As such there is a proposal to convert this into a tiled buildin

Sir,

Sub: Budget Estimate - Melapalaiyam Municipality - Revised Estimate for 1949-50 and Budget Estimate for 1950-51 - Rate of Education Tax - Levy ~~of~~ at reduced rate - Sanction - Requested.

Ref: This office Roc.B.1.11135/49 dated 9-1-50 to the Director of Public Instructions, Madras enclosing the Elementary Education Budget of this municipality.

I submit that the Revised Estimate for 1949-50 and Budget Estimate for 1950-51 of the Melapalaiyam Municipal Council relating to the Elementary Education Fund Accounts have been submitted to Government through the Director of Public Instructions, Madras in this office Roc.B.1.11135/49 dated 9-1-50.

In the 2nd para of the above covering letter, the orders of the Government have been requested for for reducing the education tax from 15 5/8 % to 9 3/8 % on the property tax with effect from 1-4-1949 as resolved by the council in its resolution No. 275 dated 7-1-50 (copy enclosed).

p13 ante

The rate of property tax levied by this municipality is 16% on the annual rental value. The education tax at 15 5/8% on the property tax works out to Rs.10,940 as per Budget Estimate. Besides the tax, Government grants under section 37 and proviso to section 37 of the Elementary Education Act are available. The grant sanctioned to this council under proviso to Section 37 of the Act is Rs.5,170 as per Government Order No. 1754 Education dated 27-5-49. The equivalent grant under section 37 will be probably Rs.5,470 every year according to the present orders of the Government to pay contribution at 1 1/3 % only on the annual rentals of the properties, even though the rate of education tax is higher than that. The total income thus expected to be derived normally is Rs.21,580, whereas the normal expenditure would be about Rs.16,000 only. In view of the superfluous financial position under the elementary education accounts, and in view of the fact that the public find it very difficult to pay taxes as acute famine conditions prevail at present in this town, the council has

not put up

resolved to reduce the tax from 15 5/8 % to 9 3/8 %. If the rate of tax is so reduced, the probable income under education tax would be about Rs.6,560/-. The Government grant would fetch Rs.5,470 and Rs.5,170 under section 37 and under proviso to section 37 of the Elementary Education Act respectively. And the anticipated normal income then would be Rs.17,200 which will be adequate to meet the normal expenditure under the account.

Under the circumstances explained above, I request that the Government may be pleased to pass early orders in the matter

Please see the note of Edn above. Melapalayam is a newly constituted mcl and it is likely that the cl will find it useful if sufficient funds are available for future use for schemes such as opening of more elementary schools, parks and maternity and C.W. centres. The proposal to reduce edn tax will involve a loss ~~[illegible]~~ which will reduce the total receipts from Rs 27,040 to Rs 17,200. This council, it may be stated had some difficulty in issuing demand notices in time. If the tax is reduced, revised notices have to be prepared and this will further complicate the already existing difficulties. The proposal to reduce the edn tax from 1.4.49 does not seem to be in the best interests of the cl. The council may therefore be advised to drop the proposal or defer it till the budget of the cl for 1951-52 is

The Council while passing the Budget Estimate for 1950-51 has resolved in its Municipal Council Resolution No.275 dated 7.1.1950 resolved to reduce the Education tax from 15 5/8% to 9 3/8% on the property tax with effect from 1.4.49 subject to the sanction of the Government. A copy of Council's resolution is enclosed. I request orders.

Copy of B.1.11135/49 dated 14.2.50 of the Commissioner, Melapalayam Municipality addressed to the Secretary to Government, Education Department, Madras through the Director of Public Instruction, Madras and through the Inspector of Municipal Councils & Local Boards, Madras.

Sub: BUDGET ESTIMATE - Melapalayam Municipality - Revised Estimate for 1949-50 - and Budget Estimate for 1950-51 - Rate of Education tax - levy of at reduced rate-sanction-requested.

Ref: This office Roc.B.1.11135/49 dated 9.1.50 to the Director of Public Instruction, Madras enclosing the Elementary Education Budget of this municipality.

-:0:-

I submit that the Revised Estimate for 1949-50 and Budget Estimate for 1950-51 of the Melapalayam Municipal Council relating to the Elementary Education Fund accounts have been submitted to Government through the Director of Public Instruction, Madras in this office Roc.B.1.11135/49 dated 9.1.50.

In the 2nd para of the ~~covering~~ above covering letter, the orders of the Government have been requested for, for reducing the education tax from 15 5/8% to 9 3/8% on the property tax with effect from 1.4.49 as resolved by the Council in its resolution No.275 dated 7.1.50(copy enclosed).

The rate of property tax levied by this municipality is 16% on the annual rental value. The education tax at 15 5/8% on the property tax works out to Rs.10.940/- as per Budget Estimate. Besides the tax, Government grants under section 37 and proviso to section 37 of the Elementary Education Account are available. The grant sanctioned to this Council under proviso to section 37 of the Act is Rs.5.170 as per G.O.No.1754 Education dated 27.5.49 The equivalent grant under section 37 will be probably Rs.5,470/- every year according to the present orders of the Government to pay contribution at 1 1/3% only on the annual rentals of the properties, even though the rate of education tax is higher than that. The total income thus expected to be derived normally is Rs.21,580/- whereas the normal expenditure would be about Rs.16,000/- only.

In view of the superfluous financial position under the Elementary Education Account and in view of the fact that the public find it very difficult to pay taxes as acute famine conditions prevail at present in this town, the Council has resolved to reduce the tax from 15 5/8% to 9 3/8%. If the rate of tax is so reduced, the probable income under education tax would be about Rs.6.560/-. The Government grant would fetch Rs.5,470 and Rs.5170/- under section 37 and under proviso to section 37 of the Elementary Education Act respectively. And the anticipated normal income then would be Rs.~~1x72x~~ 17,200/- which will be adequate to meet the normal expenditure under the account.

Under the circumstances explained above, I request that the
