E. & P.H. (G.E.)

The rate of teaching grant paid to aided ~~colleges~~ training colleges is ~~two-thirds~~ half the net cost and there is ~~no~~ no general proposal to raise it to two-thirds. It may however be mentioned that in connection with the proposal for the opening of five aided training colleges in 1950-51 in order to meet the pressing need for more trained teachers, ~~that~~ which is under consideration as a Part II Scheme for 1950-51, grants calculated on the basis of two-thirds net cost have been suggested, as a special case, and the decision of the S.F.C. and the Cabinet is awaited.

* 59. Q.—SRI N. M. R. SUBBARAMAN: Will the Hon. the Minister for Education be pleased to state—

(a) the present rate of grant paid to the training schools and training colleges;

(b) whether there is any proposal to increase the rate of grant to the training schools and training colleges; and

(c) if so, from what date?

THE HON. SRI K. MADHAVA MENON:—“(a) It is presumed that the hon. Member refers to the basis as assessment of teaching grants to aided training schools and colleges. Teaching grants to aided training schools are assessed on the basis of two-thirds of the net cost of maintenance in the preceding financial year and aided training colleges on the basis of one half of the net cost.

“(b) & (c) There is no proposal to increase the basis of assessment of teaching grants to all the aided training schools and colleges. The question of sanctioning as a special case, teaching grants on the basis of two-thirds of the net cost to five aided training colleges proposed to be opened during 1950-51, is under consideration.”

SRI S. NAGAPPA:—“May I know whether this two-thirds grant includes the stipend grants to the students?”

THE HON. SRI K. MADHAVA MENON:—“No; stipend is not given by the management; it is given by the Government. Two-thirds of the net expenditure by the management is given.”

JANAB ABDUL HAMEED KHAN:—“May I know which are the training colleges which are receiving these grants?”

THE HON. SRI K. MADHAVA MENON:—“If the hon. Member means colleges under clause (a) of the question, all the existing aided training colleges. In Madras, you have the St. Christopher Training College, the Meston Training College, etc.”

SRI N. M. R. SUBBARAMAN:—“May I know whether there are a sufficient number of L.Ts. available for schools?”

THE HON. SRI K. MADHAVA MENON:—“No, Sir; we are very short of B.Ts.”

BEGUM SULTAN MIR AMIRUDDIN:—“May I know whether the Government have any proposal under consideration to increase the building grants to aided institutions?”

THE HON. SRI K. MADHAVA MENON:—“We have begun to give building grants only since the last two years, and there is no proposal to increase the rate of building grants now.”

SRI A. VEDARATNAM PILLAI:—“May I know whether there is any basic training college in our State; if so, where is it and what is the difference between the basic training college and the ordinary college so far as grant is concerned?”

THE HON. SRI K. MADHAVA MENON:—“There cannot be any basic training college at present, because training colleges are for training teachers for secondary schools. We have as yet no secondary schools wherein there is basic education. There is a proposal to have a private training college with basic education as primary subject in Coimbatore, and for that I think provision has been made in the budget.”

JANAB ABDUL HAMEED KHAN:—“In view of the fact that there is colossal paucity of trained teachers in the State, will not the Government consider giving encouragement by giving financial support to independent people for starting these training colleges?”

THE HON. SRI K. MADHAVA MENON:—“That is what certainly the Government propose to do. I said it is under consideration, in reply to clauses (b) and (c). The Government have recommended to the House under Part II Schemes to give two-thirds of the net cost instead of half, to these training colleges.”

SRI KALLUR SUBBA RAO:—“May I know whether Government are thinking of increasing the stipends and also encouraging local bodies to give stipends for teachers who undergo training in the colleges?”

THE HON. SRI K. MADHAVA MENON:—“There is no proposal to increase the stipends at present.”

[14th March 1950]

send their teachers for training, who are in permanent service, two-thirds of the cost will be met by the Government i.e., two-thirds of the proved expenditure will be met by the Government.”
