Government of Madras,
MADRAS.

Sir,

Subject:- Government Grant to the Hindustan Scout Association, Madras Presidency for June Quarter.

I am herewith sending you the papers relating to All India unity for information. The Girl Guides Association in India raised some difficulties in the matter of Administration and Training and now a compromise formula is suggested by Dr. Tara Chand of the Education Department, Government of India.

The formula suggests that in the matter of Training, the women workers coming under the Girl Guide Section will deal with the training of girls by themselves. But the Administration, Organisation, Membership and the direction of the Movement for both the sections will be dealt with by the National Council.

The Boy Scouts Association is meeting, we are informed to decide about this matter next month.
