The Secretary to Government,
Education Department, MADRAS.

R.O.P.No.93-DB/49-50 dated 30th March 1950.

Sir,

5767

Sub:- Grant - Teaching - Aided Secondary Schools -
St. Mary's Middle School for Girls, Coimbatore -
Payment of grant for 1948-49 in the current
year.

I request that Government may be pleased to ratify my action in having sanctioned the teaching grant for 1948-49 in the current year in respect of St. Mary's Middle School for Girls, Coimbatore in the circumstances explained hereunder.

Permission to start the above school was granted late by which time all Part II proposals of the Budget Estimate for 1949-50 were submitted to Government. Hence, provision could not be made in the Budget Estimate for 1949-50 in respect of the school. The school was started during 1948-49 itself and the Financial Statement for 1948-49 was received from the Management of the above school. The school was found to be eligible for a teaching grant of Rs.6066/- for 1948-49 and the same could not be sanctioned for the reason referred to above. The management have requested for the early sanction of grant stating that this being a new school, they have incurred a huge sum on the capital expenses. In the circumstances explained by the Correspondent and in view of the fact that necessary funds are available to meet the expenditure in the current year's appropriation, I have sanctioned the teaching grant to the school for 1948-49 in anticipation of Government sanction. I request that this may be approved.

In this connection I may state that in G.O.Ms.No. 2241 Education dated 12-7-1949, similar concession was granted by the Government in respect of 'Chintadripet Girls' High School, Madras.

Yours faithfully,

D. P. Sankaranarayanan

Note The D.P.G. has reported that no provision could be
suggested in the Part II of the B.E. for 1949-50 for payment of
teaching grant to the St. Mary's Middle School for girls,
Coimbatore, as the school was recognised only after he submitted Part II
proposals. As the management submitted the financial statements
for 1948-49 and claimed the teaching grant payable, the Director
sanctioned the disbursement of the grant and has now
requested that his action may be approved. In the
circumstances the Director's action in having authorised the
payment of the teaching grant due to the school may be
ratified. The draft order above is for approval. It may
be sent to Fin. U.O. for acceptance prior to circulation.

The D.P.I. has stated that it was too late

to include the proposal for grant to the school in the Part II Schemes for 1949-50 and therefore, he sanctioned the grant in anticipation of the approval of the Govt. In the ordinary course, grants to schools newly opened should be treated as Part II schemes. If this course was for otherwise if this procedure is dispensed with in individual cases, it would mean, that such cases get preferential treatment over others and will create inconvenient precedents. If, however, in the special circumstances of the case, the D.P.I. ^{considers} ~~considers~~ ^{a particular} that grant should be disbursed in 1949-50 ~~without prior~~ ^{year} although there was no provision for it in the Budget, the appropriate course is to obtain the prior sanction of the Govt. ^{The analogy quoted by the D.P.I. is not quite relevant.}

The proposal is to approve the action of the D.P.I. in having authorised the payment in 1949-50 of the teaching grant due to the St. Mary's Middle School for girls, Coimbatore for the year 1948-49 even though no provision was made in the budget for the purpose. The D.P.I. has reported that ^{permission} ~~permission~~ ^{Part II} was accorded for the opening of the school after he submitted proposals, for Finance Dept. have agreed to the proposal but have suggested that the D.P.I. may be informed that in future he should obtain the prior sanction of Govt. before disbursing teaching grants to schools for which no provision could be suggested in the budget. The suggestion of Finance may be accepted and the amendments in pencil on the draft over leaf may be carried out. The file may
