Abstract

Government Press - Mechanical

Sanctioned.

OFFICE OF THE SUPERINTENDENT, GOVERNMENT PRESS, MADRAS.

No. SBC.3/Mech-50.

Dated 14th March 1950

From

Sir,

Sub: Government Press, Madras - Mechanical Department -
Additional staff - Continuance - Requested.

p 5 (H) Ref: G.O.No.Ms.1078, Edn., dated 9-4-1949.

I have to state that the sanction accorded in
G.O.No.Ms.1078, Edn., dated 9th April 1949 for the continuance
of the following temporary staff expires on 31st March 1950.

- 1 Blacksmith on Rs.40-2-60-E.B.1-70.
- 1 Turner on Rs.40-2-60-E.B.1-70.
- 1 Fitter -do-
- 1 Fitter Maistry on Rs.90-5-130-E.B.-10-150.

There is neither any improvement in the situation already explained
in this office letter No.SBC./E. & M. E. dated 16th November 1944
nor is there likely to be any in the future in regard to the same.

Further we have now nine additional printing machines
and six binding machines which have newly erected and are in
operation. May of the machines have become considerably old
because of which breakdowns of machines have increased. Hence there
is no possibility of the repair works to come down as the total
number of machines has increased and as majority of the machines
have become old.

In view of the circumstances explained above, I
request that Government may be pleased to order the permanent
retention of the above posts as contemplated in para 3 of G.O.No.
790 Finance dated 19th July 1949 for the said posts are in existence
for the past five years i.e., from 1st April 1945.

Sir,

Sub:- Government Press - Mechanical Department - Additional staff -
Permanent retention of - report submitted. *p 3 ante*

Ref:- Government Memorandum No.2973-E/50-2 Edn., dated 30-3-1950.

It is submitted that the duties performed by the staff in question are of a permanent nature. There is a large number of machines of various kinds in the Press, and they get out of order now and then. The staff specified above is necessary for effecting simple repairs. In fact, the arrangements available in the Press for effecting repairs are not adequate, and work has often to be given to foundries outside and machines have to stand idle. There is no doubt that all the above posts are permanently required. They may be made permanent.

Finance (E.III).

The reference from the Superintendent, Government Press in the C.F. may be perused. He has proposed the permanent retention of the staff detailed at 'A' on page 1 C.F. in the Mechanical Department of the Press. Education support the proposal, and propose to sanction the permanent retention of the staff in question from 1-4-50.

2/. The posts proposed to be retained on a permanent basis were originally sanctioned in G.O. 105 Education dated 23-1-45 till 31-3-46 in the first instance and they were being continued from time to time on a temporary basis and the sanction for the above posts expires on 31-3-50.

It is observed from the letter from the Superintendent, Government Press on page 1 C.F. of (J) that the posts were requested by the Superintendent, Government Press for the duration of the war or till the situation in respect of spare parts supplies improved. It seems that the supply position of the spare parts would have improved by now. In the circumstances these posts cannot be considered as being necessary for the normal increase of work in the Mechanical Department of the Government Press.

It may be stated that the posts complete their fifth year of existence only on 1-4-50 and it seems too premature to sanction the posts on a permanent basis. Education Department may be requested to obtain the remarks of the Special Officer in the first instance whether there is any need for the permanent retention of the posts.

Sir,

Sub: Temporary Establishment Pay Bill - Presentation
of - admission of claim in anticipation of
Government sanction - requested.

I am herewith presenting a bill for Rs 366-8-0
in respect of the temporary Establishment sanctioned in
G.O.No.Ms. 1078 Edn., dated 9-4-1949, which expired on
31-3-1950.

In this Office letter No. SBC.3/Mech-50, dated
14-3-50 (copy enclosed), the Government have since been
addressed for the permanent retention of the establishment
referred to and the matter is under consideration of
Government.

As the employees are agitating for early payment
of their salary for last month and it is likely to take
some time before Governments orders are received, it is
requested that the Bill may be admitted and passed provisionally
pending receipt of Government sanction. There is no likely-
hood of the establishment being discontinued or reduced.

Department, Fort St. George, Madras for information in
continuation of my letter dated No. SBC.3/Mech.50 dated
