Sir,

RECEIVED
DIRECTOR OF PUBLIC INSTRUCTION
2-FEB-1950
RC. 1117 42/48

Sub: Education - Secondary Schools - Mayuram Municipality -
School fees - Levy of at increased rates from 1950-51
Sanction - Requested.

Ref: Government Memorandum No. 84059 B.1.47-1 Education,
dated 24-11-47.

*

The Government in their memorandum cited above has accorded
to
their sanction/collect fees in the Municipal High Schools at the
following rates for the year 1947-48.

Forms IV to VI - Rs.6--8--0 per instalment.

" I to III - Rs.3--8--0 per instalment.

and also ordered that fees may be lieved at the following rates
from the school year 1948-49.

Forms IV to VI - Rs.6 0 0 per instalment

Forms I to III - Rs.3 4 0 "

and accorded sanction to ^{the} levy of fees for supplementary students
at the following rates with effect from the school year 1947-48

For a single subject - Rs.4/- per instalment

For two or more subjects - Rs.7/- "

The sanction of the Government was requested in this office
reference No. B.3. 2926.47 dated 6--1--1948 for the levy of school
fees in the two Municipal High Schools at Rs.7/- and Rs.4/- per
instalment respectively in the Upper and lower forms. The
sanction was declined in G.O. Ms. No. 497, Education, dated
13th March 1948 and in Government Memorandum No. 32490 B.1./48 -
2 Education, dated 31--5--48.

The above higher rates of fees are being levied in the National High School, Mayuram, which is a private school. On account of this there is great rush for admission in the two Municipal High Schools which do not even have sufficient space for opening any additional section. From the inspection reports it ~~will~~ be seen that the Municipal High Schools, Mayuram and Koranad are ^{two} ~~the~~ of the well-conducted Municipal High Schools in the Presidency and there is therefore no justification for levying the lower rate of school fees in these two schools.

Moreover, there is a heavy deficit under Secondary Education. Even after taking into account the levy of school fees at the enhanced rate of Rs.7/- and Rs.4/- per instalment, for the higher and Lower forms respectively, there is a deficit of Rs.8,000/- per year under secondary Education. In these circumstances the Council at the time of passing the budget for the year 1950-51, resolved to increase the school fees from the next school year at Rs.7/- per instalment for forms IV to VI and at Rs.4/- per instalment for forms I to III. A copy of the Council's resolution No. 880(11) is also enclosed herewith.

I therefore request that the Government may be pleased to accord sanction for levy of the above increased rate of school fees from the school year 1950-51.

The Government in their memorandum cited above accorded sanction to levy fees in Municipal High Schools from the supplementary students at the following rates with effect from 1947-48.

For a single subject - Rs.4/- per instalment.

For two or more subjects - Rs.7/- per instalment.

The enhanced rate of fees in the case of supplementary students however was not indicated then. The Headmasters of Municipal High Schools, Mayuram and Koranad have now solicited instructions as to the rate of fees to be collected from supplementary pupils and stated that pending receipt of orders on this matter they are collecting Rs.8/- from supplementary pupils i.e. Rs.1/- above the rate fixed for the IV, V and VI Form pupils. The Municipal Council in its resolution No. 598 dated 16-9-50 (copy submitted) resolved to collect fees at the rate of Rs.8/- per instalment.

subject to the sanction of the Government. The fee is being collected at this rate of Rs.8/- per instalment from the supplementary students with effect from the school year 1950-51.

Therefore request that the Government may be pleased to accord sanction for the levy of fees at Rs.8/- per instalment in the case of supplementary pupils with effect from 1950-51.
