Sub,
Recruitment (Transfer) - Madras Stationery and Printing Service - Assistant Superintendent, Government Press, Madras - Correspondence resting with your letter No. 174-Mis/1 dated 28-10-1949.

I am to say that from the particulars furnished with your letter cited, it is seen that Sri M. Kuppuswamy and Sri S. Ramaswamy do not possess all the qualifications prescribed for appointment as Assistant Superintendent, Government Press by transfer from the Madras Government Press Subordinate Service. They are therefore technically not qualified for such appointment. Their cases can be considered only if the rules are relaxed in their favour by the Government.

2. The personal files of Sri M. Kuppuswamy and Sri S. Ramaswamy are herewith returned. Their receipt may kindly be acknowledged.

Yours faithfully,

Secretary.

p 25 (S) I am to state that Government in their memorandum No. 67587-C2/49 Edn. dated 23rd September 1949 (vide copy enclosed) have issued orders to the effect that a list of the "technically qualified" candidates together with their personal files from among the Government Press Subordinate staff should be sent to you with my recommendations.

Remarks

pp 1-24 (D) 2. In Commission's letter No.5884-B1/48-8 dated 8th April 1949 addressed to Government under Annexure II the names of eight subordinate officers of the Press who have been found not yet fit for appointment as Assistant Superintendents at the time of selection are mentioned and their suitability for selection for such appointment was asked to be reported. Also during the time of last interview and selection ranks were assigned to them.

3. In order to fill in leave vacancies it is now considered necessary to have a panel of two officers approved by the Commission for appointment as Assistant Superintendents. I am therefore to request that the Commission may now be pleased to select Sri M Kuppuswamy (No.1) and Sri S. Ramaswami (No.2) in the order of the seniority therein for appointment as Assistant Superintendents; their work and conduct since then have been found to be satisfactory and I consider them fit to be appointed as Assistant Superintendents in the leave vacancies as and when they arise. Their personal files are also enclosed herein for favour of perusal. I presume that no further interview by the Commission in this regard will be necessary as they have been already interviewed by the Commission.

Sir,

Subject; Government Press-Application for the post of Asst.Supdt.

Reference: Government Memo No.76307 C2/48-10 Edn. Dated 4-8-1949

p55 CF (K)

A very kind reference is invited to the above memo under reference wherein I was informed that there were no vacancies of Assistant Superintendents in the Government Press, Madras as such the temporary post of Special Officer for taking stock of plant etc., on a salary of Rs250/-p.m. was offered to me and I have accepted the offer with the understanding that I shall be absorbed in a permanent post in the near future. Now that the Madras Public Service Commission have advertised for the post of Assistant Superintendent, Government Press, Madras, I request You shall very kindly arrange to fix me up in one of the posts on the scale of pay of Rs250-450 a. In this connection it is respectfully mentioned that I have sent in a formal application to the Commission through the Superintendent, Government Press, Madras

pp 1201 of (B)

I hope that the Government will be so pleased to appoint me to one of the two posts advertised as I have qualifications and experience far more ~~than~~ higher than ~~that~~ are stipulated by the commission in the advertisement. The only factor against me is that I am a bit over-aged which normally can be exempted for Technical Posts; and in this case, Ex- Burma Government servants were also permitted to apply even though they are over-aged. So I request once more that my case may be considered favourably and orders issued as early as possible.

I beg to remain,
Sir,

18980 (Very Urgent.)

To
The Secretary to Government,

Thro. the Superintendent, Govt. Press, Madras.

Sir,

Subject:- Asst. Supt.--Madras Stationery & Printing Service--Appointment of :

I beg to state that I am now a Jr. Foreman in the Government Press, Madras having passed the following technical tests in Printing and allied trades and at the same time possessing general educational qualification as laid down in the Statutory Rules.

QUALIFICATIONS:

General: S.S.L.C.-Declared 'Eligible' for University Courses of studies.

Technical: Central Polytechnic--Diploma of Licentiate in Printing Technology.

City & Guilds of London Institute, London.

Machine & Press Work Final.--First Class.

Madras Govt. Technical Examinations:

1. Group Certificate in Type Founding [prescribed tests passed (a) Electrotyping, (b) Stereotyping and (c) Type Casting].
2. Group Certificate in Letter Press Printing [prescribed tests passed (a) Compositor's Work (b) Press Work (c) Proof Readers' Work and (d) Machine Work].
3. Results of the Book Binding and Ware house Work as to qualify myself for the Group Certificate in Book Binding are awaited.

With reference to the recent advertisement of the 'Madras Public Service Commission' inviting applications for the temporary Asst. Superintendents by direct recruitment I submitted my application for one of them on the strength that I belong to a Non-brahman Backward Community and possess all the requisite qualifications required for the applicant. Unfortunately the Commission wrote back to say that my application was rejected on the grounds that my age exceeded 30 Years. I am only 33 Years (born on December 12, 1916.).

I beg to invite the attention of the Government to the Rules governing the Madras Stationery & Printing Service Printed in Vol. II of the Madras Services Manual in which it is laid down that no age restriction to stand in the way of persons already in the service of the Government Press, Madras for applying to the post of Asst. Superintendent even by direct recruitment. This rule does not seem to have been amended till now, even by implication, as the rights vested in the statutory rules quoted above cannot be abbreviated by subsequent revision. Even then, sufficient opportunity should be given before superseding the existing rights.

The age restriction referred to by the Commission may well be applied to persons not already in Service in the Government Press. But applied age restriction to a person in Government Press having attained such higher qualifications by dint of hard work and merit as in my case may not be insisted on pointing out a new rule which the Press was not aware of. Even granting in this case I am equally fully qualified for appointment by

22

transfer for which the statutory rules are quite silent on the age limit. So far as qualifications both general and technical are concerned, at the risk of presumption I beg permission to state that I possess the highest, amongthe non Gazetted subordinates of the technical Staff. In the circumstances, I beg to request humbly to examine my case carefully without any delay as to issue instructions to the Commission to consider my application pending the question of decision on the age restriction, as I understand that the interview by the Commission is to come off in the course of this week for which act of kindness I shall feel highly grateful.

Yours faithfully,

Sivanandaji.

Sir,

Sub: Government Press - Appointment of Assistant Superintendents in leave vacancies.

In inviting a reference to paragraph 2 of my letter No.14-Mis/dated 1st September 1949, I request that Government may be pleased to pass orders selecting a panel of two officers as leave reserve for appointment to the posts of Assistant Superintendents, Government Press, as and when leave vacancies arise, on the results of the competitive examination held on 16th February 1950 by the Public Service Commission, Madras. Here I would like to point out to Government that an Assistant Superintendent has taken ill and has been admitted as an inpatient in the Government Stanley Hospital for the last one week. I am not in a position to say how long he will be absent. As his work has to be gone through by other officers who are already overworked, I request Government to pass early orders.

Govt. Press – Appointment of Asst. Supdt. in leave vacancies

Please see the S.G.P.'s letter on pp 5-6 cf.

p 25 –(S) 2 In Memo. no. 67587 C2 Edn dt 23.9.49, the S.G.P. was requested to send to the Madras Service Commission a list of technically qualified candidates together with their personal files, from among the Govt. Press Subordinate Staff, with his recommendations and with an estimate of vacancies so that the Commission might offer its opinion on the suitability of the candidates for appointment as Ag. Asst. Supdts. With reference to this,

p 54 the S.G.P. sent ~~the~~ ~~two~~ two names namely Sri M Kuppuswami and (2) Sri S. Ramaswami, ~~the~~ occupying the first two places in Annexure II

Read

p 2 cf –(D) of the Commission letter no 5884/B1/48 dt 8-4-49 who were "not yet fit for appointment as Asst. Supdts" at the time of the last selection.

3 The Commission states that

p 1 cf Sri M. Kuppuswami and Sri Ramaswami do not possess all the qualifications prescribed for appointment as Asst. Supt. Govt. Press by transfer from the Govt. Press Subordinate Service & they are therefore technically not qualified for such appointment & their case can be considered only if the rules are relaxed in their favour by the Govt.

p 1 cf

3. The S.G.P. contends that the amendment of the rule referred to was introduced in G.O. 2064 Edn. of 27.6.49 subsequent to the interview conducted by the Commission for the selection of Asst. Supts. by transfer and had there been a proposal then for leave reserve these two persons would have had a fair opportunity for selection by the Commission as they have been placed in Nos. 1 & 2 in the annexure referred to para. 2 above. The S.G.P. however states that if Govt are not in favour of relaxation of rules in respect of these persons, there are fully qualified young men who have specialised in Printing & allied trades in the U.K & U.S.A willing to be ~~p~~ first taken on trial in the leave vacancies and subsequently absorbed in the services as and when vacancies arise.

S.G.P. & with the exception of Messrs. Siddique & [illegible] who were recruited directly as Asst. Supts, they are all men who have risen from the subordinate ranks in the Press & they seem to be steeped in the old traditions. The Committee recommends that the Gazetted Assistants who have not acquired probationary rights may be reverted and their places filled by suitable direct recruits.

5. Prior to 1948, the appointment of Asst. Supt. in the Govt. Press was by direct recruitment or for special reasons recruitment by transfer from any other service. On the representation of certain senior members of the Govt. Press subordinate service, in respect of promotion to Gazetted posts in the Press in particular to the ~~Gaz~~ posts of Asst. Supts. the Govt. considered the question of amending the rules & orders were issued in G.O. 21 Edn. dt. 3.1.48, amending the rules, enabling the promotion to the post of Asst. Supt. Govt. Press by transfer from any other service. But, if no qualified & suitable candidates are available for appointment
