provision of Rs.2,100/- referred to in para 1 above will in due course be reappropriated during the current year.

I therefore request that Government may be pleased to approve of my action.

Yours faithfully,
