With reference to the L.A question at page 1 of, the Director of Public Instruction has reported that teachers and headmasters of Secondary schools managed by Govt. and local bodies are not prohibited from giving private tuition to pupils. The undertaking of private tuition by teachers and headmasters in Govt. secondary schools is governed by subsidiary rule (6) of Fundamental Rules 46 and 47 and by teachers and headmasters in secy schools under local bodies by Rule 6(3) (i) of the rules

relating to the personal conduct of officers and servants of local bodies.

2. The Director has also reported that no representations have been received from teachers and headmasters in Secy. schools under the management of Govt and local bodies regarding ^{the} ~~the~~ question of undertaking of private tuition.

A draft answer is submitted below for consideration. It may be circulated to H.M. (E & L) for approval.

The question of imposing certain restrictions on teachers undertaking private tuition is under separate consideration: the D.P.D. has been asked to place the matter before the Provincial Advisory Board of Education at its ensuing meeting.

Private tuition by the teachers and headmasters of secondary schools.

* 64 Q.—JANAB S. MUHAMMAD ISMAIL: Will the Hon. the Minister for Education be pleased to state—

(a) whether the teachers and headmasters of secondary schools managed by the Government and local bodies are prohibited from giving private tuition to pupils; and

(b) whether the Government have received any representations from them to remove this restriction and to allow them to give private tuition in their off-hours?

THE HON. SRI K. MADHAVA MENON:—“(a) No, teachers may give private tuitions subject to ordinary rule regarding private employment by public servants.

“(b) No.”

SRI P. A. THANGASWAMI:—“Sir, has it not been brought to the notice of the Hon. Minister that in some places the institutions have asked for a share of the tuition fees earned by the teachers; and if so, will the Government declare what their policy is in the matter?” (Laughter.)

THE HON. SRI K. MADHAVA MENON:—“Sir, with regard to the sharing of tuition fees by the Government schools or local board schools no instance has been brought to the notice of the Government. Regarding private schools, it is an arrangement between the management and the private teacher.”

SRI G. KUMARASWAMI:—“May I know if it is not a fact that with the permission of the management the pupils are allowed to have tuition from teachers?”

THE HON. SRI K. MADHAVA MENON:—“Yes, Sir. In private institutions and aided institutions, it is a matter of agreement between the teacher and the management for taking a portion of the tuition fees by the management.”

SRIMATHI C. AMMANNA RAJA:—“May I know whether the tuition cannot be given without receiving any fee?”

THE HON. SRI K. MADHAVA MENON:—“In the case of Government and local board schools it does not matter whether they take any remuneration or not. The rules require that teachers have to take the permission of the management before they undertake tuition work?”

JANAB M. S. ABDUL MAJID:—“It is not a fact that the Hon. Minister said that tuition can be given under certain conditions. May I know those conditions?”

THE HON. SRI K. MADHAVA MENON:—“Rules 46 and 47 govern tuition work. The main condition is that they must take the permission of the head of the department or the management, for they must be satisfied that their public work will not suffer by the undertaking of tuition work.”

SRI B. S. MURTHI:—“Does this rule prevent a teacher of the Government or local board school giving private tuition to his kith and kin (laughter) where tuition fee is not taken?”

THE HON. SRI K. MADHAVA MENON:—“I do not know whether the rule prevents a father giving tuition to his son (laughter). The tuition my hon. Friend means is of a different kind. Where remuneration is taken, the previous permission of the head of the department or the management should be taken.”

The L.A. Qn. at p 1 cf was answered on 11-11-49 vide the copy of the proceedings above. No further action is called for on the question. The papers may now be
