On 22-11-49, a short notice question was given by  
Dr. V.K. John, M.L.C. on matters relating to the absorption  
of the Pudukkottai staff in posts under this Govt. and it  
was answered by the Leader of the Council on behalf of  
H.Pr. on 26-11-49. Sri R. Suryanarayana Rao, M.L.C. by a  
supplementary question wanted to know about the position  
of teachers employed in the State schools at the time of  
merger. The Hon'ble Minister then suggested that a separate  
question might be put. Presumably with reference to this  
suggestion the member has now given notice of question No. 157  
in the c.f.

Clause (a) of the question: The general principles regarding the absorption of Banganapalle and Pudukkottai State staff in posts under this Govt. have been laid down in G.O.Ms.No.855, Pub.(Pol.) d/26-3-49. They have been made applicable in their entirety to the Sandur State employees also with all modifications issued from time to time - please see G.O.Ms.No.3238, Pub.(Pol.)d/21-9-49. As the principles laid down in the G.O. are applicable to all the employees of the merged States to be absorbed in posts under this Govt., it follows that they apply equally to teachers employed in Govt. schools in the merged States who are to be absorbed under this Govt. This Deptt. have no information in respect of teachers employed in State schools that are to be managed by local bodies.

E & P.H. are mainly concerned with the subject. They may see for remarks in the first instance. They may also be requested to put up copies of orders or instructions issued on the subject in order to answer the L.C. question in the c.f.

Please see the L.C. qn. at p1 of and the notes of Pub (Pol) Deptt. above. The file has been sent to this Deptt. with reference to the absorption of the staff in the Secondary Schools which were maintained by the now defunct states of Banganapalle, Pudukkottai and Sandur.

2. It is presumed that the question relates to teachers in State Secondary and elementary schools. In accordance with the policy of the Govt. to depend

on local bodies and private managements for the provision of facilities for secondary education, especially for boys, the Govt. sanctioned the transfer of management of the secondary schools maintained by the ex. state of Banganapalle to the St. Bd. Kurnool vide G.O.Ms. No. 1727 Edn. d/9-7-48. Pending issue of final orders regarding the ~~final~~ absorption of the staff in the service of the St. Bd. Kurnool, Orders ~~have been~~ <sup>were</sup> issued in G.O. No. 2970 Edn. d/24-9-49 <sup>in regard to</sup> the fixation of pay of the staff in the revised scales of pay with effect from 1-1-49. The pay of the members of the staff has been fixed in the revised scales in accordance with the principles laid down in G.O. No. 855 Pub (Pol) d/26-3-49. The D.P.S. has now submitted proposals for the permanent absorption of the staff in the St Bd. service in accordance with the principles laid down in the Pub (Pol) G.O. cited. The proposals are under examination.

The State Secondary Schools in Pudukkottai and Sandur are temporarily under the management of Govt. It is proposed to transfer the managements of these schools to the local body concerned on the extension of the Madras Local Bodies Act and the Madras District Municipalities Act to these areas. As regards the staff in the State Secondary schools in the Pudukkottai area the D.P.S. has been requested to fix their pay in the scales of pay allowed for teachers in secondary schools under local bodies, allowing weightage for their previous service in the schools, while no such instruction has been issued in respect of teachers in the Vidyamandir High School, Sandur.

The D.P.S. has not yet raised the question of fixation of pay of the teachers in this school in the revised scales of pay fixed by this Govt for the staff in secondary schools under the management of Govt local bodies.

Through B2.

29.12.49

In the case of Banganapalle & Sandur, the elementary schools maintained by the two states were transferred to the management of the St-Bds Kurnool & Bellary respectively. No elementary schools of these states is maintained by Govt. As regards Pudukkottai the decision is that the elementary schools maintained by the state should be taken over temporarily under Govt. management till a local authority is constituted for the state.

Area. The teachers employed in these schools are however allowed salaries only at the rates admissible to employees of St. Schs.
