Abstract.

Rules- Educational institutions under local bodies-fee concessions-
Amendment- Confirmed.

G.O. No. 3320 Edn. dated 31-10-49.

From the President District Board, Ramnad F. Dis. 34295/49 dated 24-11-49.

From the Director of Public Instruction No. 139 E4/50 dated 16-4-50.

ORDER:

In G.O. 3320 Edn. dated 31-10-49 the draft of an amendment to the rules relating to educational and medical institutions of local bodies in regard to fee concessions to the children of women teachers was published for information. The President, District Board, Ramnad suggests that as the salaries of women teachers will increase year by year due to the sanction of increments, fresh certificates of income will be necessary every year, that to avoid break in continuity of concession, production of certificate of income may be insisted in the case of new admissions alone and that as regards the continuance of concessions in the case of pupils who have enjoyed the concession in the previous year, certificates from employers may be insisted.

2. The Government do not consider that it is necessary to produce an income certificate every year. A pupil who has been admitted to the concession need not be required to produce certificate of income in subsequent years unless the authority granting the concession has reason to believe that there has been a substantial improvement in the income of the parent. The income limit prescribed in the rule.
