D.O.

Office of the Director of Public Instruction,  
Cathedral P.O., Madras, 21st March 1950.

Dear Sir,

The S.S.L.C. Examination began on the 15th and I am glad to state that so far it has gone on without any serious hitch. Nevertheless the drawbacks revealed in the course of conducting it are such as compel me to make this urgent representation for increased staff in the Office of the Commissioner for Government Examinations. Instances have come to my notice where question papers did not reach their destination in time or got mixed up wrongly. This could have led to complications involving a re-examination but, fortunately, this we have escaped. On investigation I find that the officers concerned are not to be blamed, that in fact they only deserve to be congratulated in that this did not give room for more serious complaints. The position, to state briefly, is such that with only three officers, one Secretary and two Assistant Secretaries, it is impossible to conduct these examinations hereafter without inviting serious trouble; the physical effort involved is beyond any three men as you will see from the details I give below:-

The number of candidates offering for the S.S.L.C. this year has risen to 66,900, an increase of 14,000 over last year's figures. The examinations are held in 594 centres and involve the careful arrangement, packing and despatch of 90,000 question paper packets. This work cannot obviously be entrusted to an ordinary clerk or peon. The three officers had to do the work themselves. Attending office from 7-30 A.M. to 9 P.M. they did their best and this best has been good enough. But it is doubtful if they can stand the strain continuously for ever, nor is it fair that they should be subjected to it. It is not only the S.S.L.C. Examination that requires this all-absorbing effort and attention. The day after it is over, the T.S.L.C. begins. It is a case of 18,400 candidates involving despatch of 11,300 question paper packets. Then comes the VIII Std. with its 47,700 candidates. Nearly a lakh of copies of question papers have to be sent to the examination centres. Alongside of these, the officers have to arrange for the receipt and despatch of 17,000 answer paper packets to the various Examiners, to arrange for the meetings of the Examiners, etc. Before this complex high-tension work comes to an end, the marks will begin to come and yet another period of hectic 'confidential' activity follows. By July the arrangements for the ensuing October Examination have to be made as well as for the setting of question papers etc., for the March 1951 Examination. In addition to these, there are 12 other examinations. They are -

1. Government Technical Examination.
2. Sanskrit Entrance Examination.
3. Technical Teachers' Certificate Examination.
4. European School Examination.
5. Examination for Teachers' Certificates in Physical Training.
6. Examination for Teachers' Certificates in Indian Music.
7. Examination for Nursery School Teachers' Certificates.
8. Examination for Teachers' Certificates in Schools for Physically Defective.
9. Examinations of the School and College of Indian Medicine.
10. Pandits Training Certificate Examinations.
11. Basic Training Certificate Examination.
12. B.T. Examination for Secondary grade teachers' certificate holders.

I don't want to go into the details of these. I have indicated enough to give you an idea of the magnitude of the work and responsibility involved. I have already in my letter R.C.No. 371 A/48 dated 13-8-1949 stressed on the gravity of the situation. My request for additional staff made in that connection was only partially complied with in G.O.Ms.No.3537, Edn., dated 17-11-1949.

I must now point out that things have reached a stage where without increased staff a break-down of the whole machinery must be expected as inevitable. If Government agree that that must be avoided at all costs, I request Government may be pleased to sanction the remaining posts asked for immediately, which is only the minimum required for the effective re-organization of the stupendous task involved.

1. One Deputy Commissioner to do the overall supervision (Rs.600 to 1000 scale).
2. One additional Secretary in the same scale as the present Secretary (Rs.230--700 scale).
3. Six Superintendents on Rs.140 to 190.
4. Two Upper Division clerks.
5. Four Lower Division clerks.
6. One Attender.
7. One peon.

I should like to point out in this connection that the cost involved in this should not be a consideration as is the case with posts maintained out of general revenues. The expenses in regard to the examination are met out of the special examination fees and should it be necessary, Government can always meet the extra cost by raising the rate of fee. As it is, the need for increasing the fees does not arise for the margin in 1948-49 in Government's favour ran to the extent of Rs.4,49,033 and which is necessarily greater this year. I must insist that it is not fair to consider this margin as a source of revenue and that the first charge on the fee income should be the proper and efficient conduct of the examinations at every stage.

Yours sincerely,

SUMMARISING NOTE.

ESTABLISHMENT - Office of the C.G.E. - Appointment of additional staff - Proposals.

The work in the office of the C.G.E. has, of late been on the increase <sup>in connection</sup> with the conduct of the several Govt. Examinations. The C.G.E. submitted proposals for additional staff as an urgent measure to cope with the increased work on account of these examinations. ~~The~~ <sup>being</sup> existing staff found inadequate to cope with the enormous increase of work due to the increase in the number of these examinations and the number of candidates applying for the Examinations viz., S.S.L.C., T.S.L.C., E.S.L.C. not to speak of the technical examinations. ~~and~~ The Govt. felt convinced of the need for <sup>for</sup> staff and have decided to sanction the following additional posts temporarily for a period of one year from the date of employment:-

One Deputy Commissioner on Rs. 600-1000

2. Superintendents on Rs. 140-190

2 U.D. clerks (Rs. 80-125) (Rs. 80-110)

4 L.D. clerks (Rs. 45-90)

One Attender (Rs. 24-35)

One peon (Rs. 18-25)

2. The extra cost on account of the staff ~~is~~ is estimated at Rs. 25,800 p.a. and the Scheme should normally be treated as one of 'New Service' and should ~~ordinarily~~ be referred to the S.F.C. and the Cabinet. In view of the extreme urgency of the case, however, orders have been issued sanctioning the above staff after obtaining the orders of H.M.(E.&L.), H.M.(F) and H.C.M.

3. This note is ~~now~~ circulated to the other Hon'ble Ministers, C.S., and the Finance Dept. in accordance with the instructions contained in the Finance U.O. Note No. 26978(A)-BG-4 dated 21-12-47.

EdnSecyVery urgent

Take action immediately on the requests made by the T.P.D in his Co. He discussed this with me. It is certainly wrong to ~~let~~ make a profit or revenue of Examination fees. Albeit we must give sufficient staff for conducting examinations. I have personally seen the difficulties the T.P.D was undergoing this year. The numbers for the Examination have risen phenomenal this year and is not likely to decrease.

From the C.G.E, 1

The Commissioner for Govt. Examinations, has submitted proposals for the following additional staff for his office:-

1. Dy. Commissioner (on Rs. 600-1000 scale)
2. One Addl. Secretary in the scale of the present Secretary (Rs. 230-700)
3. Six superintendents (Rs 140-5-190)
4. Two U.D.Clerks. (Rs 80-125)
5. Four L.D.Clerks. (Rs 45-3-60-290)
6. One Attendar and
7. One peon.

The Commissioner has submitted ~~that~~ these proposals on the basis of his <sup>experience</sup> ~~expense~~ of the S.S.L.C Examination of March 1950, which is just now over. He observes that the employment of the above addl. staff is required for the efficient conduct of the examinations, as the existing staff is inadequate to cope with the enormous increase of work conducted due to the increase in the number of exams. Conducted and the number of candidates applying for the examinations, namely the S.S.L.C., T.S.L.C. and F.S.L.C. Exams.

Not to speak of the Technical Examinations. The Commr. apprehends a "break down" of the ~~whole~~ <sup>entire</sup> machinery if increased staff is not sanctioned.

2. It may be pointed out that the Commr. submitted proposals for almost the same staff in <sup>August</sup> ~~March~~ 1949. It was considered ~~that~~ the work of that office though being urgent, heavy and confidential it was of a routine nature ~~and~~ that the relief needed could not be ~~secured~~ <sup>secured</sup> by converting the post of Secretary to the C.G.E. in the M.E.S. grade <sup>into</sup> ~~with~~ that of a Dy. Commr. on Rs. <sup>600-</sup> 1000, but by sanctioning another Gazetted Officer to help the Secretary in his confidential work. The post of non-gazetted Asst. Secy. on Rs. 190-240 was accordingly converted into that of a Gazetted

A request for further add staff was negatived in G.O. NO. 164 Edn dt 20.1.50. It was ~~considered~~ <sup>ordered</sup> in that connection that the results of the add staff already sanctioned <sup>presumably</sup> in G.O. NO. 3537 Edn dt 17.11.49 should be watched for some time more. It is just over two months since the ~~de~~ orders referred to above were passed.

3/ from the above it may be observed that it is rather too early to take up the question of employing add staff for the office of the C.G.E. Attention is also invited in this connection to the rules of Edn Deptt in para 3 and 4 above, wherein it is stated that the number of candidates for the S.S.L.C examination which is the highest of all other exams, is likely to decrease if the existing orders regarding detention in VI form are eventually cancelled. This adds weight to the ~~view~~ <sup>view</sup> that it is ~~not~~ inopportune to consider proposals for add staff at this stage. In the circumstances explained finance may advise that the proposals in this file for add staff be deferred.

If however it is ~~considered~~ <sup>considered</sup> that some relief is immediately essential, then finance may advise that the add staff asked by the C.G.E. in December '49 viz one U.D. clerk on Rs 80-125 and two L.D. clerks on Rs 45-90, may be sanctioned ~~for~~ for a period of ~~one year~~ <sup>6 months</sup> to ~~cover the need for the large staff now proposed~~ <sup>as the need for the large staff now proposed is not apparent</sup> ~~which will be~~ <sup>if the suggestion is accepted the</sup> extra cost involved will be Rs 4,128/- p.a. In that case it is enough if orders are issued after circulating the case to Hm (Edn) & Hm (Fin).

If the entire staff proposed by the C.G.E. were to be sanctioned, then the proposal will have to be treated as a 'new service', as the extra cost exceeds Rs 20,000 p.p.a. Requiring the sanction of the S.F.C. and the Cabinet and referred to the issue of orders. Edn Deptt will be for the

also have to take steps for obtaining a supplementary grant from the Legislature in due course.

27/3/50  
27.3.50  
The C.G.E. has indeed made a large demand for staff. Taken together with the staff sanctioned in Nov. 1949 the staff he has now asked for is considerably in excess of his original proposals submitted in Aug. 49.

The number of candidates at the S.S.L.C. Exam this year has shot up on account of dropping the "selection" system. Since this subject is now said to be under re-examination, the current year's figures cannot be regarded as a suitable criterion for judging staff requirements. However on the basis that the current year's figures will be kept up, Fin may offer the following remarks:

A Deputy Commr on the costly scale of Rs 600-1000/- to do "overall supervision" would be little short of a waste. I do not see any use in making the office of the C.G.E. top-heavy in this fashion. Fin have little hesitation in advising strongly against this proposal.

An additional Secretary on Rs 230-700 should not be necessary. Considering that one of the posts of Asst Secy was up-graded to that of Secy only a few months ago. But Fin may agree to an additional post of (ungraded) Asst Secy on 190-240. Reading the Commr's Communication it strikes me that this is just the post which he is likely to find most useful.

The demand for Six Supts on Rs 140-190 is something new. Nothing is stated as to the work they will do. Fin must advise again

This part of the proposal also.

As regards ministerial staff,  
one U.D.C. & 2 L.D.Cs may be agreed to,  
and also one attender.

In regard to the Commr's  
remarks at M. on p. 2 of the way  
agreed that this exam. need not be made a  
source of undue profit. But so long as the  
staff appointed is Govt staff the Govt  
is under an obligation to limit its size  
in accordance with standards which  
Govt usually adopt in allocating staff  
requirements. The Govt need not be  
extra liberal in the provision of staff just  
because the exam. fees have left behind  
a surplus.

If the above suggestion are  
adopted, the extra cost will be well within  
Rs. 10,000/- & order may issue after  
circulation to H.M. (Fin), H.M. (E & L)  
& H.C.M. If on the other hand the  
proposals of the C.G.E. are pressed,  
the usual S.F.C. - Cabinet procedure  
may be followed.

EDN. DEPT. (F).

The file deals with the urgent request of the Commr. for Govt.

Examinations, for additional staff in his office to cope with the increased  
work which that office has to do in connection with the conduct of the  
several Govt. Examinations, such as the S.S.L.C., the T.S.L.C. and the  
B.S.L.C. Examinations, Technical Examinations in Commerce subjects etc.

The request is contained in a letter addressed to H.M. (E. & L.) and  
is stated to be based on the experience gained from the S.S.L.C. Examn.  
in March of this year. In August of last year the Commr. for Govt. Exams.  
forwarded proposals for additional staff on a similar scale and orders  
passed, after a full consideration of his proposals, sanctioning the

conversion of one of the non-Gazetted Assistant Secretaries on Rs. 190-  
240 into a Gazetted post of Asst. Secretary on Rs. 250-25/2-350, and  
also the addition of two U.D. clerks, two L.D. clerks, one Typist and  
one Peon. The Commissioner again made a request for more ministerial  
staff which was not complied with.

2. Attention is invited to H.M.'s minute on p.1 ANTE. The C.G.E.'s  
proposals have been examined in consultation with Finance. That Dept.  
observe that taken together with the staff sanctioned in November 1949,  
the staff which the C.G.E. has now asked for is considerably in excess of  
his original proposals and they consider that a Deputy Commr. on Rs. 600-  
1000 will be "little short of waste", and that an additional Secretary  
on Rs. 230-700 should not be necessary considering that a post of Asst.  
Secy. was upgraded last year. Finance suggest that it would be suffi-  
cient if an additional post of non-Gazetted Assistant Secretary on  
Rs. 190-240 is sanctioned, and that this is just the post which is  
likely to be useful. They accept the need for some additional minis-  
terial staff as shown below. The staff asked for by the C.G.E. and the  
staff suggested by Finance are shown in the statement below:-

Staff proposed by the C.G.E.  
(1)

One Deputy Commissioner on Rs. 600-1000  
One Additional Secretary on Rs. 230-700  
Six Superintendents on Rs. 140-190  
Two U.D. clerks (Rs. 80-125) (Rs. 80-110)  
Four L.D. clerks (Rs. 45-90)  
One Attender (Rs. 24-35)  
One Peon (Rs. 18-25)

Staff suggested by the Fin. Deptt.

One Asst. Secy. (non-Gazetted) Rs. 190-240  
-  
-  
One Upper Division clerk  
Two Lower Division clerks  
One Attender

The extra cost involved on the employment of the additional staff asked  
for by the C.G.E. is Rs. 42,200/- and it is stated that if the staff  
suggested by Finance is sanctioned, the cost will be Rs. 7945 a year.  
Finance have stated that if the C.G.E.'s proposals are pressed, the  
usual "S.F.C. and Cabinet" procedure may be followed.

3. It may be stated that the increased work for which the additional  
staff is asked for relates to the conduct of examinations and the work  
is generally both confidential and urgent. In view of this circumstance  
it is a point for consideration whether instead of the additional non-  
Gazetted Asst. Secy. on Rs. 190-240 suggested by Finance, an additional  
Gazetted post of Asst. Secy. on Rs. 250-25/2-350 (as was sanctioned in 1949)

This may ~~perhaps~~ be sanctioned. In addition, if approved, will apparently necessitate the sanction of ministerial staff slightly in excess of what is suggested by Fin. It is therefore for consideration whether, instead of the staff suggested by Fin. (as in col.2 of the statement) the following additional staff may be sanctioned:-

One Sanctioned Asst. Secy on Rs. 250-255/2550

Two Superintendents Rs. 140-190

Two U.D. clerks (Rs. 80-125) and (Rs. 80-110)

Four L.D. clerks (Rs. 45-90)

One Attender (Rs. 24-35)

One Peon (Rs. 18-25)

4. It is for orders whether the C.G.E.'s proposals shown in the 1st column of the statement in the previous page, or the Fin. Dept's proposals shown in the 2nd column of the statement will be accepted,

OR

whether the Fin. Dept's proposals with the alterations suggested in para 3 above may be agreed to.

In their summarising note on pp.8-10 above, orders in circulation were only asked as to the staff which can be sanctioned. The orders in circulation accordingly cover only the point relating to the staff that can be allowed. The staff that is agreed to is as follows:-

The cost of the above staff will be Rs 25,800 p.a.

As this exceeds the limit of Rs 10,000 p.a. recurring, the case will have to be referred to the S.F.C. and the Cabinet. In case of extreme urgency, the procedure in para II(iii) of Finance U.O. Note No.26798/BG-4 dated 21-12-47 has to be followed. That is, the specific orders of H.M. concerned, H.M(Fin) and H.C.M. have to be taken, for waiving a reference to the S.F.C. and the Cabinet, and then orders may be issued and a summarising note circulated to other H.Ms.

Education may be asked to get necessary orders in circulation as indicated above before issue of orders in this case.

Edu Dept (F)

The file deals with the urgent request of the Commissioner for Govt. Examinations for additional staff in his office to cope with the increased work which that office has to do in connection with the conduct of the several Govt. Examinations. Orders in circulation including H.M(Finance) & H.C.M. have been obtained for the sanction of the additional staff detailed at A on p/12 ante. Although the cost involved is Rs 25,800 per annum, this Dept has proposed to issue orders immediately following the short circuit procedure as the case is being treated as one of extreme urgency. Finance Dept, however, suggest that specific orders in circulation should be obtained for waiving a reference to the standing P.T.O.

Establishment - Office of the  
Comm<sup>r</sup> for Genl Examinations -  
Appointment of additional staff.

Attention is invited to  
the Finance Dept's note on pp/12-13 of  
G.O. No 1460 Edn d 10.5.1950. As the  
cost of the establishment sanctioned in  
the G.O. exceeds Rs 20,000, they suggested  
that steps should be taken for obtaining  
a supplementary grant. According to  
the revised instructions since issued  
in Finance G.O. note No 70146 Bg/55-  
d 7.8.1950, the employment of additional  
staff in connection with an existing service  
for a purely temporary need, need not  
be treated as on a 'New Service'  
whatever be the amount involved. In view  
of this, no action need be taken  
in the case under reference.
