Sub: Tiruchirapalli Municipal Council - Revised Estimate for 1949-1950 and Budget Estimate for 1950-1951 - Submitted.

...

A copy of the Revised Estimate for 1949-1950 and Budget Estimate 1950-1951 on Elementary Education funds of this Municipal Council are furnished in the form prescribed in Annexure I to the Rules framed under Madras Elementary Education Act together with the prescribed summary and statement, in duplicate. The proposals have been approved by the Council in its resolution No.2284 dated 18-1-1950. Necessary provision has been made both in the Revised Estimate for 1949-1950 and Budget estimate for 1950-1951 for the grant of House Rent and Dearness allowances to the School Teachers. The provision made under equipment, contingencies and other items are based on the actual requirements of each school and with reference to the recommendations of the Inspecting officials.

ESTABLISHMENT:- Provision has been made in the Revised Estimate for 1949-1950 for the appointment of 3 higher grade teachers for Varaganery North, Tennur east and Sengulam Schools and in the Budget Estimate for 1950-1951 for 2 Higher Grade Teachers each for Majlis-Ul-Ulama School and Puthur School and one pro-vocational Instructor for the East Boulevard Road School as recommended by the Educational Authorities.

The pay of the sweepers employed in the Elementary schools is very low and applications were received from almost all of them to grant enhanced rate of pay. I have examined the question thoroughly and recommended to the Council to revise the pay from 1.4.1950 with reference to the school places of each school as shown in Annexure 'B'.

In the Budget Estimate for 1949-1950 a sum of Rs.9,000/- was provided for the extension of east Boulevard Road School and Fort Girls School, Since the plans and estimates for the remodelling of the East Boulevard Road School etc., sent to Educational authorities are pending sanction and as it is expected that the construction will not be completed before the end of this official year, and as compulsory education is not yet introduced in the Woriur Area, the question of constructing a building in that locality will not be taken up before the end of the official year a nd so the sum of Rs.9,000/- provided in the Revised Estimate is deleted and a sum of Rs.30,000/- is provided under capital works in the budget Estimate for 1950-1951 as detailed in my Note to the Council.

In the Revised Estimate for 1949-1950 the contribution of Rs.48,500/- is taken from the General accounts (ordinary) to this Account as sanctioned by the Government in G.O. No. 1223 E. & P.H., dated 22.4.1949 while sanctioning the Budget Estimate for 49-50 No contribution is taken from the General account for 50-51 as the Elementary Education Account is self supporting. The estimate schedule is sent herewith.

GOVERNMENT OF MADRAS.

Local Administration Department.

Memorandum No.10711/47-2A, L.A., dated 27th March 1947.

Subject:- Tax -- Property -- Trichinopoly Municipality -- On vacant lands -- Levy.

Ref:- From the Commissioner, Trichinopoly Municipality, No. R.C.A1/6707/~~48xda~~ 46 dated 25th March 1947.

The Commissioner, Trichinopoly Municipality is informed that, as the property tax on lands, which are not used exclusively for agricultural purposes and are not occupied by or appurtenant to buildings, is to be levied on their capital value, and not on their rental value, such lands will not be liable to Education Tax.

As regards the rate at which the scavenging tax should be levied, the attention of the Commissioner is drawn to G.O.No.600, L.A., dated 23rd March 1947 published as notification No. 116 on pages 82 and 83 of the Fort St. George Gazette dated 25th March 1947.

Copy of note of the Commissioner dated 16-6-1948 to the Municipal Council, Tiruchirapalli,

---

The Government while approving the budget estimate of this council for 1948-49 suggested to increase the rates of lighting and education taxes adequately and a corresponding reduction made, if necessary, in the rate for general purposes, as the income derived from these sources of Education & Lighting is very low when compared with the anticipated expenditure under these accounts and in order to make these accounts self supporting as far as possible.

Property tax is now levied at 23 1/12% of the annual valuation. The lighting and education taxes are levied at 1/2% and 1/3% per annum respectively. Any increase in the total percentage may be a hardship to the public. It is therefore suggested to increase the percentage of the two taxes only viz. from 1/2% to 1 1/2% per annum and 1/3% to 1 1/2% and a corresponding reduction made in the tax for general purposes from 14 1/4 % to 12 1/2% from 1-4-1948 as advised by the Government.

Sir,

Sub: Tax -- Education - Levy in Municipal areas -- Information furnished.

Ref: Your letter No.L.F.5865 dated 19-10-48.

Education Tax is levied in this Municipality at ¾ % on the annual value of the property on buildings and lands including the Agricultural lands. Education Tax is not levied on vacant land vide exemption granted in the Government Memorandum No.10711/47-2A dated 27-3-1947.

The following is the schedule of rate of taxes in force in this Municipality:-

1. Buildings and lands occupied by or appurtenant to buildings.

For general purposes	6 1/24	per cent of annual value per half year.
Water tax	2	,, ,,
Drainage tax	1/2	,, ,,
Scavenging tax	1½	,, ,,
Education tax	¾	,, ,,
Lighting tax	¼	,, ,,

2. Property tax ~~for General Purposes~~ on lands used Exclusively for Agricultural Purposes.

Property tax for General Purposes	6 13/24	per cent of annual value.
Education tax	3/4	,,

3. Lands other than those occupied by or appurtenant to buildings or used exclusively for Agricultural purposes.

For General Purposes	7/16 of capital value.
Lighting tax	3/200 ,,
Water and drainage tax	3/20 ,,
Scavenging tax	1/16 ,,

If the education tax is to be levied according to rules, the same may be levied in this Municipality at 7 % of the property tax on buildings and lands and at 11 73/157 per cent of

the property tax on lands used for exclusively for agricultural purposes. This will be in conformity with the rules relating to the levy of property tax under Section 34(1) of the Madras Education Act. If the rates recommended above are adopted there will be no loss to this Municipality by the change of the procedure and there will also be no extra burden on the rate-payers.

I expect that the property tax will yield Rs. 9,00,000 and the education tax thereon will be Rs.63,000 per year.
