Sir,

Subject: Schools - Government Secondary and Training
School for Women Cuddalore - Forms IV to VI
continuance

Reference G.O. Ms. No. 1692 Edn dated 24-5-49

In their order quoted above Government sanctioned the continuance during the school year 1949--50 of Forms IV to VI in the Government Secondary and Basic Training School for Women Cuddalore.

2. The present strength of Forms III to VI in the school is as shown below :--

Form VI	15
" V	18
" IV	31
" III	50

I enclose herewith an extract from the annual inspection Report on the school for the year 1949--50, for the information of the Government. The condition and tone of the school have now improved considerably and it is maintaining economic strength. The strength in the lower forms assures economic strength for the school for the coming years also. In view of the improved condition of the school I request that the question of abolishing the higher forms in the school may be dropped altogether and Forms IV to VI allowed to continue on a permanent basis.

3. I request early orders of Government in the matter.

Yours faithfully,

Extract from annual Inspection report of the school for 1949-50 -
Roc No. 39 G/49 dated 25.2.50 of the Inspectress of Girls Schools,
III Circle, Madras

This school which was threatened with closure last year and was uneconomic has recovered its balance and is fast developing into an economic and first rate school. In all spheres of work earnest efforts are made by all the staff under the able guidance of Mrs. Saraswathi Doraiswamy the Superintendent. Greater results may be expected when the present set of staff are assured a few years stay in the same school. The school is becoming popular with the locality which is the oldest part of the City and is peopled by middle classes whose views on Girls education are still backward.

Ref:- Your Telephone Message dated 24-4-1950.

Forms IV to VI have been in existence in the Government Secondary and Training School for Women, Cuddalore ever since 1922 and there are two permanent posts of school-assistants for the High School section. These posts were originally sanctioned in G.O. No. 1048 Edn. dated 18-7-1921. Till the school-year 1948-49 the two Training Sections and the three high school forms were managed by the 4 permanent school assistants sanctioned for the school (2 for the Training Section and 2 for the Secondary section) and by the Superintendent. As this staff was not sufficient one temporary post of school Assistant was sanctioned for the High School section in G.O. Ms. No. 2300 Edn. dated 13-9-1948 and it is being continued -vide- G.O. Ms. 3403 Edn. dated 7-11-1949. Proposals for the further continuance of this post will be submitted, separately, in due course. The post is not ripe for permanent retention now and this question may be taken up later. Kindly see G.O. Nos. 1175 Edn. dated 7-6-47, 1411 Edn. dated 3-7-47 and 1355 Edn. dated 27-5-48.

strengthen in them was uneconomic. But in Memo. no. 51029 B/46-2 Cdn 20/6/47, the Government on the representation from the parents of the students in the school, permitted the retention of Form VI during the school year 1947-48. Subsequently on the recommendation of the D.P. 9, the Govt sanctioned the retention of Forms IV & V also during that school year - Vide G.O. no. 1411 Cdn 3.7.1947. The forms have also been continued temporarily during the school years 1948-49 & 1949-50. As the strength in the school has now improved & as all the forms will have economic strength by the next school year, it is proposed to retain the forms on a permanent basis. There are already two permanent school assistants & one temporary school assistant for the forms. The D.P. 9 has reported that the temporary post is not yet ripe for permanent retention (as it was sanctioned only in G.O. no. 2300 Cdn 13.9.48) and proposals for its continuance will be held in due course. The permanent retention of forms IV to VI in the school, does, not, therefore, result in the permanent retention of any temporary post.

as the strength in them was uneconomic. But
on a representation from the parents of the students

of 20-6-47, permitted the retention of forms IV during
the school year 1947-48. Subsequently on the

Edn Dept have stated that the strength in
the school has now improved and as all the

permanent retention of the above forms ^{does} not
result in the permanent retention of any temporary
post.

2. If the permanent retention of the
temporary sections viz IV, V and VI does not
result in the permanent retention of any temporary

permanent at all, and what is the objection
for continuing them on a temporary basis as at
present. In the latter case, it will be all the more
convenient for Govt to examine the need for
the continuance of these sections from year
