From

Sri V.K. Ramaswamy Mudaliar,
President,
Chinglepet District Board.

The Secretary to Government,
Education Department,
Fort St. George,
Madras.

Sir,

Sub: BUDGET ESTIMATE -- 1950-51--Elementary Education
Fund--Chinglepet District Board--Grant ~~of~~ for
deficit--Payment--Requested:--

Ref: Government Order Ms. No. 503 Education dated 17-2-1950.

With reference to para 4 of the above Government Order, I have the honour to state that the actual closing balance of the Elementary Education Fund on 31st March 1950 will be known only after the March 1950 account is prepared. But the balance as per cash book of the Elementary Education Fund Account on 31st March 1950, was Rs. 5,861-9-1 excluding the balance ~~in~~ with the Divisional Engineer (Highways), Saidapet. But it is learnt that the Divisional Engineer (Highways) Saidapet has completely spent the credit placed with him in the year 1949-50 and that there would be no balance with him. There are arrear bills amounting to Rs. 6726-12-0 pending payment on 31-3-1950 and so, the balance of Rs. 5861-9-1 available will be completely required for payment of these bills in this year. There will, therefore, be a Nil balance on 31-3-1950.

The Government while passing orders on the Elementary Education Fund Budget Estimate for 1950-51 in their No. 503 dated 17-2-1950, have observed that revising the Budget with reference to their orders, there may be still a deficit of Rs. 4.73 lakhs at the end of 1950-51 and that separate orders will be issued as to how this deficit should be met.

The deficit under Elementary Education Fund Budget is mainly due to the payment of Dearness Allowance to Elementary School teachers at rates applicable to Government servants, as per directions of Government. A sum of Rs. 422470 is provided in the Budget of this year under the Head "Masters-Dearness Allowance".

A sum of at least one lakh of Rupees is required every month for payment of salaries to Elementary School establishments. Much difficulty was experienced for funds for payment of their March 1950 salaries. Out of the contribution of Rs. 147410 due from General Funds for 1950-51 a part payment of Rs. 70,000 only could be made, as sufficient balance was not available even under General Funds of the Board. The Government grant payable under Section 37 of the Madras Elementary Education Act was also sanctioned by Government in their Order No. 1206 Education dated 17-4-1950 and this was Rs. 47952-11-0. The subsidies for the maintenance of schools opened prior to and after 1-4-21 for 1950-51, would be received only in monthly instalments and that too in June 1950 only. So, funds are now required for payment of salaries to Elementary School establishment for the current month i.e. April 1950 to be paid in the 1st week of May 1950. The balance available on this date under Elementary Education Funds is only Rs. 6131-12-4 and at least one lakh of Rupees will be required for meeting the immediate expenditure.

In the circumstances, I request that the Government may be pleased to sanction at least a sum of Rupees one lakh urgently out of the grant payable to this Board for meeting the deficit caused by

the grant of Dearness Allowance to teachers, for the year 1950-51.

Unless this grant is sanctioned, the payment of teachers salaries for April 1950, could not be made.

Very urgent orders of Government are, therefore, solicited.

R.J. 25/4.

PRESIDENT, DISTRICT BOARD.

Subj: Subsidy - Dt. Bd., Chingleput -
Towards the expenditure on
Ref: From the P.D.B., Chingleput
NO. 22045 - A9/C.1, dated 24.4.50

When passing orders on the Budget Estimate for 1950-51 of the Ele. Edu. Fund under the control of the Dt. Bd. it was stated that ~~the~~ separate orders will be issued as to how the deficit of Rs. 4.73 lakhs should be met. At the same time the P.D.B. was ^{also} asked to report the actual closing balance on 31.3.50.

The P.D.B., Chingleput, now states that the actual closing balance on 31.3.50 will be known only after the March 1950 account is prepared. But according to ~~the~~ it is learnt that there will be a Nil balance on 31.3.50. He has requested that a subsidy of Rs. 1 lakh may be sanctioned now for payment of salaries to teachers. The Dt. Bd. is incurring an expenditure of Rs. 4.22 lakhs on the grant of d.a. It seems that a subsidy of Rs. 1 lakh may be sanctioned for the present in view of the financial difficulty explained by the President. J.A. Dept. have already stated that no more additional contribution can be made from the General Fund Act. to the E.E. Fund Act. A draft order is submitted for approval.
