C(77681.No.4079-50 dated 19th March 1950.

Sir,

Sub: ESTABLISHMENT--Education--Secondary--Sri Seshagiri Rao,
B.A., L.T., Retired teacher in Secondary Grade vacancy.

oooOoOooo

Sri Seshagiri Rao, B.A., L.T., a retired teacher aged 56, was appointed temporarily as Secondary Grade Assistant in a leave vacancy in the Board High school, Jolarpet. Earnest efforts have been made to secure Secondary Grade teachers particularly for the Board High school, Jolarpet which is a railway colony with high cost of living. Even the few hands that are available in Elementary schools are not willing to go to Jolarpet for the reasons explained above. Though this teacher happens to be a L.T., candidate, he is not willing to accept the appointment anywhere else in the District except Jolarpet. So he is prepared to accept the appointment of a Secondary Grade teacher in this school provided he is paid the maximum of the scale of pay admissible to him.

As the school has already suffered for want of Secondary Grade teachers as well as L.T., teachers, due to dearth of hands and a L.T., vacancy alone has been filled up rather late and considering the fact that if this teacher is appointed now, it would not only solve the problem of getting a Secondary Grade teacher for this year but it would also help a long way in continuing him in service as a L.T., teacher for the next year, he was appointed temporarily for the school year 49-50 from 27.2.50 and his services will be terminated when a qualified Secondary Grade teacher becomes available.

As he is a retired L.T., teacher he is eligible to draw Rs.130/- which he was drawing last at the time of retirement. But since he is in the Secondary Grade vacancy it would be but fair that he is given at least the maximum pay of Rs.85/- of the Secondary Grade scale, in view of the fact that when an L.T., teacher offers himself to accept a Secondary Grade post it would be an advantage to the Board from many points of view.

Under the above circumstances, I request that the Government may be pleased to sanction his appointment as a temporary measure on Rs.85/- the maximum of the Secondary Grade scale for the school year from 27.2.1950.
