Re.No.1335 K2/49 dated 15-9-49

Sir,
Sub:--Colleges--Government Arts College, Madras--
Provision for the award of full fee remission--
Modification.

In enclosing herewith a copy of the letters Re.No. 1272/49 dated 29-3-49 and 3-9-49 from the Principal, Government Arts College, Madras containing his proposal for amending the provision for the award of full-fee remissions sanctioned in G.O. No.607 Education dated 4-5-42 so as to enable the award of both full and half fee remissions to a maximum limit of 8% of total fee income, I have the honour to recommend that the proposal may be accepted as the concession can be extended to some more deserving students at a slightly lesser loss of fee income to Government than at present.

Yours faithfully,

For Director of Public Instruction

Copy of letter No.1272/49 dated 28-3-49 from the Principal, Govt. Arts College, Madras to the Director of Public Instruction, Madras.

In G.O. No. Ms. 607 Education, dated 4th May 1942 communicated with your Proceedings No. 2698-E/41, dated 9th July '42 the Govt. were good enough to sanction the award of full fee remissions in this college upto a maximum of 3% of the strength.

It is found that very large numbers of young men from poor families are now seeking higher education and that the award of scholarships meets the need of only a small fraction of the deserving applicants. It is also found that in many cases the award of a half-scholarship would be sufficient to enable a student to continue his studies. A larger number of students could be benefited if in suitable cases a half-fee remission is allowed.

I would therefore request that the Government order No. Ms. 607 Education dated 4th May 1942 may be amended so as to permit me to grant remission either of full or of half fees subject to a maximum of 3 per cent of the total fee income of the College.

Very early orders are solicited to enable me to bring about this desirable change during this academic year itself.

Ref:--Your Pros. Rec. No. 1358-K2/49 dated 2nd Sept., '49 re. Grant of fee remissions in this College.

Under G.O. No. Ms. 607 Edn., dated 4th May 42, the full fee remissions may amount to more than 3% of the fee income, as 3% of the strength may include more than 3% of the B.A. and B.Sc. Classes and less than 3% of the Intermediate.

Taking the figures of this year 49-50 as the basis, the loss of *
fee income as 41 cases of full fee remissions Rs. 6,222- 0- 0
under G.O. 607 renewable
would be as 41 cases of full fee remissions 6,222- 0- 0
follows:-- to be given afresh now
Total 12,444- 0- 0

Under the proposed Scheme, the fee income for 49-50 would be estimated as follows:--

Total fee income for the first term Rs. 43,959--8--0
-do- for 3 terms 1,31,378--8--0 or 1,31,379--0--0

Plus the amount of fees in respect of sanction of renewal of free ships, had it not been sanctioned 6,222--0--0

Grant total income for the year 1,38,101--0--0

3% of this total annual income is 11,043--0--0(B)

It would thus be seen that the loss to Government under the head of fee income would be somewhat less than at present.

As against this, it is likely that some Muslim and Backward community students who now forfeit their half fee concession under Rule 92 of the Madras Educational Rules on being given full fee remission will under the new scheme get only "half-scholarships" or "half fee remissions" and would continue to enjoy the half fee concession under M.E.R. 92. It is difficult to estimate how many such cases would arise in any year. But it P.T.O.

The D.P.G. is requested to report in which of the other Govt. colleges full-fee remissions are being awarded, the details of the schemes pertaining thereto and whether the modification suggested to the scheme for the award of full-fee remissions in the Govt. Arts College, Madras, in his letter cited should not also be made applicable in the case of the ^{other} Govt. colleges as well. The 8/2c full fee remission was sanctioned when the college was ~~mainly~~ mainly intended for scholarships. Now that it has become a general college the question arises whether the same percentage should be kept up. The Director is requested to consider all aspects of the question and submit a more detailed report to Govt.

Re.No.1335 K2/49 dated 15-2-1950.

Sir,
Sub: College - Government Arts College, Madras - ^{provision} Permission for the award of full-fee remissions - Modifications.
Ref: Govt. Memo.No.72503-1/49 A. Edn. dated 4-10-49 and
Govt. Memo.No.72503-3/49 A Edn. dated 1-2-1950.

1. With reference to the Government Memorandum dated 4-10-49 referred to above I have the honour to state as follows:-

2. Excepting the Presidency College and the Government Arts College, Madras, no other Government College has at present a similar scheme of fee remission. In G.O.No.380 Edn. dated 19-6-1911 Government sanctioned a scheme of award of scholarships in the Presidency College. According to the G.O. the scholarships was in the form of half of whole remission of fees and the number held in any term was not to exceed 8% of the total fees of the College. In 1926 the scheme was modified and under the revised rules approved in G.O.No.283 Edn. dated 23-2-1926 the scholarship was in the nature of whole remission of fees not exceeding 8% of the strength of the College. The reason given for this change was that half-fee remissions had never been awarded. Vide this office letter Rc.990 E/25 dated 6-2-26 disposed of in G.O.No.283 L.E. dated 23-2-26. Subsequently as a measure of Retrenchment, Government reduced this provision by 50% (i.e. not exceeding 4% of the strength of the college) with effect from the academic year 1932-33 - Vide G.O.No.402 L.E. dated 15-3-1932.

3. In enclosing herewith a copy of the letter Rc.No.1272/49 dated 31-10-49 from the Principal, Government Arts College, Madras, containing his further remarks in the matter, I may state that in view of the abolition of the special reservation to Muslims and the Intermediate and the proposal to abolish the same in the Degree classes, the College has become a general one for all classes of students and as such the existing 8% should be continued. While continuing the existing provision, I recommend that the modifications proposed by the Principal may be approved.

Yours faithfully,

Copy of letter Rc.No.1272/49 dated 31-10-49 from the Principal, Government Arts College, Madras to the Director of Public Instruction, Madras.

Ref: Proceedings Rc.No.1335-K2/49, dated 15th October 1949 of the Director of Public Instruction, Madras and Government Memorandum No.72503-1/49-A Edn., dated 4-10-49, regarding award of full fee remissions - Modification of scheme - Government Arts College, Madras.

I beg to plead once again for permission to split up full-fee concessions in suitable cases. I beg to draw attention to my letter dated 29-8-49. (Copy enclosed for ready reference).

The need for awarding fee-remissions has not decreased, on the contrary, it has actually grown greater, because the College has ceased to be a denominational College and a large number of students are admitted who are not eligible for help under Rule 92 of the Madras Educational Rules. The tone and academic standards of the College have to be raised. The College can attract intelligent and hardworking students only when a generous system of scholarships is provided which can benefit students of Backward communities as well as other students.

There is no case whatever for reducing the quantum of concession available.

In presidency College the concessions are given either in full or by halves at the discretion of the Principal.

It is earnestly requested that an ^{amendment} ~~amendment~~ be made to G.O. No. 607 Edn. dated 4-5-42 enabling the Principal to grant full fee Concessions or half-fee concessions as he considers fit, subject to the condition that two half-fee concessions shall count as equivalent to one full-fee concession and that the full-fee concessions thus calculated do not exceed 8% of the total strength of the College.

Thus, if there are 1,000 students it will be open to the Principal to give 80 full-fee remissions or 160 half-fee ~~con~~ remissions or 50 full-fee remission and 60 half-fee remission.

The half-fee concession may be enjoyed in conjunction with the half-fee concession available under Rule 92 of the Madras Educational Rules.

for the award of full fee remission. Proposal for modification.

Read: G.O.No.607 Edn. dated 4-5-1942

From the D.P.I. No.1335-K2/49 dated 15-9-49 and 15-2-50.

In G.O.No.607 Edn. dated 4-5-1942, the Government approved the proposal of the D.P.I. to grant full fee remissions in the Government Muhammadan Colleges, (now Government Arts College) Madras upto 8% of the strength of the college with effect from the academic year 1942-43. The Director now proposes that this scheme of fee remissions in the College, may be modified so as to ^{enable} ~~permit~~ the Principal to grant either full or half fee ~~concessions~~ ^{remission}, subject to 8% of the total strength of the College.

^{of the College}
2 The Principal states that very large numbers of young men from poor families are now seeking higher education and that the present scheme of full fee remissions caters only to a small fraction of the deserving applicants. He also states that, in many cases, it has been found that the award of a half fee remission is sufficient to enable a student to continue his studies. A large number of students will be benefited if in suitable cases half fee remissions are allowed. The Principal also states that the tone and academic standards of the College have to be raised and that the amendment proposed by him viz., that he should be empowered to grant either full fee remission or half fee remission is a step in this direction. The proposal does not involve any extra cost to Government; but the Principal wants that two half-fee remissions should be counted as ~~equivalent to~~ ^{admissible} one full fee remission for purposes of calculating the maximum number of fee-remissions ^{upto} (viz. 8% of the strength of the college.) The proposal may be approved.

Finance may see for remarks.
