Students nominated by the Cochin Government.

Sir,

The Director of Public Instruction Madras has informed this Government in his letter R.C.No.1330/K2/48 dated 16th January 1949 that with effect from the academic year 1948-49 the College of Engineering, Guindy has been excluded for purposes of allotment of seats reserved for students from outside the Province and that therefore the students nominated by this Government from 1948-49 will have to continue their studies in the Arthur Hope College of Technology at Coimbatore.

This Government are paying capitation fees on behalf of the students deputed by this State for their course in the Engineering College, Guindy. As such, this Government consider that they have a right to request you that this Government's nominees now studying in Guindy are allowed to continue for the rest of their course in Guindy itself. This Government also request you to be kind enough that seats may be reserved in the Guindy Engineering College itself for future entrants also from this State.

Yours faithfully,

SUB: COLLEGES - Govt. Engineering - Retention of students from Travancore-Cochin at Guindy.

From the Travancore-Cochin Govt., Edn. Dept., Misc. Section, No. EM4-4253/49 dated 1-3-50.

From the D.P.I. No. 1330 K2/48 dated 6-4-50.

At present 2 seats are reserved in the Engineering Colleges of this Govt. for students from the Travancore-Cochin State. In his letter dated 12-7-48, the D.P.I. stated that it was not desirable to reserve seats in the Engg. College, Guindy, for outside students and suggested that they might be admitted into the Govt. Engg. Colleges at Coimbatore, Kakinada and Anantapur, ~~as indicated in his letter dated 12-7-48~~. The Govt. accepted the proposals of the Director. Students from Travancore-Cochin are, according to this arrangement, to be admitted into the A.H. College of Technology, Coimbatore. The Govt. of Travancore-Cochin now request that students from their State now studying at Guindy may be allowed to continue there for the rest of their course and that, in future also, their students may be admitted into the Engineering College, Guindy, itself. The D.P.I., who has ~~been~~ consulted in the matter, states that students from Cochin (present Travancore-Cochin Union) admitted in the Engg., College, Guindy, prior to 1948-49 will continue to complete their course at Guindy itself and that in respect of the State students to be admitted in future, the orders in Memo. No. 52005-A/48-4, Edn., dated 29-7-48 need not be modified.

2. It may be pointed out here that the Travancore-Cochin Govt. have no right as such to insist that their students be admitted only into the Engg. College, Guindy, simply because they pay capitation fees. Other State Govts. also pay capitation fees in respect of the students coming from their States for whom seats are reserved in the Engg. Colleges of this Govt. It lies purely within the discretion of this Govt. to allot seats for those students in any College, as is convenient to them, ~~and outside States can have no voice in this regard~~. Moreover, orders have since been issued abolishing the system of levying capitation fees from students coming from outside this State for studying in this Govt's Professional Colleges. In the circumstances, the Travancore-Cochin Govt. may be informed that their

students admitted at Guindy prior to 1948-49 will be allowed to complete their course at Guindy itself and that students from their State to be admitted hereafter will be admitted only ⁱⁿ to the A.H.
