In continuation of the report in para 4 of my letter quoted above regarding the opening of a school for deaf-mute children in Malabar, I have the honour to state that the number of applications for admission reported to have been received so far by the District Educational Officer, South Malabar is 5. The District Educational Officer, North Malabar has reported that 25 deaf-mute children from North Malabar are likely to apply for admission to the School. Altogether about 20 deaf mute children are likely to join the school.

A

2. The District Educational Officer, South Malabar has also submitted the application of one, Sri Samuel C. Abraham for the post of a teacher in the School. It is stated that the applicant was a teacher in the Deaf and Dumb School, Thiruvella (Travancore) from 15-9-41 to 5-6-47, an aided institution under the Government of Travancere. He is a holder of the Vernacular School Leaving Certificate and Malyalam High School certificate and professionally, he has passed the Higher Grade Trained Teachers Certificate Examination of Travancore Government and possesses a technical certificate from the Board of Education, Dioceasan of Travancore and Cochin. A copy of the letter of Sri Samuel is enclosed. As there will be about 20 children, it may be necessary to appoint 2 teachers besides the specialist teachers. The Principals, Government Victory Memorial School for the Blind, Poonamalle and the Deaf and Dumb School at Palamcottah being consulted as to whether a teacher knowing Malyalam will be available for appointment in the School. Meanwhile, I request the orders of Government whether the School may be opened at Chunangad with the one single teacher who has applied for the post and is available.

3. As regards the building at Chunangad where it is proposed to open the School, the owner has stated that the house is a two storeyed building with 10 living rooms, 2 big halls, dining hall, store room, two kitchens, granary, two bathrooms, well, two latrines and verandah on three sides situated in a sufficiently big compound. The owner has demanded a minimum rent of at least Rs.100 per mensem and wishes to enter into a form of agreement in the matter. The Deputy Inspector of Schools, Ottapalem, is being requested to inspect the building and submit rough sketch and extent of compound. From the above details it appears that the building will be suitable for the purpose. If Government considers favourably the starting of the School, proposals showing the estimated cost in the current year will be submitted for sanction.

Yours faithfully,

For Director of Public Instruction

p1 of (Y)

I solicit attention to para 3 of my letter R.C.No.1863-K3/48 dated 6.11.1949 in regard to the building in which it is proposed to open the school for the Deaf and Dumb at Chunangad. The District Educational Officer reports that the owner of the building insists upon executing a lease deed and that the rent to be paid for the building should not fall short of Rs.100/-. The Executive Engineer, West Coast Division, who was addressed by the District Educational Officer to furnish a certificate as to the reasonableness of the rent, in January 1950, has not yet furnished the same, and the District Educational Officer requests instructions whether he can assure the owner of the building that the rent for the building will not be less than Rs.100/-. The owner has been requested to carry out the necessary repairs to the building and hand it over by the 1st week in July 1950.

2. In view of non-availability of other suitable accommodation in Malabar District for the opening of the school, the building under reference has to be secured. The owner of the building is not willing to rent the house for less than Rs.100/- and if this amount is not paid the owner is not prepared to x rent out the building in which case the opening of the school has to be postponed indefinitely. In the circumstances I request orders whether I may instruct the District Educational Officer to agree to pay the rent viz. Rs. 100/- demanded by the owner.

X

I solicit the favour of very early orders in the matter.

Yours faithfully,

(E)/ pp 13-14 cf As the existing facilities for the education of defective children are very inadequate, the Govt. sanctioned the opening, during 1948-49, of a school for the Deaf and Dumb at Palappuram in South Malabar. But as no suitable accomodation was available, the school could not be opened in that year. para 4 on p2 cf of (G) In October 1949, the D.P.I. reported that a suitable private building was available at Chunangad in South Malabar and suggested that the school might be opened ~~as soon as there is~~ if it is possible to secure economic strength for the school. p1 cf He has since reported that the school may attract ~~as many as~~ nearly twenty pupils and that a qualified teacher ~~is available~~ has applied for appointment. para 2 p1 cf In the circumstances, the Director solicits orders whether the School may be started, in the first instance, with the services of this single teacher in the building available at Chunangad. It may be stated in this connection that in G.O. 3696 Education dated 1-12-49, Government approved the action of the Director of Public Instruction in having ordered the opening of a School for the Blind at Cuddapah with a strength of only 6 students. Compared to the strength in the school at Cuddapah the anticipated strength in the proposed school is large. This Department may agree to the opening of the school next school year instead of in the current year. In October 1949, the Director of Public Instruction reported to Government that the above school could not be opened for want of a suitable building and sufficient number of pupils.

Subsequently, Government issued orders in G.O. 1100 Education dated 11-4-49, approving, among others, the proposal of the Director of Public Instruction for the opening of a school for the Deaf and Dumb in a Tamil District.

In that G.O. sanction was accorded for the employment of the following staff and the incurring of expenditure in the Deaf and Dumb School.

was not given effect to within one year from the date of the order, it has to be considered as having been lapsed. It seems the present scheme has to be considered as a new scheme in view of the fact that modifications have been made in respect of the staff. The scheme has to be treated as one for introduction in 1950-51. As the estimated cost of the scheme exceeds Rs. 10,000 per annum recurring, it has ordinarily to be placed before the Standing Finance Committee and the Cabinet before orders are passed.

4/ With reference to the proposal of E & P.H. at 'A' on page 3 above, it may be stated that provision can be included in Part I estimates for 1950-51 only in respect of sanctioned schemes. This is not a sanctioned scheme. If orders are issued ~~before~~ and communicated to this dept before 7.1.50, the necessary provision will be included in the B.E. for 1950-51. Otherwise, E & P.H may ~~E & P.H. will have to~~ apply for supplementary appropriation next year. ~~after the scheme is sanctioned by the Government.~~

With a view to provide additional facilities for the education of the deaf and dumb, the Govt sanctioned in G.O. No 2553 Edn dated 10-10-48, ~~[illegible]~~ the opening of a Govt school for the deaf and dumb in South Malabar. Owing to the difficulty in securing a suitable building, it was not possible to open the school in the last year itself. The D.P.I. has now reported that it would be possible to open the school at Chunangad in South Malabar during the next school year. The cost involved in the proposal is now estimated at Rs 13,475 ~~xxxxxxxxx~~ Recurring in 1950-51 and Rs 16,400 per annum ultimately and Rs 3,000 non-recurring. In para 3 of their note ~~on pages 4-5 ante~~ above, the Finance Dept have pointed out that the scheme should be treated as one for introduction in 1950-51 and that it should be placed before the S.F.C. and the Cabinet before orders are passed.

They have also pointed out that it will be possible to include provision for this school in the Part I estimates for 1950-51 only if orders of Govt are obtained and communicated to them before 7-1-50- For this purpose it will be necessary to dispense with reference to the S.F.C. and the Cabinet and obtain orders in circulation to H.M.(Edn and Law) H.M.(Fin) and H.Pr (Short Circuit procedure) As the school is to be opened only in the next school year there seems to be no case for dispensing with reference to the S.F.C. and the Cabinet. Orders of H.M.(Edn and Law) and H.M.(Fin) may be obtained whether the proposal may be placed before the S.F.C.
