Copy of letter from the Correspondent, Basic Training School, Keelamoongiladi, Chidambaram dated 27-3-50 to the Director of Public Instruction, Madras.

The Keelamoongiladi Basic Training School has benefited considerably by the deputation by Government of the services of Srimathi R. Rajalakshmi, who is at present, acting as Headmistress of the school. The school has been doing very good work and it is a pioneer in the field of basic education and it is also proposing to start a senior basic training section from the beginning of the next academic year. The shortage of trained staff has been felt by this aided institution as well as by other aided institutions and it is requested that such institutions which are doing good work should not be affected by the termination of deputation of suitable personnel.

I therefore request that the services of Srimathi R. Rajalakshmi may be deputed to our institution for one more year from the date of the expiry of the previous termination. I understand that Srimathi R. Rajalakshmi is also willing to continue in deputation and I am enclosing herewith her letter of consent for the same.

Thanking you,

Copy of letter from R. Rajalakshmi, Headmistress, Basic Training School, Keelamoongiladi to the Director of Public Instruction, Madras dated 2-4-1950.

: 2 :

I understand that my services which had been lent to the Basic Training School, Keelamoongiladi are required for another period of one year. If Government are able to grant the extension of Deputation, as requested by the Correspondent, I am willing to serve in the institution for the period of extension required.
